HIGH SCHOOL JUNIOR-SENIOR RECEPTION

A Pleasant Affair
The High School commencement season opened last Thursday night with a reception for the class of '18 given by the juniors. The affair was held in the upper hall of the high school building. The walls decorated with leaves and blossoms of lilac intertwined with leaves and blossoms of wild cherry, bouquets of yellow tulips here and there on stand and table, rustic settees and rockers throughout the hall produced a harmonious and pleasing effect. A miniature of the senior class composed of dolls with diplomas in hand, seated on an improvised stage beneath the American flag afforded great amusement.

A picture story made by each of the company for some one else, a speech or act by the seniors foretelling his occupation next year, and a penant making contest made entertainment until Frances Nickles of the social committee announced the formal part of the evening's entertainment. Miss Sevier of the faculty spoke humorously and seriously on "Ideals," David Chittenden, a junior in his speech "The Last Trench" adroitly displaced the seniors and put the juniors into this stronghold but Harry Felten, also a junior, gallantly took them "Over the Top" in his speech; Lily Williams, a senior, spoke feelingly and modestly when she told "As the years have passed, what we have learned." Mary Hollenbeck, a senior gave kindly word of advice to the juniors in response to "The Class Who Takes Our Place," principal Lee widened the horizon for his hearers "The Whole Round World," and Superintendent Slavy in a happy vein presented to the rightful owners the diplomas that the dolls had been holding all the evening.

In keeping with the spirit of the times only punch and wafers were served and in place of flowers the juniors presented each senior with a thrift stamp. The revellers departed at 12:30 a. m. to meet again in the class rooms at eight o'clock the next morning. A class sponsor, Miss McMinden, and the juniors were the recipients of many expressions of appreciation for the delightful evening.

Cabbage and tomato plants at the Normal School garden.

Edwin Hill, accompanied by his little daughter, Hazel, came over from Hays, Saturday evening, and spent Sunday and Monday visiting Hoxie relatives and friends. Edwin lived in Hoxie for many years and numbers his friends here by the score. He held a very lucrative position at Hays as manager of the grocery department of one of Hays' big stores. He has built him a fine residence there and is getting along nicely.—Hoxie Sentinel.

American Red Cross Must Have \$100,000,000.00

Knowing that each and every one wishes to do their part in helping to raise the second hundred million dollar American Red Cross War Fund which we must raise in order to save all the lives possible while winning the war, we at home must do our full duty. Wishing to make a fair and just assessment that would work no hardship on anyone, your committee after due and careful consideration have decided to ask all those having wheat to pledge ten cent per acre of all their wheat to this American Red Cross War Fund. This pledge to be paid October 1, 1918. This figured on a basis of ten bushels yield of wheat per acre would amount to a half of one per cent. on the dollar at the present assured Government price, those who are not wheat farmers should figure their donations on the same basis and be as liberal as possible as all must do their full part in helping to sustain the American Red Cross in their great work of mercy.

Solicitors will call on you during the week commencing May 20th. Please do your part promptly and well. Many lives, so please be liberal and encourage the solicitors in every way possible as they are not only spending their time but their money as well. Very sincerely,
H. J. PENNEY,
Manager War Fund Campaign

Large First Communion Class
Last Sunday morning a class of forty little children received their first Holy Communion in St. Joseph's Church. Reverend Fathers Dominic, Lewis and Austin officiated at the Solemn High Mass and Reverend Father Julius acted as master of ceremonies. Rev. Father Dominic delivered a beautiful and appropriate address to the communicants and also communicants were escorted to the church and to the altar by eight little boys and girls who carried flowers. The ceremonies were very impressive in the morning as well as in the afternoon when they renewed their baptismal vows. The singing which was rendered by the parish choir was very elevating. It was accompanied by the College Orchestra which is well known for its pleasing and well rendered music.

The art department of the Fort Hays Kansas Normal School won the Kansas contest held in this state by the National W. S. S. Poster Committee. Miss Genevieve Dorney of Hays executed the poster which was given first place in the university and college section Kansas contest. She is a member of the degree class of Normal school this spring. Miss Georgina Wooton, head of the art department, also announced that out of the seven college posters from Kansas which will be sent to the Middle West contest at Chicago five were by students of the Fort Hays Normal. In addition to the first place won by Miss Dorney places were awarded to Miss Julia Keeler of Garden City, Miss Gertrude McMahon of Ellis, Miss Sophia Shade of Hays, and Miss Mahree Hamilton of Ellis, all students in Miss Wooton's classes.

All the states have had similar contests. The Middle West will be judged at Chicago on May 18th. The sectional winners will go to New York City.

In the high school section of the state contest thirteen posters were selected to go to Chicago. Of that number three were posters done by girls in Miss Wooton's academic classes, Elma Grunwald, Albert, Ida Wegel, Victoria; and Anna Brull, Hays.

RED CROSS WEEK PROCLAMATION

The time has come when the people of America, who are unable to bear arms against the enemy of Right and Freedom, are again to be given the opportunity from their county to aid the cause for which we fight.

To the American Red Cross has been delegated the work of aiding, sustaining and comforting our men engaged in actual warfare, their families at home and the civilian population in devastated districts. Its works of mercy in rescuing and caring for the wounded, in relieving distress, in building up the shattered, in carrying cheer and comfort to those who bear the heavy burdens of the war and in sustaining morale, is of so great importance to the success of our arms that as a mere military necessity it ranks but little below men and munitions, while as an exemplification of a civilized Christian spirit that has been crushed by the monstrous evils of War it is the highest expression of humanity.

Kansas must and will respond in a more generous spirit than to the call for the second Red Cross War Fund. To facilitate the work of enrolling subscriptions and in accordance with the designation of the President of the United States, I Arthur Capper, governor, do hereby proclaim the week beginning May 20, 1918, as "Red Cross Week," in the State of Kansas, and call upon all Kansas people to show by their co-operation and by liberal subscriptions their loyalty to the country, their devotion to the cause of the world-wide Democracy, and their undying determination "to see it through."

IN WITNESS WHEREOF I have hereunto set my hand and caused to be affixed the Great Seal of the State of Kansas. Done at Topeka, the Capital, the 14th day of May, A. D., 1918.

ARTHUR CAPPER, Governor.

The Liberty Bond Drive
Ellis County was among the patriotic counties of Kansas that went away "over the top" in its subscription in the Third Liberty Loan Drive. Ellis County's quota was \$148,000. The total number of subscribers was 2,100 and the total bond sales in dollars was \$22,500; \$73,800 over our quota. The wonderful success of this drive was due in a great measure to the untiring work of County Chairman, J. M. Schaefer. His personal solicitation secured thousands of dollars that could not have been obtained by any other man in the county.

Mr. C. G. Cochran, District chairman is to be congratulated in his selection of Mr. Schaefer. He was the right man for the job.
