

# NOTORIOUS BANDIT CAPTURED BY POSTAL CLERK

## STATE TROOPS ARE CALLED TO QUELL OTTUMWA, IA., RIOTS

### FOUR COMPANIES SENT TO HANDLE MEAT CUTTERS' STRIKE

### QUIET IS RESTORED

### NIGHT OF DISTURBANCES IS FOL- LOWED BY APPEAL TO GOVERN- OR KENDALL FOR MILITIAMEN TO CONTROL SITUATION.

Ottumwa, Ia., Nov. 16.—Companies A B C and D from Des Moines under command of Col. Guy E. Brewer arrived here at 4:40 this morning and detained at a crossing within a block of the John Morrell packing plant.

The troops immediately relieved the eighty deputy sheriffs, sworn into service late yesterday by Sheriff George Giltner who had been guarding the plant during the night.

Quiet prevailed in the vicinity of the packing house this morning though a large crowd was at hand before the packing house this morning before the troops arrived.

When the hour for beginning operation of the plant approached the guardsmen formed a double line to the entrance with bayonets fixed, through this avenue of armed troops one hundred workmen of the John Morrell packing company marched to their work for the day.

At points in the vicinity where the violence was most marked yesterday, machine guns were posted. Great crowds had gathered at different points, but these were kept moving by the troops. The machine gun crews kept their pieces swinging about menacingly whenever the crowd showed a disposition to linger at any spot, and this had an immediate effect in dispersal of the groups.

Sheriff George Giltner has retained the deputies sworn in yesterday and these will be used in protecting workmen in leaving the packing plant after their work is done.

### Four Units Entrain.

Des Moines, Ia., Nov. 16.—The four units of the Iowa militia guard ordered by Gov. Kendall last night to duty in the packing strike zone of Ottumwa entrained at 1:20 o'clock this morning. The troops companies A B C and D are under command of Col. Guy E. Brewer.

The men carried full equipment including ammunition, machine guns, rifles, kitchen equipment and pup tents. On their arrival at Ottumwa they were reported to Adjutant General Lasher for assignment.

Gov. Kendall ordered the guard troops to the strike zone at seven o'clock last night following a telegram from Ottumwa officials that the situation was beyond local control.

The governor issued the following statement at seven o'clock last night: "The sheriff, county attorney and mayor of Ottumwa wired me tonight that the situation there was altogether beyond control and asked for troops to save life and property. I have therefore ordered four companies of the national guard report there at once. I am not at all familiar with the questions involved in the dispute between the packing company and its employees and indeed it is not necessary that I should be. Without assuming any attitude whatever toward the labor controversy I intend to see that the law is enforced and that order is maintained."

## TALESMAN OBJECTS TO PROHIBITION ACT; NOT TAKEN ON JURY

### MANY MEN EXAMINED FOR PROS- PECTIVE SERVICE IN MOON- SHINE CASE SAY THEY ARE PREJUDICED AGAINST DRY PROPOSITION.

La Salle county men are as a whole evidently not very enthusiastic over the prohibition laws, if the venire summoned to act as jurors in the Zabkar case that is now on trial in the County Court are any criterion. Numerous men were excused from jury duty either because they were ex-convicts or went on record as being opposed to the prohibition laws.

The last of the twelve jurors who are to hear the case was selected shortly before 11 o'clock this morning. Since Monday afternoon an effort had been under way to secure the men. The regular panel was exhausted and two special venires, one of six and the other of fifteen men, had to be summoned before twelve who were favorable to each side could be chosen.

The twelve selected to hear the case are L. J. Hulbert, Serena; Ernest Moews, Cange; E. O. Lathrop, Mendota; Frank Golatka, La Salle; R. B. Rockwood, Ottawa; M. J. Ford, Ottawa; William Bigford, Dayton; Ed Peck, South Ottawa; William Solomon, Ottawa; Rush Green, Dayton; Harry Lee, Ottawa, and Elmer Hitter, Ottawa.

