NOTHING OFFICIAL.

But Not Any Doubt About The Result of Tuesday's Election.

In Kansas The Republican Ticket For State Officers Receiving

The Usual Comfortable Majority With an Unbroken Delegation to the Fiftieth Congress.

The Legislature of Indiana and New Jersey in Doubt—New Hampshire Delegation Divided.

The Illinois and Minnesota Legislatures Serenely Republican. Ditto Colorado.

Kansas. Special Dispatch to the Daily Eagle.

GREAT BEND, Kan., Nov. 4.—The result of the election is not definitely known at this writing, 3 p. m., on the state ticket. Moonlight has a small majority, probably 150. Gov. Martin ran behind his ticket, while Peters, Republican candidate for congress, ran ahead of his ticket. The balance of the state ticket was elected. The Democrats elect their representative, county school superintendent and circuit clerk. The Republicans elect the county attorney and probate judge by small majorities. The election was very quiet and orderly and a good vote polled.

KINGMAN, Kan., Nov. 4.—The following Republicans are elected in Kingman county with a majority of from 100 to 200: County attorney, S. S. Ashbaugh; probate judge, G. W. Willis; county superintendent, Frank Robinson; commissioner 3d district, W. D. Cannon. For representative contest was exceedingly close and will have to be decided by the official count, although the election of Mr. Frank Gillitt is conceded by both parties. The Democrats returned Mr. Bart Venable for district clerk and elected R. S. Jolly as commissioner for the 1st district for White township. In the city of Kingman the following were elected: Trustee, C. E. Means; treasurer, Geo. E. Elly; clerk, L. J. Johnson; justice of the peace, M. L. Neesk. Special Dispatch to the Daily Eagle.

WELLINGTON, Kan., Nov. 3.—Returns from nearly all the precincts in Sumner county are in. Martin's majority for governor about 100; Peters for congress, 300. The county ticket is mixed. J. T. Sanders, Rep., for probate judge carries the county by 700. J. L. Grider, Dem., for county attorney has about 400 majority. John W. Nye, Rep., district clerk, 300. C. E. Hitecock, Rep., superintendent of public instruction, goes in by a small majority. John A. Murray, Rep., elected representative in the 2d, 8th, district by 22 majority. Levi Thurlkill, Dem., is elected in the 8th district, and it will probably take the official count to determine whether the 5th district shall be represented by Bottorf or Markley.

KIOWA—Moonlight's majority, 47. George's majority, 25.

LAZYBONE.—At a special election held today a foreman was elected mayor of this city to fill vacancy.

KINGMAN.—Martin and Peters carry this county by about 400 majority. Republicans have probably elected representatives by a majority of 6 and county ticket except district clerk by small majorities. Returns have been very slow in coming in and are not all complete as yet.

TOPEKA.—Chairman Boneluck gives the following as to the election: Sixty-two counties are heard from officially or by careful estimates since the election. Of this number Moonlight has a plurality in five counties, to-wit: Atkinson, Davis, Dickinson, Leavenworth and Wyandotte. Governor Martin has a plurality in fifty-nine counties. In the sixty-two counties Martin has a plurality of 23,922. Moonlight 3,439; Martin's plurality to date 30,483. There are ninety-five counties in the state, and should the same rate of plurality continue for the entire state, and there is no reason why it should not, Martin's plurality will be 31,093.

GARDEN CITY.—The returns are all in from all the various precincts of Finney county, and H. R. Myron, regular republican nominee for representative is elected by 143 plurality. Buffalo James Thurston to contest. The returns from Morton county just came in and shows 602 republicans majority out of 945 votes cast.

MISSOURI.

ST. LOUIS, Nov. 4.—The official returns unofficially announced from the 9th congressional district give Glover, Dem., a majority over Frank, rep., of 103, and assures the former's reelection. Harrington, Dem., candidate for sheriff, probed by a majority of 390. A special from Farmington, Mo., to the Post Dispatch states that complete returns from the 11th congressional district give Harby, Dem., a majority of between 800 and 900. His opponents were Ladegaster, rep., and Batesford, labor.

