

# Best Tonic of the Age.

Mr. T. M. Dorwin, a prominent citizen of Syracuse, N. Y., says "Duffy's Pure Malt Whiskey is the best tonic of the age and trusts that it will help others as it has helped him."

"I now comply with your request and send photo. I have taken your Malt Whiskey and consider it one of the best tonics of the age. As it has helped me I trust it will help others and highly recommend its use to my many friends."—T. M. DORWIN, 101 Woodland Ave., Syracuse, N. Y., July 2nd, 1906.

## Duffy's Pure Malt Whiskey

If you wish to keep strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions, and take no other medicine. It is dangerous to fill body and depress the heart, while Duffy's Pure Malt Whiskey tones and strengthens the heart action and purifies the entire system. It is a food already digested. It is the only whiskey recognized as a medicine, and contains no fusel oil. This is a guarantee. Duffy's Pure Malt Whiskey has stood severe tests for fifty years and has always been found absolutely pure and to contain great medicinal properties.

**CAUTION.**—When you ask your druggist or grocer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the one absolutely pure medicinal whiskey and is sold only in sealed bottles—never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price, \$1.00. Medical booklet and doctor's advice free. Duffy Malt Whiskey Co., Rochester, N. Y.

### The Kickers.

Saint Peter, 'tis said, sits out by the gates, his hands on the strings of his lyre, and he sings, as he sits, a low song as he waits for the spirits of those who expire. He hears in the distance the chorus of song that swells at the foot of the throne, and he smiles as the music is wafted along, and warbles this of his own: "There's room in this region for million of souls, who by sorrow and woe were bereft; 'tis for those who have suffered the melody rolls, but the kickers must turn to the left. There is room here for people who when they were young, persisted in sowing wild oats, yet who boomed up the city with sinew and tongue—but the kickers must go with the goats. There is room for the people who pointed with pride, to the beauty and growth of their town, who kept singing its praises and charms till they died—but the kickers will please amble down. There is room for the

burghers who cheerfully paid their taxes for sewers and lights, but the kickers must stay where the drainage is bad and the burnt sulphur illumines the nights. There is room for the voters on which loyal support their party could always rely, but the kickers must go to the satanic court, a place they can't "bolt" when they die. There is room for all those who at last and at first, supported their tradesmen at home, but the kickers who branded home goods as the worst, from this mansion forever must roam. They'd say that the music was all out of tune, and the angelic robes hand-me-downs, and they'd send for a jeweler off to the moon, to sample the gold in their crowns. So, while there is room for millions of souls, who by sorrow and woe are bereft, we want no complaint of the music that rolls, and the kickers will turn to the left."—Ex.

year. The market can stand larger receipts without further losses, as there is no accumulation of product in the hands of anyone.

Sheep and lamb receipts are small, and confined to medium class fed stock. Prices are tending upward, but the market is not fully tested very often. Good fed natives sold at \$7.35 today, fair to good lambs bring \$6.50 to \$7.15, yearlings up to \$6.25, wethers \$5.65, ewes \$5.25. A few feeding lambs at \$5.50 to \$6.00, and stock sheep at \$3.75 to \$5.00, are available, but supplies of this class are growing scarce. Prospects look favorable for stronger prices for desirable fed stuff.

### How Mail Order Houses Win.

The Stanberry, Mo., Owl publishes the following from the Iowa City Republican: "A representative of one of the largest mail order houses in Chicago recently gave his experience to a meeting of newspaper men. He said that the mail order business depends entirely upon advertising. He made one remark that merchants should heed. He says they took the local papers and directed their special efforts to communities where the merchants are not up-to-date advertisers. If he found that any line of business in any town or city was not well advertised, as for instance, furniture, he said that they flooded that territory with their literature and always with satisfactory results. He said he believed it true that country merchants could greatly cripple the mail order houses if they would advertise freely and in the right manner. He said that every advertisement should describe minutely the articles to be sold and quote the prices. He thought as a general proposition that advertising that does not quote prices is thrown away or largely so. Here is food for thought by merchants who feel the effect of the mail order houses."

It is noticeable a cold seldom comes when the bowels are freely open. Neither can it stay if they are open. Kennedy's Laxative Cough Syrup tastes as pleasant as maple syrup. Free from all opiates. Contains Honey and Tar. Conforms to the National Pure Food and Drug Law. Sold by w. w. gibson.

A correspondent of the Windom Press wrote her items on the back of a love letter and now the editor wants her to furnish the rest of the interesting epistle. Here is the letter: "My heart burns for you; my breast throbs for its mate and my brain tells me you are my affinity. If you will be mine wear a red ribbon in a true lover's knot over your heart tonight at church. I will know then that on the road home I can sip the honey from the honeysuckle, my honeysuckle, my—" The rest is what we want.

Fellows should be careful about embracing their best girls. At Scranton, Pennsylvania, about a week ago a fellow went to place his protecting arms about his beloved. She had stuck a large pin in the bosom of her dress and in the affectionate squeeze the young man gave her the pin was pushed into his body just under the fifth rib with the result that he died a few hours later in a hospital. It doesn't always pay to be affectionate though this accident will not cause hugging to go into disuse.

A young girl, says a Missouri judge, with little or no practical training from her mother will undertake to manage a home for a husband, who is himself without experience. Both are ignorant, both make mistakes, trouble follows, each thinks the other an unsuitable mate, and a breach develops. Parents are very frequently to blame for the married unhappiness of children for not training them along lines of domestic economy. What girls need is more manual training at home and less piano playing and china painting.

In proof of the assertion that the ordinary mortal does not know a good thing until he sees it advertised, the Armour, S. D., Herald says: "A short time ago a Boston newspaper hunted up one of the pretty girls of the 'Hub' and printed her picture declaring she was the most beautiful woman in Massachusetts. Within the next thirty days she had 800 offers of marriage. A paper in Virginia taking a hint from this, printed the picture of two famous beauties and offered a prize to the one receiving the greatest number of marriage offers within twenty-four hours after the publication of the portraits. The offers poured in by the dozen, one beat by three and the prize was duly awarded. They could find just as charming beauties in their kitchens, but the chorus girls are advertised and the kitchen girls are not; therefore the former class are toasted and feted and treated to birds and cold bottles, while the poor kitchen girls are snubbed and neglected. It is all a matter of advertising. That which is advertised sells, that which is not advertised is neglected."

It is reported by good authority that the Standard Oil company spent between \$3,000 and \$10,000 in Russell county, during this fall's election to defeat the republican candidate, Chas. E. Hall, for representative. Frank S. Rockefeller, the democrat, is a cousin to John D., and John D. put up the money. Frank S. Rockefeller, beat Mr. Hall by 300 votes. If the Standard used that much money all over the state, it must have had a very nice little bill to meet when the campaign was over. This shows what the Standard is doing.—Phillipsburg Dispatch.
