SOCIETY
BY GRACIA POPE WOOD.

Mrs. John Nicholson entertained at bridge this afternoon for her mother, Mrs. S. J. Bear, of St. Louis. There were three tables with some of Mrs. Bear's most intimate friends as guests. Mrs. W. T. Crosby is asking a few of Mrs. Bear's oldest and best friends to an informal party which she will give next Monday afternoon.

"We'd get along all right and our coal would last thru the summer," think," said a Topeka girl yesterday. "It wasn't for Sunday. Father is home on that day and not having enough entertainment he puts in his time burning up our diminishing supply of coal and wood."

The youngest and the gayest set of town are much delighted with a visiting girl who has been attending their parties and playing around them for almost two weeks. This is Miss Mary Ann McCabe, of Memphis, who is everything a southern girl is supposed to be, pretty, charming and "different." Miss McCabe will be here the rest of the week and be present at several affairs given by members of the high school set. She is with her mother, Mrs. Charles McCabe, who is a guest at the Frank Edson home.

Mr. and Mrs. E. E. Gann expect to leave Sunday for their home in Washington, D. C. On that same day Mrs. Charles Curtis will arrive in Topeka, where she will spend the summer. Col. and Mrs. P. G. Georger, who had anticipated spending some of the summer here now plan to stay in Washington and keep the Curtis home there open for Senator Curtis.

Mrs. P. J. Clevenger's club house team, which met yesterday, decided that they would add a mile or two to the club's home fund by holding a rummage sale. One previously held by Mrs. R. F. Jack's team was such a success that it seemed wise for another team to undertake one. Miss Jack's team got their act together pretty well cleared out but those on Mrs. Clevenger's team will gather up what is left after the rummage sale. Appeals from the Provident association, ambitious clothes thieves and so on. The sale will begin next Monday and will last all the week. The place will be announced later.

Guests at the meeting of Mrs. Clevenger's team yesterday were Mrs. H. E. Ray, Mrs. Guilford Dudley, Mrs. C. A. Wolf.

mother, Mrs. Charles Ekstrom, and her sister, Mrs. J. B. Hickox. Mrs. J. A. Campbell and infant daughter Mary are home from the purchase of a used instrument, with additional small monthly payments. The committee was instructed to proceed with the purchase of the piano, and all repairs on the west side of the Melan bridge are about completed, and work on the east side will be commenced next week.

Notes and Personal.
Mrs. Gertrude Mera is visiting her brother, George, and family, Tyler street.

Mr. Harold Rude and Mrs. Ralph Campbell had charge of the Sunday school booth this afternoon.

Mr. J. M. Stokas, of Quincy, O., who has been visiting Mrs. W. M. Van Ness and family, has returned to her home.

At the Princess tonight, two thrilling episodes of "The Larkspur" and one episode of "The Great Gable" also a good comedy—several reels in all—Ad.

NOTE ON BONDS AT PRIMARY.
City Commissioners See No Need for a Special Election.

It is not probable that a special election to vote bonds for the improvement of the city water system will be held, city commissioners said today.

The present sentiment at the city hall seems to favor voting on the bonds at the primaries next August. While it is desired to get the bonds out of the way and start work on such places as may be adopted at once, the commissioners point out that a special election would not save much time, and would cost the city much money and trouble.

The law provides that when a special election is called it must be advertised for six consecutive days, the last advertisement to appear at least thirty days before the polling takes place. This would take five weeks. As it will probably be two weeks or more before any recommendations of the consulting engineers can be decided upon, it would be almost time for the primaries before the citizens could vote on the bonds.

The next step will be the conferring of the city commissioners with the various civic clubs regarding the recommendations of the engineers.

NEW REMEDIES COMPANY HERE.
Kinyon Livestock Medicine Firm Chartered With \$25,000 Capital.

The Kinyon Remedy company of Topeka, with a capital of \$25,000, has been granted a charter by the state charter board. The company will engage in the manufacture of livestock remedies. Offices will be established at 515 Kansas avenue.

Other charter applications approved include: Royer Tractor & Manufacturing Co., Wichita, \$1,000,000. People's Co-operative association, Wichita, \$5,000. James Stewart & Co. Inc., New York, \$10,000 in Kansas, with state headquarters in Leavenworth. Delaware Empire, dealing in Drilling Co. (foreign), \$500 in Kansas. Office in Topeka.

TO CAMPAIGN FOR IRISH.
Methodist Pastor to Tour Kansas Urging Recognition of Sinn Fein.

Emporia, Kan., April 28.—At a meeting here Monday evening arrangements were made for a great mass meeting to be held May 6 at the Chamber of Commerce at which the Rev. Maurice Murphy, Methodist Episcopal minister of Toledo, O., will plead for the recognition of the Irish republic by the government of the United States.

The Rev. Mr. Murphy has been touring the state of Iowa at the request of the state organization and comes to Kansas May 3. The following schedule has been arranged for him: Kansas City, Atchison, 4; Topeka, 5; Emporia, 6; Wichita, 7; Independence, 8; Parsons, 9; Pittsburg, 10.

In each of these cities there is an active organization pledged to support the Irish republic. Local organizations have also been formed in about forty cities and towns.

Hun Commander in Ruhr Quits.
Paris, April 28.—General von Watter, commander of German government troops in the Ruhr district during recent communist disorders there, has resigned and his resignation has been accepted, according to advices from Berlin.

TWENTY YEARS AGO

Looking Backward in Society Columns of The State Journal

April 28, 1900.

The following is a list of those who attended the meeting of the North Topeka Civic club and explained the delay in laying sewers in Holman's addition. One property owner in the district across whose lot the sewer would run, refused to give permission to have the sewer across his lot, thus holding up the work. No damage would result that would not be remedied in three months' time. Mr. Stanfield said, as no time would be disturbed by complaining to the board of health right of way could be secured, but this would require a long delay. It was decided that President Simms and Commissioner Stanfield should see the owner and try to come to an agreement.

Mr. Stanfield also requested that a special committee be appointed from North Topeka Civic club to act with the other civic clubs in urging the voting of bonds for improvements to insure adequate water supply to the city. President Simms appointed H. Parkehurst, Wm. M. Van Ness and T. D. Best, to serve on the committee.

W. R. Parkehurst, chairman of the committee on drainage and roads, reported the following men appointed by him to serve on the committee: H. Parkehurst, Boast, Hall Williams and Morris Jenkins. Mrs. Herbert French, chairman of the welfare committee, reported that in regard to the sale of the piano, favorable terms could be made with the Gulf Music company, 125 E. 10th, by which the old piano could be turned in toward the purchase of a new instrument, with additional small monthly payments. The committee was instructed to proceed with the purchase of the piano, and all repairs on the west side of the Melan bridge are about completed, and work on the east side will be commenced next week.