FRONTON.—In the 2d assembly district of Mercer county, Witter, Dem., has been elected by 2 majority. The Republicans will ask the court to order a recount on the ground of alleged fraud.

ST. LOUIS.—Additional returns from the interior of the state confirm in a general way last night's statements regarding the congressional districts. All the districts excepting the 5th and 13th return Democrats by fair to large majorities. Clearly in the 10th and 11th are out down nearly one-half, but the remainder twenty or nearly one-half the usual democratic majorities. Decatur has 4,114 majority in the 2d. In the 2d district where Mansour and Hale, both Democrats, ran, Mansour, the regular nominee, has about 1,200 majority. Wade, rep., in the 12th district will have about 1,000 majority. The completion of the legislature cannot yet be given, nor the Democratic majority on the state ticket be estimated.

A Waterloo special to the Globe Democrat says: At West, R. Morrison, tonight, in response to inquiries as to the cause of his defeat said: "Jarrett, the late state attorney of Pennsylvania and protectionist, professing to represent the Knights of La-

bor and other labor interests, were in the district ten or more days just before the election, hiring and bribing such as could be hired and bribed, and continued to consolidate in Baker's interest, most of the labor element, in proof of which hiring and bribery we have Jarrett's letters. While this was going on the democrats were declaiming for a pure ballot.

CHICAGO, Ill., Nov. 4.—The Journal makes the following compilation as to the Illinois legislature: Senate, 33 Republicans, 18 Democrats and one Labor, House, 78 Republicans, 68 Democrats and two Protectionists.

SPRINGFIELD.—Referring to a dispatch to the associated press sent from this city yesterday by Hon. William Springs upon the result of the congressional election in this district, his opponent, Major James A. Connelly, this evening furnished the following card for publication: "Mr. Springs having announced through the associated press that his virtual defeat was caused by money sent into his district by protectionists, I mean to say that one of the most serious facts of the campaign just closed is that my battle was fought without money, while Mr. Springs' workers were abundantly supplied with money until the last vote was polled in the Democratic counties of Morgan and the common, where he and I are best known, of the Democratic city of Springfield, where he has lived 29 years he ran behind the most. He is the only Democratic candidate for congress, as I am informed, who has failed to carry Sangamon county since Abraham Lincoln carried it as a single year ago. Not one cent of money was sent to my assistance from any source and this attempt of his to pass as the victim of 'protectionist gold' is an insult to the independent voters of this district who made a vigorous, honest and open effort to rid themselves of him. [Signed] JAS. A. CONNELLY."

INDIANA. INDIANAPOLIS, Ind., Nov. 4.—It will take the official count today to decide the standing of the legislature. The Democrats claim it by two majority, Republicans by six.

NO CHANGE IN CONGRESSIONAL DELEGATION. In a positive statement can be made about the legislature. Gen. Gray said that while the present returns continued in ratio the Republican gain would elect Republican state ticket. It would require an official count to determine whether Republicans or Democrats would elect the legislature. The Republican state central committee says that being claims upon returns from more than one-half of the counties, the Republicans will elect the state ticket by five thousand. That the legislature is in doubt is conceded.

THE REPUBLICANS EXPECT TO WIN IT AND DEMOCRATS TO LOSE IT. The claim that it will be anti-republican by the count to 4 majority. The congressional delegation is unchanged since yesterday, the full list being as follows:

1st district, Alvin P. Kneey, rep.
2d district, John Howell, dem.
3d district, James O. McCreary, dem.
4th district, W. W. Holman, dem.
5th district, C. W. Swan, dem.
6th district, Thomas M. Brown, rep.
7th district, W. D. Bryan, dem.
8th district, James J. Johnston, rep.
9th district, Joseph B. Earle, rep.
10th district, William C. Deason, rep.
11th district, George W. Steele, rep.
12th district, James E. White, rep.
13th district, B. F. Shively, dem.

THE REPUBLICANS GAIN 5 DISTRICTS.—1st, 9th and 12th.

