

MOTHER OF FIRST AMERICAN SOLDIER KILLED IN FRANCE

Mrs. Alice Gresham Dodd, First War Mother Of The Nation Gives Entire Credit For Recovery Of Her Health To The Well Known Medicine, Tanlac.

MRS. ALICE GRESHAM DODD, of Gavin Park, Evansville, Ind.

The following remarkable endorsement of Tanlac was given recently by Mrs. Alice Gresham Dodd, at the Gresham Memorial Home, Gavin Park, Evansville, Ind., which home was presented to her by the patriotic people of Indiana, as evidence of their appreciation of the services rendered to his country by her son, Corporal James B. Gresham, the first American soldier killed in France. Expressions of sympathy were received by Mrs. Dodd from all parts of the United States, and the newspapers of the country carried the story of the first "war mother."

The shock of her son's death resulted in the serious breakdown of Mrs. Dodd's health, but everyone will learn with interest and pleasure that she is now in splendid health again. When seen at her home recently she made the following statement, giving the entire credit for her recovery to the well-known medicine, Tanlac.

"After my dear boy's death, I had a general breakdown in health," said Mrs. Dodd. "At first it was just indigestion. My food used to upset me and I had to diet myself very carefully, which wasn't much hardship as I lost all desire to eat. Then I had an attack of rheumatism, with severe pains in my shoulders, back and arms. Sometimes I used to suffer a great deal, and my joints would get all swollen up and stiff. I was able to do very little about the house, and at times couldn't even cook a meal. I got very nervous and restless, and at night would lay awake for hours, and lost many a night's sleep as a consequence.

"A friend of mine had received a great deal of help from Tanlac, and it was she who advised me to try it. I am so glad I did for it proved the

best medicine I have ever taken. It soon gave me a good appetite and seemed to settle my stomach so that I was no longer troubled with indigestion. I don't know what it is to have rheumatic pains now, the swelling and stiffness has all gone out of my joints and I am able to do the work of the house with the greatest ease. My nerves are now steady and strong. I sleep fine at night, and I feel better in health than ever before in my life. I shall always be grateful for what Tanlac has done for me, and shall recommend it every chance I get."

Tanlac is sold in Topeka by Tully-McFarland Drug Co., 323 Kansas avenue, and 729 Kansas avenue.—Adv.

PACT IS PROBLEM

Republican Leaders Fear "Bitter Enders' Stand.

May Have to Make Concessions to Johnson.

WOULD PREVENT ANY BOLT Californian Wants Absolute Opposition Plank Adopted.

If He Is Candidate He Must Consent to Reservations.

BY HAROLD D. JACOBS.
New York, May 14.—Chairmanship of the resolutions committee at the Republican national convention grows in importance as it becomes increasingly apparent that the League of Nations will be one of the big issues of the presidential election.

Senator Hiram Johnson, foremost figure in the progressive wing, naturally wants the party to go on record as completely opposed to the league pact. All of his prominent rivals have declared in favor of the league with reservations.

Concede to "Bitter Enders." Many Republican leaders, it is understood, are determined that the international section of the party platform shall contain a plank endorsing the pact with the Lodge reservations. To insure the least possible opposition to this from the "bitter enders" led by Johnson, these leaders are said to be ready to concede from their present attitude regarding the permanent chairmanship of the convention and permit Johnson and his followers to pick the man for his position. In return, it is alleged, they will ask Johnson to offer no opposition to their choice for chairman of the resolutions committee, which will draft the platform.

Would Bind Johnson. Such an arrangement, according to political observers, would while possibly improving Johnson's chances of obtaining the nomination, bind him to a complete stand on the League of Nations at variance with his past and present attitude. In such circumstances, it is pointed out, if Johnson became the Republican candidate he would be compelled to make his campaign along with these party leaders regard as more popular lines. Of the Democratic aspirants, Attorney General Palmer is unreservedly committed to the administration's foreign policies. The position of William C. McAdoo cannot be definitely determined, but those close to him believe he would accept the verdict of the Democratic platform committee and make his campaign accordingly.

Worn Out In Mind and Body

Your child is quick to observe disturbances in your mental attitude or physical condition. And when he asks: "What's the matter, Daddy?" there's a tone of solemnity in his little voice. The repression stamped upon you reflects intensely upon him because of his profound solicitude. He at once drops his playthings and rushes to your side, but his happy smile has disappeared and his buoyant spirits are gone—replaced by a countenance of worry and a bearing of hopelessness.

You owe it to the happiness and welfare of your family to keep trim in body and keen in intellect. You are the sun and the inspiration of their lives. Dark, threatening clouds hover over their heads the instant you show signs of being "worn out in mind and body." Don't imperil their future by neglecting your health.

LYKO

The Great General Tonic

will banish that "tired feeling" and dispel that worn-out look. It will remove your stress and strain, overcome the ravaging effects of overwork and worry, revive your spirits and increase your hold on life. Being a refreshing appetizer, a valuable aid to digestion and a worthy promoter of the general health, because of its positive retarding and reconstructive value, its use is especially desirable in cases of subnormal conditions. If you suffer from nervousness, or deficiency of vital force due to general weakness or wasting illness, you'll find "LYKO" particularly beneficial. It tones up the entire system and keeps you feeling fit. Ask your druggist for a bottle today.

LYKO is sold in original sealed glass bottles. See package where. **LYKO MEDICINE COMPANY** Kansas City, Mo.
