THE ENTIRE STOCK will be turned loose at prices that would make Rome howl and would-be competition hunt for shelter. It is an upheaval unprecedented. It is an earthquake in Wa-Keeney, but it is a merchandise quake. Right in the wintertime, when everybody is looking for big profits, we turn this store over to the people. The store is crowded with high grade merchandise that we cannot afford to hold. WE NEED CASH and are calling on the people to get it for us. If prices will do the work, we will get it by the barrel, for no such SLAUGHTER OF GOODS was ever attempted by a merchant before. Everything in the store goes, nothing held in reserve. The battle will commence Saturday, March 6th, and wind up at midnight, Saturday, March 20. There is plenty here for all, but BIG BARGAINS go quickly. Better get in line and come early. TWENTY SALESPeOPLE will be here to wait on you and we will try to expedite matters, but such a slaughter of prices will crowd the vehicles, the railroad and the road ways. Everybody will be headed for GLEASON & MARSHALL'S. All goods will be marked in plain blue. In order to put the knife into these goods, the Store will be closed two days, Thursday and Friday, March 4 and 5; open Saturday morning, March 6, at 9 o'clock sharp, loaded to the guards with red hot bargains for the people. Buy what you want in DRY GOODS, GROCERIES, SHOES and NOTIONS at but little cost.

Get in Line and Come the First Day, You Can't Afford to Miss It!
