

BEYOND GRAVE IS A LECTURE THEME

Pastor Sexton of London Interests an Audience at the Empire Theatre.

Many turned out yesterday to hear Pastor E. D. Sexton of London, Eng., discuss what lies "Beyond the Grave." The lecture was given in the morning at the Empire theatre. Interest ran high throughout his entire discourse, which lasted for over an hour. The lecture covered much of the scriptures from Genesis to Revelation, and few sermons have been preached in which the bible was so freely quoted. The pastor was strong in his contention that there is an opportunity for purgation from sin beyond the grave. Nor was he without support from the book of books. In fact he said that the scriptures as a whole supported this thought. "Every knee shall bow and every tongue confess that He is God." Since this has never yet taken place with the great majority of mankind, its fulfillment must be future; beyond the grave many knees will bow which have never bowed before. The Lord is that true light, "which lighteth every man that cometh into the world;" the billions not enlightened on this side of the grave must be enlightened on the other side, else God's word is false. "I, if I be lifted up, will draw all men unto me." Surely the Lord has not drawn all men unto Him on this side of the grave; it must be beyond the grave where these words will be fulfilled.

Some might object, quoting the text: "Now is the day of salvation, now is the acceptable time," etc. But this verse reads a little differently in the language in which it was first written. Instead of reading, "Now is the day," as does the English, the Hebrew reads: "Now is the day of salvation, now is an acceptable time implying that there is another day of salvation, and another acceptable time. These blunders in translation, made several hundred years ago, have caused many otherwise well thinking people to suppose that God is accepting a few now who chance to hear of Christ in this the only day of salvation, and that He will consign all the rest, the vast majority of His creatures, to a hell of fire and brimstone to be tortured forever. Recently, however, all Christian people are awakening more and more to the real teachings of the bible, and to a deeper appreciation of the fact that "God is Love."

Pastor Sexton also pointed out two judgment days, corresponding to the two days of salvation, arguing that if there are two distinct periods of salvation, there must of necessity be two separate days of judgment. He showed from the scriptures that if "the saints shall judge the world" (1 Cor. 6:2), then it is evident that the judgment day of the saints must precede the day of judgment of the world. Continuing he showed that while the judgment of the saints, those who are really Christians, is now in progress and has been for over 1,800 years, the judgment of the world must wait till the church's judgment is completed. The world's judgment day, as the Apostle Peter shows, is to be 1,000 years long. (See II Peter 3:7,8.) This will be ample time in which to resurrect all mankind and give them an op-

KATHERINE FORCE WANTS TO WED CLERK; SISTER SAYS LOVE IS MORE THAN MONEY

Mrs. Madeline Force Astor (left) and Miss Katherine Force.

New York, Sept. 15.—Despite the objections of her ambitious mother, Miss Katherine Force, sister of Mrs. Madeline Force Astor, is busily preparing for her wedding late this month to Henri Harnickel, a poor but honest clerk in the office of a New York broker.

The mother objects to the marriage of her daughter to Mr. Harnickel because the latter has no wealth. But Katherine seems determined to marry the man, simply because she loves him. In this determination she is seconded by her sister, the widow of the late Colonel Astor. "Money can buy pearls and diamonds, grand houses and yachts, but it cannot buy love," recently declared

opportunity to learn of Christ and attain unto eternal life, or reject Him and pass into eternal death—"the second death."

It was then pointed out that the subject of the resurrection is sometimes misunderstood; that there are in fact two resurrections. "Blessed and holy is he that hath part in the first resurrection."—Rev. 20:6. "There shall be a resurrection, both of the just and of the unjust."

VISITING NURSE IN NEED OF FUNDS

Board of Association Confronted With Low Treasury, Payment of Pledges Will Help.

The board of the Visiting Nurse association at its September meeting at the home of Mrs. C. E. Sharpe, Saturday morning was confronted with the fact that the funds of the association are very low and unless the treasury is replenished the work of the society will be handicapped. There are a number of outstanding pledges and if these are paid up it will facilitate the carrying on of the work greatly. Few people not intimately connected with the work of the visiting nurse realize the great amount of suffering that is relieved and the good work that is being accomplished. Here, as in every other city, the one-half of the world does not know how the other half lives and conditions that come under the supervision of the nurse are pitiable beyond expression and need all the assistance that can be given.

Miss Margaret Giles, the visiting nurse, presented her report for the month passed as follows: Calls made, 383 on 53 patients, under Drs. Mueller, Ostrom, Williams, Bernhard, Stocker, Freytag, Davis, De Silva, Asay, Beck of Moline and Smith of Davenport. There were 19 former patients and 34 new; 21 recovered, four were dismissed, one was transferred to the care of the family, one sent to St. Anthony's hospital and there are 25 remaining. Articles loaned are 10 abdominal binders and one rubber air cushion and 20 dozen sterilized maternity pads were furnished. Donations were received from Dr. Dart, the Associated Charities, the Woman's Mission society of Broadway Presbyterian church, Reid and Bolman laundry and the Empire, Sylvan, Rock Island, Rockwell, Mississippi and Siegrist ice companies.

BACKACHE IS A DANGER SIGNAL

KIDNEY TROUBLES, BLADDER DISORDERS, RHEUMATISM AND SERIOUS DISEASES FOLLOW.

There are other symptoms, such as pains in the region of the kidneys, nervousness, dizziness, tired and worn-out feeling, weak bladder, or urinary troubles, which are just as dangerous, for the slightest kidney disarrangement if neglected may develop into the deadly Bright's disease, dropsy or diabetes.

It is not only dangerous, but needless, for you to suffer and endure the tortures of these troubles, for Croxone promptly ends all such misery.

There is no more effective remedy for kidney, bladder trouble and rheumatism than Croxone, because it reaches the cause. It soaks right into the kidneys, through the walls and linings, cleans out the clogged-up pores, neutralizes and dissolves the poisonous uric acid and waste matter that lodge in the joints and muscles and cause those terrible rheumatic pains, and makes the kidneys filter the poison from the blood and drives it out of the system.

Three doses of Croxone a day for a few days is often all that is ever needed to relieve the worst backache or overcome disagreeable urinary disorders.

You will find Croxone different from other remedies. It is so prepared that it is practically impossible to take it without results. An original package of Croxone costs but a trifle, and all druggists are authorized to return the purchase price if it should fail in a single case.—(Adv.)

TRI-CITY LUTHER LEAGUE SESSION

The September quarterly meeting of the Tri-City District Luther league is to be held tomorrow evening, Sept. 16, at the First Swedish Lutheran church of Moline. The work of league has been manifested in its activities. Therefore the coming quarterly is eagerly looked forward to and a rousing meeting is expected. A very interesting program has been arranged, but the main attraction of the evening is to be the speaker, J. Alex Nelson. Mr. Nelson is at present the president of the Luther league of Illinois as well as a member of the executive committee of the Luther league of America. He is one of the most active workers in the state and national leagues, and the Tri-City district considers itself fortunate in having him here at this time. Mr. Nelson's subject is to be "The League That Thrives," and those who have heard him can vouch for the fact that it will be ably handled.

The program will be followed by a social hour, during which the local society will serve light refreshments. An interesting and profitable time is assured to all who attend, and everybody is welcome.
