

'WOMEN: END MEN'S WILD OATS DAYS AND PRODUCE RACE OF HUMAN THOROUGH-BREDS,' URGES PERFECT WOMAN

The perfect woman as she looks in her sleeping costume — she sleeps outdoors the year around. She also climbs trees for exercise.

Hastings, Neb., Dec. 13. — "When women begin to demand that their children be registered stock, 'wild oats' will cease to be sown by the males! Application of the theory of eugenics will mean ultimate salvation of the human race!"

So says Miss Susan Myrick of Georgia, a "perfect woman," physical trainer in the Hastings schools and a graduate in physical training
