The adjourned meeting of the Presbytery will be held this evening at 8 o'clock at the Second Presbyterian church, corner of Jackson and Gordon street.

People are beginning to believe that there is truth in the saying that if Easter Sunday is stormy, the six succeeding Sundays will be stormy also.

Classes in home hygiene, opened last week, will be held at the Community house Tuesday and Friday afternoons at 2:30 and on Wednesday and on Saturday evenings at 7:30.

Several crates of fish were brought to North Topeka this morning by Mr. Ensminger, of Silver Lake, who caught them in traps in the backwater from the river. Every spring Ensminger brings in weekly loads of fish caught in this manner, the season sometimes lasting several months.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 10c and 25c.