INDIANAPOLIS.—The republican state central committee claims the legislature from 82 out of the 92 counties in the state which show a net republican gain in the vote of 1884 of 5,354. Estimating the vote remaining counties on the basis of 1884, give a republican plurality on the state ticket of 3,142. There is no further change in the legislative situation, the committee of 190 members is holding on their respective claims, the republicans claiming 78 members and the democrats 89. The legislature consists of 190 members of the house and 50 senators, and Senator Harrison's seat at Washington is the prize to be contested for.

COLORADO. DENVER, Nov. 4.—Returns continue to come in slowly from outside counties with Democratic gain. The state without doubt will give Adam, dem., for governor, a majority of 1,900, which will be a gain over two years ago of 7,000. This is considered by Republicans. Returns also show a net republican gain in the vote of 1884 of 5,354. Estimating the vote remaining counties on the basis of 1884, give a republican plurality on the state ticket of 3,142.

A POPULAR CONVICTION.

John Jarrett, of Pittsburg Says The Defeat of the Noted

Free-Trade Leaders—Morrison, Hurd and Tucker Last Tuesday Is

Not the Result of Extra Efforts by the Champions of Protection or the Liberal use of Money

But the Reflex of a Growing Popular Sentiment Throughout the Country in its Favor.

Mr. Powderly Denies That he is a Free-Trader but a Protectionist From Head to Foot.

A Growing Sentiment.

PHILADELPHIA, Pa., Nov. 4.—John Jarrett, ex-president of the amalgamated association of iron and steel workers, has returned from the west where he had been conducting a brief campaign against Morrison and other free traders. In an interview Jarrett stated that he didn't go on the mission of his own volition, but was sent as a representative of the American Tin Plate association, of which he is secretary. So far as he could learn, the iron and steel manufacturers of this section had not contributed a cent toward the defeat of free trade in the west. Jarrett attributed the defeat of Congressman Frank Hurd, Morrison, and Randolph Tucker to the growing sentiment in favor of tariff in the south and west.

POWDERLY'S DENIAL. NEW YORK, Nov. 4.—The World prints a card from L. V. Powderly.

Powderly writes to correct the statement in the "World" that he was a free trader. He says: "I am a protectionist from the top of my head to the bottom of my feet. I have experienced no change of heart of sentiment on the question of protection. This country is not ready for free trade, and until it is I will be protectionist. Further on in the report I am quoted as follows:—"

"It behoves you to do your duty to-morrow so that laughing eyes that are looking to New York, shall see that this man is supported until he shall take his place in the white house at Washington."

"That language is not mine. I did not mention George's name, nor even refer to him in connection with the presidency. It was my duty to continue the work they had begun until the example set would enable industrial men to name the man who would occupy the presidential chair at Washington."

MICHIGAN. DETROIT, Nov. 4.—The latest returns do not materially change the Republican plurality for governor and the full returns will make the figures not far from 7,000. Full returns show the election of the following congressmen with the pluralities indicated: 1st district, J. Logan Chapman, dem.; 2d, 3d district, E. P. Allen, rep.; 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, 31st, 32nd, 33rd, 34th, 35th, 36th, 37th, 38th, 39th, 40th, 41st, 42nd, 43rd, 44th, 45th, 46th, 47th, 48th, 49th, 50th, 51st, 52nd, 53rd, 54th, 55th, 56th, 57th, 58th, 59th, 60th, 61st, 62nd, 63rd, 64th, 65th, 66th, 67th, 68th, 69th, 70th, 71st, 72nd, 73rd, 74th, 75th, 76th, 77th, 78th, 79th, 80th, 81st, 82nd, 83rd, 84th, 85th, 86th, 87th, 88th, 89th, 90th, 91st, 92nd, 93rd, 94th, 95th, 96th, 97th, 98th, 99th, 100th.

NEW YORK. NEW YORK, Nov. 4.—The uncertainty attending the outcome of the election for congressman in the 2d district (Brooklyn) between Denon S. V. White and Captain James L. Bell, is attracting considerable attention. Errors that creep in, in tabulating police figures on election night, are being corrected as official returns come in. Yesterday's corrections reduce White's majority from 143 to 60. This morning, Bell, dem., leads White, rep., 19 votes. Two districts yet remain to be heard from.

