### SCHROEDER HOME IS BURGLARIZED

Thieves Ransack House Getting Over \$800 Worth of Jewelry and Valuables.

### FAMILY AWAY AT TIME

Effect an Entrance by Prying Open Window From Back Porch—Police on Case.

Between the hours of 3 and 8 p. m. yesterday, burglars broke into the residence of Hans Schroeder, 924 Twentieth street, making a successful getaway with over \$800 worth of silverware, jewelry and valuables. They left no clue as to their identity. The robbery was first discovered by the maid who had gone out at 3 o'clock in the afternoon. She returned shortly after 8 o'clock, and upon opening the door a scene of the wildest disorder greeted her eyes. The house had been ransacked from cellar to garret, drawers had been removed, the contents dumped upon the floor and everything pawed over. Nothing of value was left with the exception of clothing articles, and the haul is one of the biggest in years.

Mrs. Schroeder, accompanied by her daughter, Myrtle, left yesterday morning for an automobile trip through Iowa, and as Mr. Schroeder had been invited to dine with relatives in Moline last evening, he informed the maid that she need not stay alone in the house. The thieves had evidently been watching the house and knew of the absence of the family, so they were able to go about their work in a thorough and systematic manner with all the time in the world and practically no fear of interruption.

### FORCE LOCK

Mr. Schroeder did not return to his home until 9:15 and immediately notified the police, who are working on the case.

An entrance was effected through a window on the back porch, the thieves, ripping off the screen and forcing the window latch by prying the sash from underneath.

### LUDEWIG CASE AGAIN CONTINUED 10 DAYS

The case of the city vs. Dr. W. H. Ludewig, which was scheduled for a hearing this morning, was again continued, the delay this time being 10 days more. The reason for the continuance, according to the statement of Commissioner Archie Hart, is to enable the fire chief to determine the exact extent of the injuries to the horses hurt in the collision which occurred sometime ago between the central fire truck and the physician's auto.

### DESCENDANT OF ALI BABBA FOUND

Potato Vender Discovers Short Road to Riches but Police Interrupt Journey.

### IS NOW IN COUNTY JAIL

Gives Full Weight to Bushel but Slips Up on the Number Ordered.

Joseph E. Gilbert, a vender of potatoes, has discovered an abrupt thoroughfare to affluence which makes the artifices employed at the Monte Carlo palace of fortune resemble the lowly efforts of a shell game operator with a one horse carnival. His wealth accumulating ventures were brought to a hurried conclusion yesterday, however, when a strong arm of justice of the law seized him by the nape of the neck and escorted him to the city hall. This morning he was held under \$400 bonds and his case continued. It is likely that a charge of obtaining money by false pretenses will be preferred against him.

### WIFE SHEME

Gilbert is selling for Max Jopey, who was unaware of the fact that his employe was a direct descendant of the famous Ali Babba. Gilbert has been in the habit of ordering for a house wife, taking the order for say six bushels, and then carrying in but five, after which he would announce that the last bushel was No. 8. Owing to the fact that the potatoes were dumped in one pile, the lady of the house has had no method of proving her case, and has dismissed it with the thought that she has made a mistake. Gilbert tried the game on Mrs. Oliver P. Olson, 1907 Forty-fourth street, yesterday. Also the same stunt was worked on Mrs. George Connel, just across the street. A complaint was registered with the police, and both men hauled to the station. Jopey was dismissed upon payment of costs, but Gilbert will receive attention later.

### TAKES MONEY FROM BABY'S SAVINGS BANK

Finding that money came too slowly by work, John McDonald of Milan, yesterday stole the contents of a child's little savings bank, amounting to \$10 and went out for a good time. McDonald is staying at the home of Fred Schaffer of Milan, and the bank belonged to one of the children. McDonald was arrested this morning and when arraigned before Justice J. H. Cleland, pleaded guilty to a charge of larceny and was bound over to the grand jury under bonds of \$500. When arrested, the thief had spent all of the money.

### WILSON CALLS IT DO-NOTHING PARTY

Georgetown, Del., Oct. 17.—Woodrow Wilson campaigned through Delaware today deploring in all his speeches the attack on Roosevelt. He confined himself to state issues. He was greeted by large crowds. Referring to Taft's administration he said: "We have had no pilot the last four years. The ship of state has been wallowing through a sea. We need to have a party of know-nothings. We now have a republican party of no nothing."

### GETS A GUN WHEN DIGNITY IS HURT

Dusky Dame Resents Neighbors' Laughter When Caller Is Received.

### YEARS FOR A FIGHT

Other Damsel Issues Forth Into Street Armed With an Axe—Case Continued.

Angered because two neighbor women sat at the window and openly snickered when she invited a white man into her house and remained for several minutes, Nellie Welch, black as the ace of spades, weight 300 pounds, yesterday afternoon armed herself with a revolver and started after her deriders with a view to annihilating them. The parties with the lump of humor, both of whom are well known in police circles, were Cora Mack and Fannie Lane, the latter alleged to be the woman who murdered a man in Moline some time ago. They are colored.

### FEELINGS HURT

Cora Mack said she was seated in the window and watched Nellie go in to her house with the white man and laughed, whereupon, after the visitor had departed, the hostess got out a revolver and invited them to come down and do battle, claiming that she would get them. Then desiring to telephone the police for protection, Cora picked up a young axe and started down the steps with the object of her ridicule following her. Cora says she was just going to return the axe to a neighbor from whom she had borrowed it that morning, and that she had no intention of using it as a paything.

The Welch woman made strong charges against Cora, whom the police have been watching for some time but have been unable to catch with the goods. Witnesses will be on hand tomorrow and the matter thoroughly thrashed out.

P. C. Beselin, 1324 Fifth avenue, Rock Island, Ill., says: "I still recommend Doan's Kidney Pills just as highly as I did in 1909. I have to do heavy lifting in my work and this no doubt was the cause of my kidney trouble. The worst symptom was backache accompanied by pains in my sides. The kidney secretions were unnatural. Seeing Doan's Kidney Pills advertised I got a supply at the Harper House pharmacy. They entirely relieved my troubles."
