Hair Splits

I have used Ayer's Hair Vigar for thirty years. I have been using it continuously since it was first introduced. The only thing I do is to let it roll on my hair each night. I find it gives me a perfect head of hair. A very good product and I endorse it heartily.

W. J. GORDON

SUGAR CROVE.

Craps in this section will soon be enjoyed as much as the other sections.

On the table books is already set apart one half and bottom hand one third.

Most of the farmers are doing threshing about now.

Miss Mary, keeper of the inn, is visiting her grandparents.

N. E. Fox and wife, this week.

The Phillipses will visit Miss Minnie, of Emmaus, who are visiting friends here.

Henry Murray returned from downtown today. He has been on a very important business trip.

Sunday was a day of business as usual. The young folks gathered in the pleasant hours of Miss Idle. The weather was most delightful and everything was done.

Ladies.

If you want a beautiful complexion, a night cap, good appetite, and a sweet sleep in the morning, buy a Crapp.

Miss Mary and Stephen, their good friends, come visiting and stayed over the night. They are staying for a week.

The young folks gathered in the pleasant hours of Miss Idle. The weather was most delightful and everything was done.

MEXICO.

A large crowd attended church this Sunday morning. William Pick reported some news.

The meeting at this place was postponed until next Sunday morning.

If any young lady wishes to give a beauty party, she may engage the services of the Crapp.

In the last few years, the Crapp has been used by many people, and it has been found to be of great benefit to all who use it.

The Crapp is a product of the Crapp Company, located at 123 Main Street. It is widely used and is recommended by doctors and beauticians throughout the country.

A Romance of the Wheat, Book 3, Chapter 4

In the course of a story of an unusual good business, a story which was received with great interest and attention, it was reported that a book of this nature had been written by Mr. John W. Pick, a well-known author and lecturer.

The book, which is to be published in the near future, will be of great interest to all who have followed the career of Mr. Pick.
