 Independent of any Politics.
 Entered as second-class matter in the post office at Hays, Kansas.
 Established in 1882 by Harry Freese
 October 3, 1908.

Editor John Connelly, the democratic candidate for Congress in this district, addressed the voters at Ellis Friday and in Hays Saturday afternoon.

Candidate Fred Robertson of Atwood visited our voters several days last week and told them why they should vote for him for State Senator from this district. This, Ellis, county is conceded to him by 600 majority.

James Behan for Representative.

James Behan announces this week his candidacy for Representative for this county in the Legislature. He did not ask the office, but now that the people have given him the honor he will make the race, and if you believe in and want a continuance of the Roosevelt policies; if you want the interests of your county and its state institutions looked after and pushed, he asks your vote at the polls on election day. He is willing to give his two month's time down there at the little pay allowed for the peoples' benefit, if they decide to elect him.

Going to Build This Year?

That it is cheaper in the long run to Build than it is to Rent is a conceded fact. One year's rentals amount to twice as much as the interest on a building investment. Money saved is money earned—don't rent, when you can save money by building a home of your own.
