TO DISCUSS MERIT SYSTEM.

Chicago, Ill., May 7.—The second biennial convention of the national assembly of civil service commissioners opened in Chicago today for a two days' session. The organizations represented at the meeting include the United States civil service commission, the state commissions of New York, Massachusetts, Illinois, Wisconsin and Colorado, and the municipal commissions of New York, Buffalo, New Haven, Milwaukee, Troy and a number of other cities.

with high standing flowers, bows or plumes at the left side. Some plumes have been seen on the right side. There are some very attractive sailors of medium size that are trimmed in front with a mass of flowers and velvet or ribbon. Turbans are extremely fashionable and there are several different styles this season.

The heavier turban is usually draped with straw or other material and another shows a high crown sharply defined, with a close curling brim.
