[Reported Especially for the Bulletin.]

TAMMANY.

NEW YORK, Nov. 20.—The Tammany general committee which met last night, favored the selection for members of the general committee for 1873 at the coming primary of such Democrats, Liberals and Republicans as have a good reform record, leaving out of view all past party affiliations. The committee appointed to report at the next meeting, to-morrow, a plan for purging the general committee of treacherous delegates, who in several of the assembly districts, either by combinations with the Apollo hall or Grant Republican nominees betrayed the nominees of Tammany.

NEW YORK, Nov. 20.—At a meeting of the committee of seventy to-night, James M. Brown, was chosen chairman in place of Wm. T. Havemeyer, mayor elect. The committee voted to continue the organization until their efforts to secure good government for the city are accomplished.

TAMMANY VS. APOLLO.

NEW YORK, Nov. 20.—Tammany hall resolved last night not to take action countenancing fusion with Apollo hall. The latter Democratic organization will consider the subject this week.

GRANT ENGAGED ON HIS MESSAGE.

WASHINGTON, Nov. 20.—The president is engaged in preparing his message. He will receive but few visitors before the meeting of congress.

BELKNAP.

Secretary Belknap will return here on Monday, when the president, Gen. Sherman and the secretary will have a conference in relation to the successor of Gen. Meade.

REPUBLICAN CENTRAL COMMITTEE.

The Republican central committee met last night for the first time since the election. After making arrangements for the representation of districts in the organization, a committee was appointed to obtain such legislation at Albany as the Republicans might deem desirable for the city. The Republicans will offer a bill at the opening of the legislature that will secure them the possession of the departments in this city.

FAIRMAN APPOINTED.

WASHINGTON, Nov. 20.—The President to-day appointed G. W. Fairman postmaster at Philadelphia, vice H. H. Bingham, resigned.

NEW ORLEANS, Nov. 20.—The Eighth district court decides Heron de facto secretary of state. By this decision the returning board of state will consist of H. C. Warmoth, F. J. Heron, Jas. Longstreet, Jacob Hawkins and Jno. Lynch. The case will probably go to the supreme court.

THAT CAMPAIGN CRY OF POMEROY.

LAWRENCE, Kas., Nov. 20.—The Democrat's Washington special received here on the eighteenth, stating that Senator Pomeroy represented in Washington that the canvass in this state turned wholly upon the election of senators, and that the war cries of the campaign were Pomeroy and anti-Pomeroy, was received with no little surprise among the politicians here. The facts are wholy different. In a few localities such bussue was made, and in most such cases the election resulted in the defeat of the Pomeroy candidates. The following remarkable letter has recently appeared and the original is now in possession of J. C. Horton, Esq., of this city. This letter was written, during Mr. Pomeroy's first term of service as U. S. senator, to W. W. Ross, (at that time agent of the Pottawatomie Indians. The Mr. Gaylord mentioned therein is Senator Pomeroy's brother-in-law), "strictly confidential:"

HERE IS THE LETTER.

WASHINGTON, July 22.

To W. W. Ross:

MY DEAR SIR:—Have you yet recommended any one to sell goods to the Pottawatomies? If not, I have a plan. Mr. J. R. Tappan of New York, will take hold and furnish a splendid lot of goods, provided he gets the license to sell exclusively on the reserve at St. Mary's Mission. You can give the Indians an order for the goods on this store, and these orders are accepted when the annuities are paid. This proceeding is recognized here in the department, and is all right. I send enclosed a form of a letter for you, to send back to me, to give to Mr. Dale; but I don't deliver it until Mr. Tappan and Edward Clark of Lawrence, now figuring here on Indian matters, have an agreement with each other about the goods.

