

THANKSGIVING SPECIALTIES AND NECESSITIES

# Thanksgiving Dinner Demands Butter

MEADOW GOLD—the best Creamery.  
PARKSDALE—best country butter made better.

Each in our own air-tight, odor and dust-proof sealed carton which preserves its goodness unimpaired.  
MEADOW-GOLD is in solid packed packages or in quarters, each quarter separately wrapped. Why the wide use of these two butters? Each is the best of its class.  
Why used by the hotels and restaurants and dining-car systems?  
Because of uniform goodness and dependability. Ask your grocer.

## Of Course You'll Have Mince Pie Thursday

Is this your recipe? We hope so.

To half a cup of flour add scant half teaspoonful of salt, two large tablespoonsful O. K. lard; chop lard with silver fork; pour over lard 1-3 cup cold water; squeeze up together, working as little as possible. Roll out and use 1 pint Kaw Valley Mince Meat for filling.

We guarantee success, if this suggestion is followed.

There's nothing in the world that will take the place of lard in a pie crust—
