A. Rossmann, knowing that an order would soon be made for sidewalks on the street leading to the M. O. G. depot, decided to not wait, so he has the material on the ground for his walk. If the other property owners along that street will show the same spirit it will save the city a little expense, for the walks will be ordered in anyway. The street will be graded and graveled, too.

Last Wednesday, the day Hodges was here, the town was chock full of candidates. Ralph Martin, candidate for sheriff, W. S. Wickersham, candidate for district clerk, Jim Orr, candidate for register of deeds, Fred Hiller, candidate for treasurer, R. W. Emerson, candidate for county attorney, Scotty Boies, candidate for assessor, F. A. Jackson, candidate for probate judge, and a few others, were here.

Senator Hodges, Democratic candidate for governor of Kansas, spoke in this city last Wednesday afternoon. The meeting was held in the Haskett building, and although it is a big one, it was none too big, and every available space was occupied. The county candidates were present, and all made short talks. The meeting was presided over by Dr. J. P. Hendrickson, county chairman, and after the little fellows had talked, Mr. Hodges was introduced, and for about an hour he poured logic and figures into his listeners' ears, and made an impression that is going to make him a big vote in this city on election day. A great many people were in from the country to hear him. The meeting was a big one, considering the fact that it was held in the afternoon, and in the middle of the week. Mr. Hodges carried Baxter Springs two years ago by 27 votes. This year his majority will reach very nearly up to the century mark. Scores of Republicans are going to vote for him.

Will be a Big Day.

Saturday, October 12, is the Day Baxter Springs Will be Filled to the Rim.

Saturday, October 12, will be the big A. H. T. A. doings in Baxter Springs, and if you are not here you will miss a big time, and a lot of wholesome enjoyment. There will be a lot of contests of different kinds, and there will be speech making, parades, etc. There will be a big basket dinner in the park, and to top it all off, there is going to be a lot of good fellowship on hand everywhere in town.

The Anti Horse Thief Association is one of the most important orders in the country. It not only promotes good fellowship and brotherly love among its members, but it is a power for good, and law and order. In counties where there are lots of Antis, crime is scarce, and property is well protected. Crooks, as a rule, give a community which has a local a wide berth, and the word is passed on to other crooks to steer clear.

Regular meetings are held by the different locals, and views are exchanged. If a suspicious cuss moves into a neighborhood he is investigated without knowing it, and if he commits any overt act, he is apprehended by the Antis, or at any rate, they lend their assistance, and the local officers are greatly assisted thereby.

The Antis are entitled to the assistance of every good citizen, and if you are not a member, you should join, thereby showing that you are in favor of law and order, and against crime and crooks.

The big doings in this city next Saturday, Oct. 12, will be productive of many acquisitions to the membership of the Antis, and will redound for good in a great many ways. Be on hand. Come early, and spend the whole day. You will be well repaid, and you will thoroughly enjoy the entire day. Don't forget the day and date.

F. M. Brady and Phil Campbell, both candidates for congress from this district, will deliver A. H. T. A. speeches here next Saturday. Neither will touch on politics while speaking, but both will mix with the people during the day.

Hang Out Flags.

Wednesday, Oct. 16, the Third District Convention of the W. R. C., Department of Kansas, will hold a session here on that day. It will be a big day, and you should show your patriotism.