### Conclude Opening Statements.

The opening statements were ended before noon and preparations fixed for getting the testimony under way early this afternoon.

State's Attorney Kelly spoke for the prosecution. He told the jurors that on March 20 Sheriff Ayers, Deputy Sheriff Charles Campbell and a business man whose name he did not mention visited the Zabkar saloon in La Salle. He alleged that they found a number of intoxicated men there, and stated that the sheriff found a bottle partially filled with booze.

He stated that again on Oct. 1, the two officers, with Steve Gross, who is a prisoner in the county jail, serving time on a wife abandonment charge, visited the Zabkar saloon. He alleged that Ayers remained outside, while Campbell and Steve went in. Steve ordered and drank two drinks, he alleged and that Campbell tasted the liquor.

Attorney Walter Panneek made the opening statement for the defense. He alleged that when the trio visited the saloon on March 20 the liquor they took was Zabkar's private stock and was not for sale.

Sheriff Curt Ayers was the first witness called to the stand. He told of making the raid last March, and of returning to the place in October in company with Deputy Charles Campbell and Steve Gross.

## TWO STRANGE AUTOS COLLIDE ON HILL

Two large black touring cars with unknown drivers figured in a head-on collision last night about 8 o'clock on the Terra Cotta road about two miles northwest of the city. As far as can be learned, neither of the drivers was injured, although the crash of the two cars when they struck each other could be heard for blocks. One of the cars was coming to this city, while the other was going out of town.

At a turn near the top of the long, slanting hill the two machines collided. One was thrown into a ditch alongside the road, but it did not turn turtle. Shortly after the collision both cars went on their way with only minor damages.

## THE KEY TO THE WHOLE SITUATION

## BAPTIST MEN HAVE THANKSGIVING EATS AT ANNUAL BANQUET

### TURKEY AND EVERYTHING SERV- ED AT SPREAD ATTENDED BY 146 GUESTS—EXCELLENT PRO- GRAM IS CARRIED OUT.

One hundred and forty-six guests attended the annual thanksgiving dinner of the Brotherhood of the First Baptist church which was held last night in the dining room of the church. A sumptuous turkey dinner was served at 6:30 o'clock, which made a decided hit with the members of the brotherhood and their ladies, who were gathered around the festive board.

The dining room was prettily decorated with autumn flowers and the lights were covered with thanksgiving shades. Thanksgiving napkins were laid at each cover, and paper favor caps in keeping with the season which were passed out and donned by the guests did much to add to the enjoyment of the occasion.

The menu consisted of roast wild turkey with dressing, New England potatoes, cranberry sauce, pickles, celery, pie with whipped cream and coffee.

At the close of the dinner the guests joined in a community song service, which was conducted by John Hoff. At the close of the old fashioned song service the guests went upstairs to the Sunday school room, where a fine program was enjoyed.

Misses Emily Palmer and Vera Belle Ham sang two duets which delighted their hearers and each sang a group of solos. Justin Jaeger also sang a group of solos which won a great deal of applause from the audience.

County Superintendent of Schools Foster made a very fine thanksgiving address.

Resolutions were presented by J. A. Andrews on disarmament which were enthusiastically passed, and will be sent to Washington to President Harding. These resolutions read: "The Brotherhood of the First Baptist Church of Ottawa, Ill., sends most cordial greetings and tenderest sincere congratulations on the auspicious opening of the world conference on limitation of armaments. "We recognize the stupendous task our President has inaugurated in starting the nations of the earth on a practical peace program, and we appreciate and applaud the high moral stand our country has assumed through his splendid leadership. ## BABY'S CRIES SAVE LIVES OF THREE IN FARM HOUSE FIRE

### CHILD AWAKENS MOTHER, WHO MAKES DISCOVERY THAT HOME IS ABLAZE—HOUSE, BARN AND TWO OUTBUILDINGS LOST IN CONFLAGRATION.

