## The Free Press.

Published every Saturday morning. Independent of any Politics.

Entered as second-class matter in the post office at Hays, Kansas.

Established in 1882 by Harry Freese

October 17, 1908.

Dr. Patterson, our former band leader, with his wife, visited friends here Sunday.

More Post Cards at Spratt's Book Store than at all other stores in Hays combined. 44-1f

William Snively and Birney Fitzpatrick drove out to Trego county last Saturday to visit friends there.

Lee Shelton and Sam Haddock are planning to take a trip soon to Western Kansas in search of land for a ranch.

Dr. Brown, the eye specialist from Salina, was here again on Monday. He has a good practice and is successful in his treatment.

George Johnson came home to spend Sunday. He reports the Ellis schools doing splendidly this year and large attendance of scholars.

Mrs. Wm. Ryan is having city water run into the second story rooms in her store block on North Main street over at the Store.

Ellis has an election proclamation published for voting \$45,000 bonds for a city water works and electric light plant. The election is to be held Nov. 12th next.

Fred Miller has for sale fifteen hundred (1500) lots in all parts of the city. Prices range from \$10.00 up. Will sell on monthly payments or any other way to suit the purchaser. 47-1f

It is a surprise to strangers to our town to see a dozen wheat wagons coming to town in a bunch, most of them driven by women and children. Out here a six to ten year old boy or girl can bring in a \$50 load of wheat as well as anybody and don't think it any great thing to do it.

So manageable have the new style balloons become that at a late celebration in Philadelphia on land and water, a balloon started from the middle of the city, rose to a great height, then circled over the ships in the river, and came close enough to drop a message of greeting in the flag ship and then went back to its starting point.

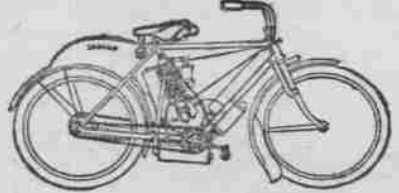

In another instance of an ascension in Germany this week, a balloon up 4000 feet collapsed and fell to the ground and had it not been for the large tissue, forming a parachute, coming down slowly, the men in it would have been mashed to pulp.

Gus Lamb of Codell was a Hays visitor on Tuesday.

Charlie Reeder is having cement blocks put under his new cottage.

Ladies should remember that this office can get them elegant engraved visiting cards at small cost, or print some nearly as nice at smaller cost.

Mrs. Slimmer and children, former residents of Hays, spent the latter part of last week with friends here. She left for Russell Sunday morning.

John Byers has bought the Bartholomew cottage on east Juniata street and will take possession Nov. 1. He has bought in town in order to educate his children at our splendid schools.

Out at the Turkville Baptist church they are getting along so well with the building that they have arranged for Rev. Jenkins of the Fairport district to preach for them half his time.

POCKET KNIVES. At the Philip Hardware Store this week they got in some beautiful pocket knives for Christmas. Go get one before the prettiest is selected.

In the contest for the world's championship of baseball between the Cubs of Chicago and the Detroit Club, winners of the pennants of their respective associations, the Cubs won, having captured four of the five games played of the series of seven to be played.

Some team ran the wagon tongue into the watering tank opposite the Philip store putting it out of service for a time, much discommoding the farmers who bring in wheat. The city should put a round, low, tank sitting on the ground so no wagon tongue will upset it.

That it is cheaper in the long run to Build than it is to Rent is a conceded fact. One year's rentals amount to twice as much as the interest on a building investment. Money saved is money earned—don't rent, when you can save money by building a home of your own.

We can supply you with

and see what you will need to do the Spring work. Don't deceive yourself by thinking you can do another year's work with an implement that has "served its time." You will find it cheaper in the long run to buy a new
