## THINK OF IT

Two daily papers and seven magazines in our club; and the wonderful part of it is that it only costs you a few cents more per month than you are now paying for the one you may be taking. Remember each issue of the daily papers we offer, are their regular daily editions, and every day you will get a twelve to a twenty-eight page paper, full of bright, crisp news of the entire United States and the world. The Cairo Bulletin will give you all the news of Cairo and of all the surrounding towns many hours before you will find it in any other publication. The dailies we offer contain many special departments which will appeal to both old and young. The market and business reports in the daily papers are alone worth many times the special price we ask for the entire club. All of the magazines in each club are so well known that the description of them is unnecessary.

REMEMBER each paper in every club is the best of its kind published. We have been very careful in making up our clubs so that each paper would be a representative one and that every paper would give complete satisfaction. To any business man, farmer, manufacturer or family, the market reports are alone worth the price of the entire club. Each daily paper gives you complete news, not only of the entire United States, but of the world as well. All of the daily papers have many special departments that will appeal to and please each and every person reading them. All the daily and monthly papers and magazines are so well known that when you read the name, that alone tells you what they are.

REMEMBER each and every paper and magazine we offer is as good as you can buy of its kind. All the papers and magazines contain stories and reading matter for every member of the family, from the youngest child to the oldest grand-parent. All news of the country and world is fully presented to you. All departments of the home, business, farm, etc., are fully covered by the best writers. You will see thousands of new pictures and illustrations in these publications during the year, that you will be unable to see elsewhere.

THE CAIRO BULLETIN is proud to be able to offer its patrons a club of this kind, composed of such representative papers and magazines, and we can say to each and every one that our offer is worth many times the price of the club and that no one will make a mistake in taking advantage of it.
