The following births reported to the city clerk during the past week:

Topeka Cigars Are Made in Clean Sanitary Factories
Topeka Cigars Are Made By Competent Workmen

MR. SMOKER—DID YOU EVER STOP TO THINK

THAT Cigars made in Topeka contain the best tobacco put in any cigar at the same price.

THAT You can be sure of smoking a cigar made in a sanitary factory.

THAT You will be promoting a home industry that will add considerable to Topeka's payroll.

And aside from this you should realize, Mr. Smoker, that the competition is so keen in local cigar fields that it is absolutely impossible to make a cheap cigar and retain your patronage.

Be a Booster! Smoke Topeka-Made Cigars and at the same time be sure of getting value for your money.

Mt. Hope Cemetery
A Beautiful Sacred Resting Place

By reason of the ideal location, on high ground, one mile and a half west of Washburn College and the Perpetual Care Plan, which reserves 70 per cent of all revenues for the maintenance, upkeep and perpetual care of the cemetery, including every lot and every grave, Mt. Hope will be the cemetery beautiful.

Plans to Go to Wyoming and Take Up a Homestead.

"I am going to leave Topeka," said Mrs. Beattie Dinsmore, mother of little Edna Dinsmore, who was so brutally murdered by Fred Bissell, "for every one I talk to constantly refers to the one subject that I can not bear to hear discussed."

DESERTED AT ALTAR, SHE SAYS
First He Sued Her for Divorce, Alleging Neglect.

Even though she said she was deserted at the altar by the alleged father of her unborn child, it was necessary for Mabel Harris to file a cross petition and file the case to prevent her husband, Harold Harris, from securing the divorce. The wife, only 19 years old now, was granted the divorce by Judge G. H. Whitcomb after she had told her story to him today.

LET FANS DECIDE
Time for Calling Games Will Be Put to a Vote.

All fans who favor calling Topeka's baseball games at 3 o'clock should make a point to attend tomorrow's game. Unless they do so, they will probably have to continue the consumption of their national pastime at inconvenient hours.
