

**WHEAT GROWERS' ASSO.
RULES FOR MARKETING**

The following is a letter from M. D. Kelley, secretary-treasurer of the Kansas Wheat Growers' Association to the members of that organization, and the Democrat is publishing the same for the benefit of those concerned:

**Our
Gage and Fiske Hats
are Supreme**

WHAT Woman can resist the charm of Hats like these? Exclusive models artistically interpret the prevailing models. They have that charming individuality that is so delightfully distinctive and appealing to the fastidious women. Every Hat in this establishment is designed and executed with the utmost care and skill, producing Hats that maintain our standard of millinery supremacy.

Wichita, Kana, August 29, 1921.
To Whom It May Concern:

Instruction for shipping: First, determine about the amount of wheat you wish to load into a car. Second, go to your depot agent and place an order for car of sufficient capacity to hold the amount of wheat you wish to ship. Notify this office of placing this order with the agent. Third, if the order has been placed for the car then proceed to load it. As first, have your wheat weighed to determine the number of pounds you are placing in the car. If loaded through an elevator have the manager furnish you a weight certificate showing the amount loaded into said car. This amount must be stated to your agent so that he can register the same on the bill of lading. Agent will make bill of lading and surrender to you an original and one duplicate copy. Retain at all times the duplicate copy. The original must be mailed to this office.

If shipping for sale and in case you need funds at once, take the original bill of lading to your bank. Instruct your local banker to draw a draft against this bill of lading for not to exceed 90 per cent of the value of the car. Instruct the banker to draw the draft to read, "hold until car arrives and is inspected," and instruct your banker further, to take this draft through the South West State Bank of Wichita.

Fourth, bill all cars "shippers order", notify Kansas Wheat Growers' Association. Immediately upon arrival of your car the Association will order the same inspected to establish the credit. This inspection will cost you \$1.00. We will then sell your car on the highest market available in the United States and we will remit to you for the same in full just as soon as payment is made by the purchaser. The Association will charge 1 1/2 cents per bushel as handling charges. Freight on these cars will be paid by the purchaser.

This method of shipping and selling your own wheat to a sales agency composed of wheat growers will give you the benefit of the terminal market rather than the local market.

Fifth, in shipping for storage, use the above method of loading, weighing and billing, but do not draw

drafts against your wheat. Upon arrival of your wheat in Wichita for storage, we will have the same inspected and will order it set for unloading at the terminal warehouse. It will be unloaded and we will have it stored to your credit. We will then be issued a warehouse receipt which may be obtained by us upon payment of freight. Each grower must pay the freight, on all stored wheat. The storage charges at the terminal are: 1c for the first fifteen days. This includes your loading in and loading out and the issuance of covers insurance charge. On all your warehouse receipt and also wheat stored in the terminal, we will secure for the shipper if needed, a loan of 50c per bushel. Also the Association will pay the freight and deduct the same from the loan for the shipper. Upon sale of this wheat upon a later date, the freight paid by the individual will be handed on to the purchaser, and, regardless of where sold, the purchase price will be with freight added.

This so placed in storage is always to the credit of the individual and may be sold at any time at his order.

BAPTIST CHURCH

This church had a splendid audience at both services on last Sunday. Yet a close observer noticed several nice, choice seats down close to the front which remained unoccupied.

Funny. One goes to the theater or Chautauqua tent, and make a grand rush for the front row, and is disappointed if he fails. The same individual enters the church and gets the very back seat, and wishes for one further back. Funny old world, this.

Anyway, you are very cordially invited to the church, hear our music, and listen to the pastors message. We are sure you will be paid for the effort.

THE CHRISTIAN CHURCH

We were pleased to see such splendid audiences at every service last Sunday. Th largest we have had for sometime. We trust that they may continue. Tell your friends of these services.

The Bible school officers are get-

Attended Pikes Peak Race at Colorado Springs Last Week

E. D. Cooper and wife expect to return from Colorado today. Mr. Cooper and Mr. Baughman dove out to the Pikes Peak Hill Climb September 5th, and then went up to train Denver. This race was thrilling and out of the ordinary lines. Mr. Baughman returned by train to Garden City, thence by auto, and even had to wade some water to get home, as northern Seward county had more than seven inches of water last week. Later, Mrs. Cooper went out to show Earl how to drive the "Liz-

Phone 121

If you are interested in buying something worth the money in City Property. We have listed some of the choicest bargains in Liberal, and most of them can be handled on good terms with a reasonable cash payment down. For instance:—

Four rooms and bath, located on two choice East front lots, close to school; one block from paving; electric lights. This is a cozy little home, and is priced right at \$2350.00; \$700.00 cash will handle it.

Four room cottage located on two good East front lots; close to schools; one block from paving; sidewalks in; city water in house and electric lights. This is a well-built house, and worth more money than \$1800.00, but it will go for that, and a payment of \$400 will handle.

Six rooms, thoroughly modern, full basement; practically new. This is a close-in location; a tile stucco house of good construction. Price \$4800.00 with some terms.

For further prices, see—

zie" home.

Mr. and Mrs. Baughman Visiting Family of Son Here

Captain H. C. Baughman and wife of Cheney, Kansas, arrived Wednesday noon for a weeks' visit with their son, John W., and family.

Mr. Baughman is 86 years old, a veteran of the Civil war, and put in nearly five years, beginning as a private, and the late part of the war was promoted to a Captaincy. Mrs. Baughman is 83 years old. Both are in good health and are making the visit before cold weather sets in. They have a nice home at Cheney near Wichita, and prefer to live there in preference to California.

SHOWS ALIEN'S HARD CLIMB

Scenes of the immigration detention depot at Ellis Island, in New York harbor, Bedloe's Island and the Statue of Liberty, ships in quarantine, as well as pasing in and out of the harbor, besides many city views,

furnish an interesting background for the dramatic action of Alice Brady's latest photodrama, "The Land of Hope," showing at the Majestic Theater next Wednesday and Thursday. The star is seen in the role of a Polish immigrant girl, who makes the journey from an East Side tenement to upper Riverside Drive and wealth in a series of difficult moves.

WALLACE BRUCE PLAYERS COMING TO MAJESTIC

The Wallace Bruce Players will play a three night engagement at the Majestic Thursday, Friday and Saturday, September 29, 30 and October 1. This well known company has a lot of friends in Liberal, who will be glad to see them return, and Manager Thorpe is fortunate in securing them.

Mrs. Lewis Griffith is substituting in the high school until Miss Davis arrives.