I say I don't deliver your recommendation until I have executed to me a contract to have one-quarter of all the profits paid to W. E. Gaylord as my share, and one-quarter of all the profits paid to Mr. —— (name him to me), for your share. You and I through our two friends are to have one-half of the profits and Tappan & Clark the other half, and Tappan to do all the business, and we have nothing to do only to take our share of the profits at each payment. Now, if you will fix it up at that end of the line, I will see that the writings are all executed right at this end, and we will be all right. Name the man to represent you with Mr. Gaylord, who represents me. You will see from this letter what kind of a recommendation to give Mr. Tappan, but don't fail to send it to me, as they must come to terms before they get the license. Tappan is a grand fellow. It is all right. Let me hear from you at once. Yours truly,

S. C. POMEROY.

P. S. I find upon reflection that you must send these papers through Col. Branch at St. Joe, so I will make the contract for myself and you at once, and you return the application and recommendation to Dale through Col. Branch. Yours truly,

S. C. P.

The foregoing dispatches concerning Pomeroy's letter are signed by Hutchings.

MEXICO.

WASHINGTON, Nov. 20.—Our minister to Mexico, Nelson, had an interview with President Grant this evening, relative to the condition of affairs in that country. He speaks in terms of praise of the new president of that republic, and particularly of his intelligence and desire to preserve and strengthen the friendship now existing between that country and the United States. There seems to be no obstacle in the way of concluding the new convention extending the time for disposing of remaining claims before the United States and Mexican mixed commission, which by limitation will expire under the present convention in February next. It is stated that the Mexican president is anxious for such extension, and will appoint an agent in good faith to carry out the design of the commission in place of Guazman, by whose action the proceedings were some weeks interrupted. Preliminary steps have already been taken for the new convention.

ALABAMA LEGISLATURE.

MONTGOMERY, Nov. 20.—Gov. Lindsay to-day informed the legislative body, now sitting at the capitol, that he would send in a message to-morrow. In reply to the committee of the branch sitting in the U. S. court room, he detailed in writing the legal organization of the legislature at the capitol, the lawful and usual place of meeting, which supreme insurmountable necessity can only change, and that he was ignorant of the existence of such necessity, and therefore declined to recognize the body assembled in the court room, could have no official communication.

COMMITTEE ON APPROPRIATIONS.

WASHINGTON, Nov. 20.—The committee on appropriations at their meeting today, took up the Indian appropriation bill and nearly completed their action on it.

THINNING THEM OUT.

WASHINGTON, Nov. 20.—The commissioner of internal revenue to-day issued a circular to assessors, directing them to reduce assistant assessors to the lowest number possible by the first of January next. By this order the services of at least three hundred assistants will be dispensed with, and a saving of nearly $200 per day made.

PIG IRON KELLY.

Hon. W. D. Kelly, of Penn., had a long interview with the president to-day, during which the Philadelphia postmastership was talked over freely, and at a late period Mr. Fairman was appointed to that office.

TENNESSEE LEGISLATURE.

WASHINGTON, Nov. 20.—Advices from Tennessee represent that the control of the legislature of that state will be in the hands of the straight Johnson men, who hold the balance of power between very nearly equal parties. Forty-seven of the seventy-five representatives are Republicans. The most important business of the session will be the re-districting of the state for members of congress.

INDIAN COMMISSIONER'S REPORT.

General Walker commissioner of Indian affairs, is now engaged in correcting the proof of his report. It will be much more volumous, as well as a readable and interesting document, than those which his predecessors in office have sent in. General Walker has taken the reports of his subordinates, the several Indian superintendants, and presented a complete summary and survey of their operations besides adding his personal observations and views.

EDUCATIONAL REPORT.

The commissioner of education will also present the usual survey of educational progress among the Indians, which has formed a feature of General Eaton's report since he has been in charge of the bureau of education.

DIRECTED TO INVESTIGATE.

JEFFERSON CITY, Nov. 20.—Gov. Brown has dispatched Adjt. Gen. Sigel to Lafayette county with directions to investigate troubles said to exist there.

THEIRS RESIGNS.

NEW YORK, Nov. 20.—A Paris dispatch says that President Thiers has resigned, and Marshal McMahon, has been appointed president, pending the action of the national assembly. There is great excitement in consequence. London dispatches up to 5 o'clock this afternoon, make no mention of the reported change in the French government, and consequently there is reason to doubt the truth of the resignation of Thiers.

