FRANCE NEEDS YOUR HELP

TO THE VOTERS OF Seward CO.

We the undersigned committee, wish to call your special attention to the two amendments to be voted on Tuesday. They are war measures and deserve your support.

The suffrage amendment will long be a matter of regret if it is not passed. There are over 100,000 voters, who are not registered in the state, and we cannot vote unless our names are on the rolls. If this amendment is passed we believe we can do better than our neighbors.

We are at the present time in a very critical condition and must have the right to vote if we are to have any influence on the state of affairs. The suffrage amendment will put us on the same footing with the rest of the states, and in the hands of the people.

The liquor amendment, we believe, will do much good. It will put an end to the saloons and the evil spirit that goes with them. It will put the state on a par with all the other states. We believe the amendment will be passed because it is the only way to save our state from the curse of the saloon.

We believe that the people of this state are ready for a change, and we hope that you will vote for the suffrage and the liquor amendments.