NEW JERSEY. TRENTON, Nov. 4.—The results to the legislature is still in doubt; both Republicans and Democrats claiming a majority on joint ballot. The Democratic state committee and its executive committee have given claims that Gov. den., has between 8,000 and 9,000 majority over Harvey, rep., for governor. Republicans have 12 senators, Democrats 9. Democrats have 31 out of 60 members of the assembly and the Republicans claim the same number.

WISCONSIN. MILWAUKEE, Wis., Nov. 4.—Telegrams and letters are pouring in on Gov. Rank from leading men all over the country congratulating him at the triumph of law and order over the anarchist agitators. From complete returns from all the legislative districts the Standard figures that the Republican will have a majority of 35 over all opposition in the legislature on joint ballot.

NEW HAMPSHIRE. CONCORD, N. H., Nov. 4.—The election of McKenney, dem., to congress in the 1st district, over Hayes, rep., is conceded by a plurality of 150. This is a Democratic gain of one man and equally divides the New Hampshire delegation.

OHIO. CINCINNATI, Nov. 4.—Nothing definite can be stated in regard to Carville's election until the official count is completed. This will begin Friday afternoon. The Times-Star special this morning did not change the outlook, which is considered favorable to Carville by a close vote.

FLORIDA. JACKSONVILLE, Fla., Nov. 4.—In the first Florida district, Davidson, dem., is reported by at least 3,000 majority. The legislature is overwhelmingly Democratic, with Carville the election of a Democratic senator to succeed Jones.

KENTUCKY. LOUISVILLE, Nov. 4.—The Courier-Journal received the following to-night: COTWRIGHT, Ky., Nov. 4.—I am elected by from 500 to 600 majority. Signed JES. G. CARLISLE.

MASSACHUSETTS. BOSTON, Nov. 4.—The Massachusetts legislature stands: Senate, 25 Republicans, 15 Democrats; House, 149 Republicans, 79 Democrats and 1 Independent.

CONNECTICUT. HARTFORD, Conn., Nov. 4.—Republican majority on joint ballot 34-1.

Nebraska.

OMAHA, Nov. 4.—The Democrats tonight celebrated the election of John A. McShane, first Nebraska Democratic congressman, by a torch-light parade and a reception of the victorious candidate.

North Carolina. RALEIGH, Nov. 4.—The 2d district has been carried by the Republicans, Abbott, a negro, being elected.

A Political Quarrel. KANSAS CITY, Nov. 4.—Journal, Saltina, Kansas, special says: Adam Head was shot dead by Wat Chelson last night in a political quarrel. Both were prominent farmers and politicians. Head was a native of Gov. Foraker and a native of Ohio.

Jimmy Madden, who escaped from jail in this city last Monday, was shot to night by Detective Bryant while resisting arrest, after attempting a burglary. He is not dangerously hurt.

Chicago Packers. CHICAGO, Nov. 4.—No further strikes at the stock yards this morning, although it is intimated that men at other houses, besides Swift & Morris may go out, as many of them are dissatisfied at being compelled to work ten hours.

The strikers are quiet; the only act of violence on their part was an attack last night on Henry Levy, Morris' nephew, who was beaten almost into insensibility on 43rd street. Swift & Morris have signed an agreement against eight hours a day. The firm will import, it is said, expert workmen from Boston and other eastern cities.

The beef men at Swift's and Morris' are still out and their chances for returning are lessening. Both concerns are shipping cattle east to be slaughtered. Swift commenced operating today with new men who are coming from all quarters. Placards about the building offer the following prices to new men: Skilled, 25 to 45 cents per hour; beef carriers, 28 cents per hour; laborers, 20 cents per hour.

LATER.—The strike at the stock yards took a new and perhaps very serious turn tonight. Tomorrow will probably decide whether or not there is to be a collapse of a protected and more general industry. The result depends upon the action taken to-morrow by Armour & Co's butchers on a mandate issued tonight by Master Workman Butler, of the Knights of Labor.

