OTHERS MAY DIE.

Remington's Death List Probably Is Not Too Large.

San Diego, Cal., July 21—There is little chance today of adding more names to the Remington massacre list. No others have announced that they intend to take up the gun business, and possibly the list will be finished by this time next year. Many of the names that have been mentioned have been dropped from the list as being either not actuated by Remington's success or not disposed to take up the gun business.

IT LOOKS BETTER.

That is What Reverend Bradley Says of Free National.

"I presume that we shall furnish them with the money, as we will not only put our shoulders to the wheel, but put our hands in the pockets of the Free National," stated Reverend Bradley at the Free National prayer meeting last night.
