ANXIETY ENDED CLOSE ANNOUNCED SPECIAL BALLOT

The Extra Vote Offer Will Come to Close Tonight Between Five and Seven-thirty

Topight Sees End of Special Ballots as They Positively Will Not be Repeated and Those Who Figure on Winning Had Best Take Advantage of This Offer

CONTEST LEADER. MISS MINNIE FRANK. District Leaders. Dist. No. 1—Miss Myrtle Goldsmith. Dist. No. 2—Miss Olga Ellis. Dist. No. 3—Miss Gerald Howlette. Dist. No. 4—Miss Alpha Bankstone. Dist. No. 5—Miss Carmen Andrews.

Candidate, here is the answer in a nut shell—the special offer on Five New Six Month's subscriptions will close this evening between the hours of five and seven-thirty. This is the announcement you have been waiting for, now make the most of it.

You have until some time between five and seven-thirty this evening to get in your five new six month's subscriptions and secure your special ballot of 10,000 extra votes.

Do not overlook the fact that the offer will close SOMETIME BETWEEN FIVE AND SEVEN-THIRTY. It may close at five-thirty, it may close at six a quarter or a quarter after, and, again, it may not close until seven or a few moments after.

The offer will close at a certain time between five and seven-thirty, and if you bring your five new six months subscriptions in one minute after that time you will be disqualified from securing the special ballot.

A Word to the Wise. In this case a word to the wise is sufficient, get your set or sets in as soon as possible and then there will be no likelihood of your being too late to get the special ballot of 10,000 votes.

Do not wait until five o'clock and then start to this office for, in case the offer should close at five minutes after five, you would then be too late and your special would take wings and fly.

Standing of Candidates. The standing of candidates remain about the same this morning with Miss Minnie Frank still in the lead. The contestants apparently prefer to cast their votes slowly and show others in the race to go to the front, thereby, in a measure exposing their strength, for they realize that every time a competitor makes a big jump in the paper they are drawing on their reserve fund and are in a way showing their real strength to their

competitors. Miss Olga Ellis Moves Up. Miss Olga Ellis moves up a notch this morning and now holds the lead in her district by a small majority. Others in the race move up a little but practically all remain stationary.

"We shall have easily \$50,000,000,000 of money in electrical service in 1925." -THOMAS A. EDISON. HAVE you ever thought of the enormous business of supplying electricity that has sprung up in the last 20 years? Of the wonderful uses of electricity—lighting homes and cities, driving machinery, running cars? Of the prodigious amount of capital invested in central stations which produce and distribute electric current? The biggest of these in the world—Commonwealth Edison Company, Chicago—is capitalized at nearly \$60,000,000, is paying 6% dividends on capital stock and yet is doing only a fraction of the business which it will do in the near future. This Company is retailing electricity in a territory that covers 200 square miles, but that territory is only "tapped," so to speak. The number of possible customers can be enormously increased—and, besides, the amount of electricity per household is steadily growing on account of its varied uses for heating, cooking, etc. Yet, gigantic as is the retail business of the Commonwealth Edison Company, it forms only one-third of its total business, two-thirds of which is wholesale. It supplies electricity to 1250 miles of street and elevated railway track and its service to smaller central stations extends 85 miles to the north, 55 miles to the south and 35 miles to the west of Chicago. Wouldn't you like to have an interest in a business so prosperous in the present and with such a splendid outlook for the future? Well, you can. You can become a stockholder in the greatest electric central station organization in the world, and receive 6% dividend per year—possibly more—on your stock.