COMMUTED.

CHICAGO, Nov. 20.—Gov. Palmer has commuted the sentence of Gregori Perri, who was to have been hanged December 6, to imprisonment for life. Perri stabbed and killed Jno. A. Ready and Daniel O'Brien October, 1871, in a quarrel over a broken glass in his saloon.

MISCELLANEOUS.

PROBABILITY OF A VIGILANCE COMMITTEE BEING FORMED IN NEW YORK.

THE SCENE IN PINE STREET YESTERDAY.

MR. GREELEY SERIOUSLY UNWELL.

LECTURE BY FATHER BURKE LAST NIGHT.

ETC., ETC., ETC.

[Reported Especially for the Bulletin.]

MR. GREELEY UNWELL.

NEW YORK, Nov. 20.—The 'Tribune' says of Greeley: "He has been unwell since his wife's death, from nervous prostration, resulting mainly from severe strain upon his nervous system through want of rest and sleep during the last month of her illness. Nothing but the remarkable strength of his constitution has enabled him to give his attention to his recent duties, but it may safely be trusted to restore him speedily to his usual vigorous health.

FATHER BURKE.

Every part of the Academy of Music was crowded last night to hear Father Burke on Oliver Cromwell, in reply to Froude. He spoke two hours and a half.

INADEQUATE SUPPLY OF WATTER.

Van Nort, commissioner of public works, says it will take $3,500,000 to give this city an adequate supply of water, and he recommends the immediate appropriation of that amount.

TROUBLE.

War is making on the system of opening the streets, that has prevailed, whereby political favorites were made rich at the expense of property owners and the city.

APPEAL FOR AID.

NEW YORK, Nov. 20.—The Danish consul in this city makes a special appeal for immediate aid for his countrymen, who lost their property by the recent severe storms in Europe, and are now in positive want.

ROUMANIA.

A Roumanian emigration society was formed in this city last evening, to welcome and care for emigrants en route here.

SLAVEHOLDERS.

A Havana letter states that the slaveholders of Cuba are taking every means possible to retain slavery, and have expended six hundred thousand dollars to secure from Minister Sorilla this expression: "While a single insurgent remains in arms there shall be no reforms in Cuba."

WOODHULL AND CLAFLIN TO PLEAD GUILTY.

NEW YORK, Nov. 20.—Woodhull and Claflin have offered $5,000 and complete retraction if Challis will withdraw his suit. The decision of Justice Fowler, committing Blood for trial has distressed and alarmed these women and it is understood they will plead guilty and appeal to the mercy of the court.

THE SCENE IN PINE STREET YESTERDAY.

Witnesses of the scene in Pine street yesterday at the time of the arrest of King, murderer of O'Neil, say the crowd consisted of well-dressed and intelligent men who were greatly inclined to lynch law, and the ruse by which King was taken through an unoccupied building, was all that saved him from summary justice. The presence of so many unpunished murderers is a subject of much comment, and the talk of lynch law is revived. The Journal of Commerce to-day has an editorial headed "The Omen in Pine Street," in which the spirit displayed by the crowd of brokers, merchants and other business men is considered indicative of a vigilance committee, or some similar organization at no distant day.

CONTRIBUTIONS TO BOSTON.

BOSTON, Nov. 20.—Contributions to the citizen's relief fund amount to $72,000, including $100 in gold from Lord Dufferin, the governor-general of Canada. The contributions for Harvard college aggregate $37,000.

NO DISEASE IN THE POULTRY.

NEW YORK, Nov. 20.—Sergeant Tompson and three aids of the health department report, after inspecting all of the markets in the city and numerous wholesale poultry establishments, that they found no diseases; and furthermore, that fowls were never in better condition than they are now.

BREACH OF PROMISE.

NEW YORK, Nov. 20.—Ex-Mayor Kalbfleisch of Brooklyn, has filed his answer to the complaint of Miss Wade in which she seeks $100,000 damages for breach of promise of marriage. The reply attacks plaintiff's character and promises proof of allegations upon trial.

