

The Lions Club

That some one had been to the convention at Hot Springs and absorbed some of the pep was very evident at the regular meeting of the Lions Club at the Grier Monday noon. The meeting pushed off with a bang and every one took part in the songs and yells, except those who were too late to get in on the big fun.

After roll call and the reading of the minutes the report of the entertainment and park committees were heard. The chairman of the park committee called a meeting of the members to look into some matters pertaining to the upkeep of the park. The trees have been neglected lately and the park committee was to investigate the matter.

Cub Pellette has been away from the city several weeks and was asked to talk about some of the things of interest that he had seen while away.

Griffith & Baughman
Ask Griffith

R. L. Logue of the Liberal Warehouse Storage & Transfer Company was present and made a short talk. Mr. Logue is from Hutchinson, and is a real live town booster.

The Lions are in after the base ball pennant of the city league and are going to give someone a good race for the championship. A practice was called for Tuesday evening. All members are urged to be present. Motion to adjourn carried.

REVIVAL CLOSED AT BALKS

The Morton Sisters, evangelists, closed a very successful four weeks revival at Balks, Oklahoma, a weeks ago Sunday night. The ladies used a tabernacle borrowed from Blue Mound, and by their clear and forceful sermons succeeded in securing more than 120 conversions, besides others who made the start over. People of the neighborhood speak highly of the Misses Morton, and endorse their work for the cause.

They will begin a series at Spearman on July 15, to close for the opening of a series at Range, Oklahoma, August 1st.

METHODIST MISSIONS

The Womens' Home Missionary Society will meet at 2:30 Wednesday 19th in the Social room of the church.

PROGRAM

When you think of insurance of any kind you are thinking of Griffith of prompt and efficient insurance & Baughman's office where a special-service is rendered. Try their phone No. 121.

Land Paid For Wheat Did It

But who has the title to the land, do you? No I am just a tenant paying one-third grain rent delivered in the elevator, the owner paid for the land out of the rent.

Above is the substance of daily conversations in my office.

Are you interested in a quarter section of wheat land two miles from a townsite on the New Santa Fe which will make you a land-owner instead of a land-renter, a Landlord instead of a tenant.

Soil just right, well on adjoining farm less than 100 feet. Terms better than cash. Price \$25. per acre, \$1,000. in thirty days, Balance three annual payments 7 per cent. Want to see it? Write, phone or see

A Lovely Display of Wash Dresses

Wash dresses are so fresh and clean looking, cool and youthful, one should have a good supply and no time should be better than this for getting them.

These dresses are not the kind ordinarily offered at such low prices, in fact, you will be surprised at their individual style, up-to-date cut and colorings.

Specially priced this week to move immediately—

\$1.75 to \$8.75

FRANK G. BOLES

Dry Goods, Furnishings and Shoes

Announcement!

We have purchased the elevator and business of the Bolin-Hall Grain Company in Liberal and have taken over the business.

We are in the market for your grain and will give you the best possible price and careful, courteous service.

We are here to serve the community in the matter of marketing grain and it will be a pleasure to render any service possible.

Bring Us Your Grain and See How Well We Will Treat You

As our name implies we are a home concern and are interested with you in the progress of the community, and will endeavor to merit your favors.

C. N. BIDWELL, Manager.

TYNAN RECEIVER HIS FIRE INSURANCE CHECK

Herman E. Drum of Topeka, representing the Twin City Fire Insurance Company was here yesterday to make some adjustments and look after the interests of his company in county generally. While here, Mr. Drum, and Chas. Ellsnesser, local representative, drove to the Ed. Tynan farm southeast of the city to make an adjustment of his fire loss. Fire completely destroyed his fine twelve room house last week, also his light plan and all the contents of the house.

There was little adjustment to be made and he was given a check for \$6182.50.

Loans on City properties in Liberal, whether modern or not, are being closed promptly by Griffith & Baughman.

Archer Items

We can't tell in the words of a poet How our little town does grow, Neither can any borrowed verse do it, But we feel we've the right to crow. So, in simple words our town we'll boost, And let you know we're on the top roost. Now what you say we don't give a rap For Archers THE town on the K. & O. Map

Hauling and shipping wheat is the principal business of the hour. The The Wheaton Grain Company is kept busy from early morning until dark in the evening loading cars from the trucks and wagons that are bringing the wheat to this place. The company is glad to do it and glad to pay the best price the market will allow. "A Square Deal" is the motto of the firm. It is planned to have the elevator ready to receive the grain by next Monday.

The farmers of this vicinity are well pleased with the crop conditions here this spring. Some of the wheat that is being brot here is coming from fields yielding from 25 to 30 bushels per acre. The row crops are growing beautifully and the farmers are beginning to look hopefully forward to the near future when they can buy and sell with some assurance that they had before war conditions played such havoc with their interests.

\$250.00
Decline on International Tractor 15-30

Gear drive, all inclosed, All-Might Oil-ers.

This is where you cannot afford to pass up if you need a tractor now. It has all the features that other tractors have and many features they haven't.

THE Southwestern HARDWARE CO.

Mrs. John Carmon and children, who have for the last two months been residents of this place, returned to their former home in Texas, this week. Mr. Carmon who is helping in the Kriebel and Hays harvest will remain for some time.

Wayne Spencer and family who have been away a few weeks putting in a crop on a farm a few miles east of here, are returning to their home in Archer this week.

Dick Love and Mr. Compton, formerly of Liberal, were business visitors in Archer Tuesday.

Mrs. Thomas and children of this place visited at the home of Elliot Skinner last Sunday.

Mr. and Mrs. J. R. Pennington and Mr. and Mrs. John King of Liberal visited friends in Archer Friday eve-

ning. Mrs. Pennington's mother from Hutchinson, accompanied them.

A large crowd gathered last Tuesday evening on the Bethel Church grounds to hear a radio concert announced to be given by the Tucker Electric Company of Liberal. For some unknown reason the radio man did not come. Rev. Pennington of Liberal was asked to speak to the people so that they might not be disappointed. His address was a splendid one and appreciated by all present.

Grandpa Heath desires to give an ice cream social to all friends at the beginning of his seventy-ninth year. The social will be given on the Archer Grocery lawn, Friday, the 14th, at eight o'clock P. M. All who care to come are cordially invited.