This evening, in the different assembly meetings an order was read from Master Workman Butler, calling on Armour's men tomorrow. It is asserted by many that Armour's men are to disregard the order and stay at work, as their refusal to stay would make them liable to expulsion from the Knights of Labor. It would, however, the order and election, of the general executive board, in such an event the employees of Morris and Swift would at once apply to be taken back. Should Armour's men obey the order to strike it is generally conceded that another general strike of all classes of labor at the stock yards is almost inevitable.

Important Conference. PHILADELPHIA, Nov. 4.—An important conference was held this afternoon between the members of the aid committee of the Philadelphia Manufacturers' association and the general executive board of the K. of L. by which the Frankford troubles are practically settled. The K. of L. were represented by General Master Workman Powderly, and Messrs. Hayes, Allenworth, and Brown, of the general executive board. While nearly all the members of the aid committee were present, on behalf of the manufacturers, as a result of their conference the following statement was given out:

At the meeting of the aid committee of Philadelphia Manufacturers' Association and the general board of K. of L., we have withdrawn all the grievances of the strikers at Trout's mill with the exception of one, relating to the question of wages, which will be referred to arbitration. This was agreed to by the aid committee. This practically settles the difficulties at Trout's mill. It was also agreed that the general executive board of the Knights of Labor, in connection with the aid committee of the Philadelphia Manufacturers' association, have formulated a set of rules which shall govern them in the settlement of all further strikes between employers and employees, to the end of hereafter preventing strikes and lockouts.

Several Broken Heads. QUINCY, Nov. 4.—The salvation army in anticipation of a meeting, on the 5th, adjourned their meeting last night. It appears that the disturbance of Tuesday night was of a more serious character than was reported. After the meeting was over Rev. Mr. Stobbenor moved for three cheers for the mayor, and they were given with a will. After singing the half the assembly broke up shouting. The police were all formed in line and while in this position were attacked by the mob which assailed them with stones and other missiles. Three or four officers had been severely injured when the order to charge was given. The crowd rallied and charged on the police, who, however, acted bravely, the result being several broken heads for the mob and two arrests.

"Boodie" McCabe Insane. NEW YORK, Nov. 4.—The trial of Ex-almirant Francis McCabe, to ascertain the question of his sanity, began this afternoon in the court of general sessions. McCabe is one of the "boodie" alchemists who accepted a bribe in connection with the Broadway Railroad franchise. His own wit put in the plea of insanity when McCabe was arraigned for trial. A number of experts testified that his malady was in a way demeritic, and not liable to make the patient dangerous. Indeed, he would soon become imbecile, and they thought he could be better cared for by his family than at any public institution. The District Attorney expressed himself as satisfied that the prisoner was insane, and the jury brought in a verdict to that effect. McCabe was then taken to the Lincoln street jail.

The Only Way to Avoid It. ST. LOUIS, Nov. 4.—At a joint conference of the members of the southwestern post and representatives of the Kansas roads held this morning, three reports were submitted by the committee appointed yesterday to present a plan for the settlement of existing difficulties. Commissioner Migler said that all three reports present plans for arbitration as to the basis for rates on the Kansas branches, although none of the reports were voted upon. He thinks it certain that the question will be settled by arbitration. Representatives of roads involved find it impossible to agree among themselves and this is the only way to avoid a disastrous rate war.

They Urge the Claim. CHICAGO, Nov. 4.—The Western United Wire Manufacturers' association held its meeting here today. They did not interpose with the present status of production and urge the claim that prices now use at and below the cost of making.

Pugilistic. NEW YORK, Nov. 4.—The heavy weight Jack Smith, of England, who won last year the championship of the New York athletic club, and Rieley Dunn, who has successfully encountered Jack Fallon and other good men, fought a prize fight in New Jersey this morning. In the first round Smith got in heavy work and partly dazed him. The call of time saved him from further injury. One of the joints of Smith's first finger was dislocated in the second round. Dunn became very aggressive, and Smith tried to escape from him, giving a blow in an upper cut in return, giving a blow in the ribs and followed it up by three good ones about the neck, when time was called. Smith was doing capital work; he opened the third round by swinging his right on Dunn's left eye, bringing his right arm and landed it under his right arm, but he had not recovered consciousness when time was called and his purse and battle were awarded to Dunn.