THE WOMAN WOMEN.

ST. LOUIS, Nov. 20.—The third annual session of the American Woman's Suffrage association convened in the Temple here to-night. Isaac H. Sturgeon of St. Louis, presided, owing to the non-arrival of Lucy Stone, president of the association, Julia Ward Howe, Mr. Blackwell and other prominent members of the association. No business was transacted, but the evening was devoted to speech-making by Mrs. Longley of Cincinnati, Mr. Cutters of Illinois and Dr. Stone of Kalamozoo, Michigan. About 200 persons were present.

SAN FRANCISCO, Nov. 20.—The present returns of this state show Grant's majority to be 11,350. The probable effort to secure an extra session of the legislature will fail.

FOREIGN.

POLICE TROUBLES CONTINUE IN LONDON.

THIERS RESIGNS AND McMAHON IS APPOINTED PRESIDENT.

ETC., ETC., ETC.

[Reported Especially for the Bulletin.]

FIRE BROKEN OUT AGAIN.

BOSTON, Nov. 20.—Shortly before 7 o'clock this evening flames burst forth from the upper windows and roof of Rand and Avery's extensive printing house, No. 3 Cornhill street near the foot of Washington street. The flames shot up furiously to a great heighth, and a strong northerly wind carried showers of burning cinders over buildings on the easterly side of Washington street and Across street. In responce to a general fire alarm, sounded, the firemen were promptly on the spot, and steamers opened play from State, Washington, Cornhill streets and other points near the fire and in thirty minutes the flames which threatened another great conflagration, were subdued and confined to the limit where it broke out. The general fire alarm and grand illumination caused by the shooting flames, caused great commotion, and great crowds of people gathered from all parts of the city to the scence of the conflagration. The military guard, which has been kept up ever since the great fire, were of important service, forming a cordon across State street, keeping back the crowds and giving firemen ample room for the most efficient service. Rand & Avery were almost entirely burned out. They had one of the best appointed book and printing establishments in New England, employing some 200 hands. The loss is not yet ascertained.

FIRE IN JERSEY CITY.

NEW YORK, Nov. 20.—A large fire is raging in Jersey City. It is reported that the Erie railroad depot is now burning.

LATER.

The Erie railroad buildings are untouched. A tobacco warehouse, a lumber yard and some dwellings burned.

CASUALTIES.

BOSTON FIRE NOT YET EXTINGUISHED.

LARGE PRINTING HOUSE BURNED.

FIRE RAGING IN JERSEY CITY.

[Reported Especially for the Cairo Bulletin.]

POLICE TROUBLES.

LONDON, Nov. 20—The police difficulties continue unsettled. Postmen have joined the movement for an increase of salary, and both bodies hold a meeting in Hyde park Sunday next.

UNFAVORABLE.

PARIS, Nov. 20.—The committee of the national assembly appointed to draw up a reply to the opening message of President Thiers have, by a vote of nine to six, elected Duc de Pasquier D'Audeiffet president. This choice is regarded as an unfavorable one to the government.

FORBIDDEN TO ASSEMBLE.

ROME, Nov. 20.—Prefect of police in this city, issued an order forbidding the assembling of a meeting advertised to be held here on the 24th inst., futherance of the principle of universal suffrage, because he has reason to believe that the meeting is really called in the interest of opposition to the present form of government in Rome.

It is reported that the second ecclesiastic province of the Roman Catholic church, is to be established in England, with Liverpool as the metropolitan see.

HORSE PLAGUE.

MILWAUKEE, Nov. 20.—The epizootic is still spreading here and throughout the state generally. About every horse in this city is affected. The mayor has published a card stating that the fire department horses are attacked with the malady and urging citizens to form volunteer fire companies and render assistance in case of emergency. The streets are filled with ox teams now used in all branches of business. No omnibus or street car lines have yet resumed business. There are very few hacks on the streets.

In the Gulf and South Atlantic states high barometer, generally clear weather and winds veering to northeasterly.
