The committee will consist of Mayor Mueller, City Attorney Donegan, Commissioner of Public Works Compton and Aldermen William Matthes, Christ Kuehl and John Witt. Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt, if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Diapepsin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only 50 cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on with a weak, disordered stomach; it's so unnecessary.

USE **NEWBRO'S HERPICIDE**

You may not be actually bald, but loose hair and flakes of dandruff scattered over the shoulders of your coat indicate that you are going to be.

The dandruff germ is there and there to stay, busy in its work of hair destruction, until driven out by the intelligent use of Newbro's Herpicide.

The invisible microbic growth, which causes dandruff, never halts in the hair killing process. In a short time a bare spot appears and gradually extends. The hair bulbs are being robbed of life and finally there is no help but a wig.

Don't wait. Herpicide kills the germ, gives life and vigor to the hair, prevents it from coming out. Every particle of dandruff will be eradicated and the scalp left clean and healthy.

You will like Newbro's Herpicide not alone for its hair saving qualities, but for the feeling of cleanliness which it imparts, the sense of coolness to the scalp and its delightful and delicate odor.

Insist always on having genuine Herpicide and not something said to be "just like it" or "just as good."

SEND TEN CENTS FOR SAMPLE BOTTLE AND BOOKLET

If you will send 10 cents in postage or silver, to cover cost of packing and mailing to the Herpicide Company, Department 85-B, Detroit, Mich., you will receive a sample bottle of Newbro's Herpicide and an interesting booklet telling all about the hair and its care.
