Sciatic Rheumatism Cured After Fourteen Years of Suffering. "I have been afflicted with sciatic rheumatism for fourteen years," says Josh Edgar of Germantown, Cal. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned."

Would You Do It? Would you buy groceries of a grocer who had no scales? Would you buy of a dry goods merchant who had no yard measure? Would you employ a carpenter who had no saw? If such men existed would you expect them to succeed? Why then expect a farmer to succeed who does not take a good, live, up-to-date agricultural and live-stock paper. A paper of this class is just as much a necessary part of the tools for the farm as the scales for the grocery store or the saw to the carpenter.

"Love lightens labor," the saying runs, and in a sense it is true. But even love cannot lighten labor or make it easy for the woman who is in constant suffering from inflammation, bearing-down pains or other womanly diseases. The one thing that can make work easy for women is sound health, and Dr. Pierce's Favorite Prescription is the thing that will give sound health to sick women. It cures womanly diseases which cause weakness, and cures the backache, headache, nervousness and other ills which are the result of womanly diseases. "I suffered from female weakness for five months," writes Miss Belle Hedrick, of Nye, Putnam Co., W. Va. "I was treated by a good physician but he never seemed to do me any good. I wrote to Dr. R. V. Pierce for advice, which I received, telling me to take his Favorite Prescription and Golden Medical Discovery. When I had used the medicine a month, my health was much improved. It has continued to improve until now I can work at almost all kinds of housework. I had scarcely any appetite, but it is all right now. I have gained several pounds in weight. Dr. Pierce's medicines have done wonderfully well here. I would advise all who suffer from chronic diseases to write to Dr. Pierce."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.
