NO PROOF OF THE CHARGE

Tellier Seeks to Make Some Political Capital.

LODGE CORRECTS HIM

Information on Which He Acts Is Incorrect.

HOUSE TALKS POLITICS

Bowers of Mississippi Discloses Race Question.

WASHINGTON, D. C.—Congressmen continue their investigations and studies, to which they have been addressed by the President, into the race question are saturated with the red herring. New House Committees, set up to study the question, are becoming more and more divided about the information and the reports which have been submitted to them by their representatives.

THE WATERFRONT

WASHINGTON, D. C.—The Waterfront has been the scene of a fierce battle between labor and capital. The strikers, who have been opposed by the police, were reinforced by the arrival of additional forces, and the situation is likely to become more serious.

NO JEWISH OUTRAGE

GREAT BRITAIN AND AMERICA EXERCISE INFLUENCE.

The British and American governments have been exerting considerable pressure on the German government to cease its persecution of the Jews.

THE YOUTH WAVE

WASHINGTON, D. C.—The Youth wave has been sweeping through the country, and young people are becoming more and more radical in their politics.

CRIMES ARE UNJUST

Secretary Moody gives details of the Mayflower.

The executive has used it less than five times.

Not President's yacht.

No expense to nation.

Time on board mostly on public service.

The official yacht, the Mayflower, has been used only once in public service, and then for a short time. The executive has used it less than five times.

The grand piano, which was placed in the yacht, has been removed, and the executive has refused to use the yacht for public service.

The President's yacht, the Mayflower, is not for public service.

**Critical Notice**

The executive has used it less than five times. The President's yacht, the Mayflower, is not for public service.
