

REPUBLICAN STATE CONVENTION.

A delegate convention of the Republicans of the State of Kansas will be held in the city of Topeka...

WEDNESDAY, JULY 19th, 1894. At 4 o'clock p. m. for the purpose of placing in nomination candidates for President and electing a Republican State Central Committee...

It is recommended that delegates be selected in County Conventions on SATURDAY, JULY 21st, and that the primaries for the same be held, Saturday, July 21st, in such manner as the general Republican County Central Committee may provide...

THE GUDGEON-POT. We wonder how the brown-haired statesman of the great Arkansas valley will take this instruction for Horton. He declared recently that "old Al Horton must go," but perhaps he meant that he should go back to the chief-justiceship again...

FIRST-CLASS COUNTIES. Sedgwick will be raised to a first-class county this spring, but the following from the Wellington Press shows that Sedgwick will not be the only county with an auditor, assistant clerk, etc.:

A DAMNABLE CRIME. Mr. Dodd, the president of the Newark savings bank, loaned \$2,881,582 of the earnings of the depositors to Fisk & Hatch, professional stock gamblers, who bet it on stock margins and lost most of it...

MEN OF MARK. Attorney-General Brewster is said to have one of the rarest china collections in this country. It is said General Grant now regrets that he did not give his boys toy pistols when they were young...

Democracy can't pull the wool over the eyes of the wool-growers, nor will they long be able to feed enough taffy to the sugar producers.

SUNDAY PAPERS

Both the General Conference of the Methodist Church and the General Assembly of the Presbyterian Church had before them last week resolutions, condemning the practice of buying and reading Sunday newspapers...

The New York Sun, in speaking of this matter, says that the clergy especially are very careful readers of the Sunday newspapers, and we doubt if there was one among the New York delegates to these conventions who was not himself guilty of the practice he assisted in condemning...

The Cincinnati Commercial-Gazette calls upon the Rev. Henry Ward Beecher to explain how a radical free trader, can, from a business point of view, endorse a candidate who favors protection to American industry...

The wife of Dr. Dio Lewis is something of a heroine in New York just now. A tramp walked into the dining-room where she was alone the other day, and demanded that she serve him with a first-class meal...

The temperance meetings at Dodge City on Sunday were addressed by R. B. Welch, of Topeka, formerly president of the State Normal school, and Rev. A. B. Campbell, without disturbance...

The Mutual Union Life Insurance Company threatens to sell the Madison Avenue Congregational Church, New York, to secure a mortgage. This is the church which has attracted so much attention for three months because of the quarrel over its pastor the Rev. Dr. Newman...

A free-trade democrat tried to worm himself into the wool-growers' convention because he was the owner of a hydraulic ram. Physicians have ordered Dio Lewis to give up all brain work. He will do nothing but edit his magazine now...
