HE HAD A GUN BUT-- DOCTORS REFUSED AID

Says He Was Not Given Fair Chance By Police—"Railroaded" Through Court.

The police are getting active. John Stephens a negro was arrested for conducting an assignation house. Police Magistrate Whitcamp fined him \$50 and cost which he paid. The house is on Walnut street near Seventeenth street. Three people caught there who gave the names of White, Brown and Swan were also arrested and fined \$10 and costs each. Two trespassers on the M. & O. railroad were arrested and fined \$2 and costs each.

Another arrest was by Officer French the victim being J. M. Curtis, manager of the Cairo Loan Co., who was fined \$25 and costs for carrying concealed weapons.

Mr. Curtis complains that he was badly treated. He says he was walking along the street quietly when approached by Officer French and invited to "take a walk." When he protested the officer said the chief wished to see him. At headquarters the chief, ex-Officer Casey and others surrounded him. The former said he had heard some stories about him, but would not tell what they were. He was asked if he was not one of Ed. Maley's body guards and he denied it. He was asked if Maley was not interested in the Cairo Loan Co., which he also denied. He was searched and a pistol was found upon him; was locked in a cell for a few minutes and then taken up stairs for trial. He protested that he was not ready for trial, wishing to consult with friends; but his protests were not heeded; he was forced to stand trial without consulting with any one and fined \$25 and costs, which he paid.

Man Cut By Another at Grand Chain Left Suffering All Night—Horribly Wounded.

Grand Chain, Ill., March 5.—In a quarrel said to have been precipitated by two men's infatuation for the same woman, Thomas Boone was cut in the abdomen by Will Jinkings at 8:45 o'clock last night, Jinkings using a razor. The wound was of such a nature that it left Boone's entrails exposed.

The only two physicians in the town have failed to do anything for the injured man, one declaring that he is sick and positively refusing to take the case under any consideration and the other refusing to give attention without the aid of another doctor. At 2:30 this morning Boone remains without medical or surgical relief. He has been removed to a nearby house. A doctor has been summoned from Stonefort, Ill.

A Lenoir Lady, After Two Weeks Grinding Labor, Feels Better Than Ever.

Lenoir, N. C.—"I am not tired at all, and am stouter than I have ever been," writes Mrs. Kate Waters, of Lenoir, N. C., "although I have just finished a two weeks' wash. I lay my strength to Cardui, the woman's tonic. I have taken a lot of it and I can never praise it enough for what it has done for me. I can never thank you enough for the advice you gave me, to take Cardui, for since taking it I look so well and am stout as a mule."

You are urged to take Cardui, that gentle, vegetable tonic, for weak women. Its use will strengthen and build up your system, relieve or prevent headache, backache and the ailments of weak women. It will surely help you, as it has helped thousands of others, in the past 50 years.
