

OUTBURSTS OF EVERETT TRUE

NOOTBAR'S NEW VICE PLAN

Cap't Max Nootbar, new caretaker of the 22d street levee district lid, announced a moral method of combatting with disorderly resorts.

"I am going to have my detectives make a house to house canvass of

the district and ask every resident about disorderly houses. There are some respectable people in every block. They will point out the dives. Then we will know which houses to watch.

"The lid is going down tight."