Awakened by the baby's cries, Mr. and Mrs. Arthur Heminover barely had time in which to escape with their lives this morning at 3:30 o'clock when flames attacked their home in Grand Rapids township, destroying the residence, a barn and two small outbuildings. The child's pitiful wails caused by illness, awakened first the mother.

She arose to care for it and was smitten in the nostrils by the strong odor of smoke. Hurriedly arousing her husband, the couple, dressing in what clothes they could find, snatched up the child and fled from the house just as it burst into flame. The three lives and the clothes they wore were all saved from the doomed dwelling.

The loss is estimated at \$7,000 by conservative appraisers. The barn, a large structure, contained implements, hay, grain, harness and other personal property. The wash house and coal house were small buildings and the loss is proportionately small compared with that of the barn and residence.

The corncrib, which was in the path of the fire, was saved from destruction by the energetic work of a hurriedly formed bucket brigade comprised of neighbors who rushed to the Heminover place to lend the stricken family what aid they could.

The farm on which the fire occurred was formerly known as the Fiske & Beem farm and is now owned by Christ Ehrler of South Ottawa.

## ROY GARDNER FAILS IN ATTEMPTED HOLD UP OF MAIL COACH

Phoenix, Ariz., Nov. 16.—The bandit captured here last night at the Santa Fe station, following an attempt to rob a mail car was identified today as Roy Gardner, who recently escaped from the federal prison at McNeill's Island. Gardner admitted his identity, but when questioned about his escape said, "I am not going to tell any more than I have to."

Puts Gun into Clerk's Ribs.  
The robber boarded the car ten minutes before the train was due to leave and it is the theory of police that he intended to ride to a nearby station where they believe he had accomplices waiting for him. Herman Inderleid, of Phoenix, clerk in charge of the car, said the first he knew of the robber's presence was when he felt a gun pressed against his body and turned around to find a masked man holding a revolver against him. Inderleid who is 6 feet 2 inches and weighs 215 pounds struck his assailant, took the gun away from him and then sat on him while he waited for officers to respond to his calls.

At the jail the bandit said he was R. P. Nelson, of Chicago.

Says Clerk Earned \$5,000 Reward.  
While Inderleid was holding his prisoner the latter said:

"Well you've earned your \$5,000 tonight, referring to a standing reward offered clerks for the capture of mail bandits. Inderleid who went out with his car last night returned to Phoenix today to identify his prisoner formally. As he approached the prisoner the latter said holding out his hand: "You haven't got any hard feelings have you?"

"I've got a wife and a child at home," answered Inderleid. "So have I," responded Gardner, "and if you had had a gun last night your wife would have been a widow today. I never hurt an unarmed man, but next time a gun is stuck against you, you put up your hands—it might not be Roy Gardner behind the gun."

Lived at Phoenix Hotel.  
Gardner said he lived here three weeks staying at a hotel and driving about the city in his auto. He blamed failure of his attack on the fact that Inderleid, a white man, was in charge of the car instead of a negro mail clerk, Gardner thought would be in charge. He said he was confident the negro would have obeyed the command to put up his hands. He confirmed the theory that he intended to get the \$15,000 he believed was to be shipped to Los Angeles, but denied having any accomplices.

"Don't you know I always work alone," he asked.

He told officers he had watched the registry window closely waiting to see if any valuable shipments were being made. Yesterday he heard a bank messenger mention a shipment of \$15,000 and he believed it would be sent on train No. 170 last night.

Officials say Gardner would have found the negro mail clerk had he waited until tonight. The negro was scheduled to take over the run tonight.

### Escaped From McNeill Island.

Los Angeles, Cal., Nov. 16.—Roy Gardner escaped from McNeill Island (Washington) prison Sept. 5, 1921, by cutting his way through a barbed wire fence during a prison baseball game and running through the fields to cover amid a rain of shots from the guard.

Two convicts, former soldiers at Camp Lewis, serving life terms, also dashed for liberty with Gardner. One was killed and the other wounded.

Gardner committed two mail robberies in California and escaped from his guards twice while being taken to McNeill Island.
