Sincerity Clothes--Copyright

WE RATHER EXPECT OUR CUSTOMERS, AND THE PUBLIC GENERALLY TO show some natural curiosity as to just what kind of a sale this will be. We are glad to tell you all about it. What our goods are--you already know. You selected from them earlier in the season. SINCERITY CLOTHES in the high grade lines, and other excellent makes in the less expensive. We have "made good" on the quality question. Now it becomes a matter of price. You may look for cut price sales at the end of each season--(and bona-fide cuts, too); but this particular sale takes on special importance because of the fact that we have secured a long term lease on the corner store now occupied by Fitzgerald & Locke, and will open up there with our Spring Goods just as soon after completion of this sale as possible. While we leave a splendid store building, we believe that we can serve our customer's and our own interests to better advantage in the new location.

We cordially invite your attendance at this sale. There is bound to be a lot of things you can buy to great advantage and at a great saving of cost.
