

# MARY and Her Little Lamb

As Mary was skipping and feeling real gay,  
Said Percy, O bosh! let me show you the way.

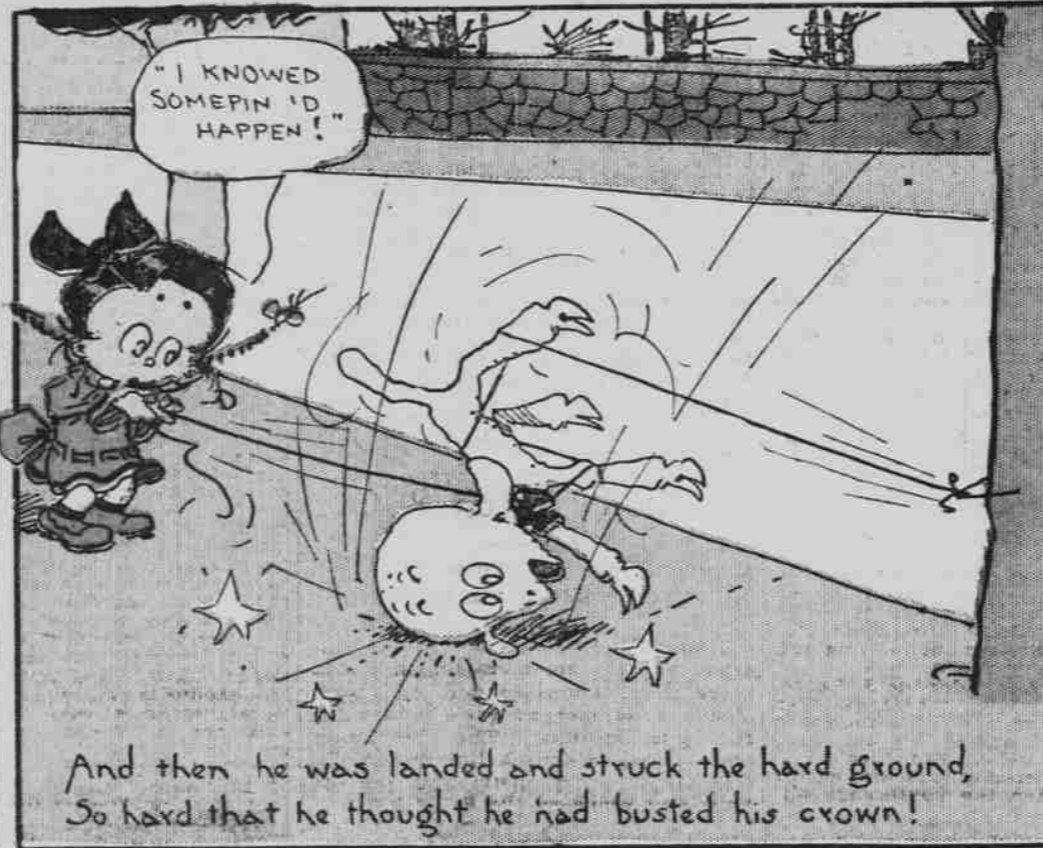

So Mary got ready to give him a chance,  
And then she said, now on with the dance.

Well Percy he jumped and did it so fine,  
He shouted to Mary to hit up the time.

Then Mary she turned with all of her might  
And Percy was soon wound up in it tight.

And then he was landed and struck the hard ground,  
So hard that he thought he had busted his crown!

Now Percy, said Mary, a lesson you've had,  
To mind your own business and never to brag.
