Mrs. A. W. Bronson will be hostess at a bridge party Wednesday afternoon at her home in Harrison street. She has invited guests for eight tables.

William Allen White of Emporia is in Topeka today for the Progressive convention. He is the house guest of Mr. and Mrs. D. A. Ellsworth of 1243 Topeka avenue.

Mr. and Mrs. Ellsworth gave a breakfast party this morning at the Virginia for Mr. White, the guests being some of the newspaper men who are in town for the convention. Copies were placed for Mr. White, Mr. Fred Trigg of the Kansas City Star, Mr. Rodney Elward of Hutchinson, Senator Bristol of Salina, Mr. Clifford Stratton of Topeka and Mr. and Mrs. Ellsworth.

Mrs. Holmes Meade has asked guests for a thimble party Thursday afternoon.

Kansas suffragists are going to be rather lucky in Chicago parade affairs, because the Chicago parade is a circumstance that Cyrus McCormick III was sent to Wichita in connection with the business of the interests of the McCormick Chicago. He brought with him his young bride, who belonged to a distinguished Chicago family, and she also brought with her an advocate of political rights for women. She not only is a suffragist, but she works at it. The McCormick women of Chicago are numbered among the influential suffragists of their state. So, when it is announced that Mrs. Cyrus Hall McCormick, of Chicago, the wife of the inventor of the Wichita woman, would give a garden party and ball at her palatial home on the lake shore, for some of the parade women, it is a very happy circumstance. Mrs. McCormick is to be invited to attend the parade, and she will be in attendance, not nearly all of those who will be in Chicago, can expect a place at the party.

About eighteen women have already arranged to go from Wichita, and others will probably decide on taking the trip. A special car from Wichita will meet the special from Topeka, at Kansas City, there to join the suffrage special on to Chicago. A delegation from Hutchinson will come to Topeka to make the trip with the Topeka women. All of the officers of the Wichita Equal Suffrage association, except one will go to Chicago. Mrs. Dunlap, of Emporia, and Mrs. Fannie Cooper Atkinson are among the women of Topeka who will join the party going from Topeka. Mrs. W. V. Morgan, of Hutchinson, president of the Kansas Equal Suffrage association, will come to Topeka for the dedication from Hutchinson.

The delegation will leave Topeka Monday afternoon for Chicago, and the garden party at the McCormick place will be held the evening of June 6, and the parade will be held at four o'clock in the afternoon of June 7.

Mrs. Jack Humphrey will entertain her sewing club Wednesday. The thimble club has become a luncheon club, and hereafter will meet in the morning, to spend the day and take luncheon with the hostess.

Mrs. James S. Hayes entertained her luncheon club today.

The Delta Delta Delta sorority of Manhattan, gave a dinner party for Mrs. J. M. McPherson of Topeka, who is visiting her daughter, Miss Katherine McFarland at the Agricultural college, Dean Mary Pierce Van Zile and Professor and Mrs. E. H. Reister.

A new plan for presenting music, or rather, opera, to the public has been devised by Hayrat Hubbard, and he appeared in Topeka for the first time Monday afternoon and evening at the high school auditorium. He came here under the auspices of the music department of the Topeka Federation of Women.

He gave what he calls an operatico, which means that he reads the important lines, three or four lines in, here and there, with explanations, and during some of the most dramatic passages he is accompanied by piano music, from the score of the opera.

Mr. Hubbard prefaced his impersonation by some remarks on the American and English operas, and his opera in a foreign tongue. He handled his subject without gloves and he mimed it not a bit. "Why should we have opera in a language we cannot understand?" he asked. "The Germans and the French and the Austrians and Bohemians have their opera in their own tongue, but we and our equally stupid English cousins must take our opera in German and Italian and French—anything but English. I grant that our translations are not good, but they
