

FRANKFORT ROUNDABOUT

FRANKFORT, OCT. 10, 1891.

A Cure for Paralysis.

Frank Cornelius, of Purcell, Ind. Ter., says: "I induced Mr. Pincen, whose wife had paralysis in the face, to buy a bottle of Chamberlain's Pain Balm. To their great surprise, before the bottle had all been used she was a great deal better. Her face had been drawn to one side; but the Pain Balm relieved all pain and soreness, and the mouth assumed its natural shape." It is also a certain cure for rheumatism, lame back, sprains, swellings and lameness. 50 cent bottles for sale by J. W. Gayle, 52-1m.

Sudden Attack.

Policeman Frank Egbert had a sudden attack of heart trouble on Tuesday night, and it was rumored on the streets that he had dropped dead. After working with him for some time Dr. G. W. Chinn succeeded in bringing him around. The cause of the attack is thought to have been rheumatism of the heart. Mr. Egbert was at his home in South Frankfort at the time. He is now much improved but not yet able to be on duty.

Capt. W. A. Abbott, who has long been with Messrs. Percival & Hutton, Real Estate and Insurance Brokers, Des Moines, Iowa, and is one of the best known and most respected business men in that city, says: "I can testify to the good qualities of Chamberlain's Cough Remedy. Having used it in my family for the past eight years, I can safely say it has no equal for either colds or croup." 50 cent bottles for sale by J. W. Gayle, 52-1m.

Our boys crossed bats with the Switzer base ball club at Switzer last Saturday, the game resulting in the score of nine to six in favor of the latter.

Rev. W. S. Giltner, of Eminence, preached Sunday to a very large audience.

A number of trees in Thos. Long's cherry orchard are in full bloom.

Will T. Innes, the boss fisherman, succeeded in catching twelve bass, weighing 36 lbs near Knight's bridge.

The ladies of Peak's Mill, will give a supper Friday evening next at the residence of Henry Church, near Pinnacle Point for the benefit of the new Christian Church which is now under course of construction. Every delicacy of the season will be served bountifully, and it is hoped that a large crowd will be out, and will give substantial encouragement to the managers who are sparing no effort to make it a success.

EM EYE.

It Works Wonders.

The tonic and alterative properties of S. S. S. are now widely known, and it enjoys wonderful popularity as a spring medicine. It is as perfectly adapted to the delicate system of a little child as it is to that of the adult. It works wonders on those who use it as a tonic, as an alterative, and as a blood purifier. It gives health, strength and heartiness to the sick and the feeble. It is adopted to the very young and the very old. It revives, renews and builds up the feeble or the broken-down system.

Zitpah.

After a long delay we come to the front again with a few items.

Tobacco is safely housed and farmers are taken their rest.

Mrs. Edna Shuck, of KoKomo, Ind., has returned home after a three weeks' visit to relatives in this community.

John Moore and wife visited John E. Moore and family at Croppers last week.

Died—At the home of C. B. Tharp Saturday night, Mrs. M. A. Duncann. Many friends will mourn her death. She was a member of the M. E. Church, and a devoted Christian lady. The husband and family have our sympathies.

Mrs. Lizzie Tharp, who has been lying so low this summer, is still no better, without hope of recovery.

Miss Maggie Howers school is progressing nicely at Fallen Rock.

Price Deakins, who visited Oklahoma some time ago with the intention

of obtaining a home, we learn has secured the same and his family will follow soon.

The apple party at Mrs. N. J. Stivers, Friday night, was largely attended and passed off nicely.

Owen Moore, merchant and druggist at Sweet Home, has recovered from a spell of sickness and is at his post again.

John J. Moore is having a new dwelling erected.

What Shakespeare Might Have Said.

Take or not take: that is the question. Whether 'tis better for man to suffer the pangs and torments of indigestion. Or something take, and, in its taking, end them.

Shakespeare didn't say that, but likely he would have said something similar, if he were living in the 19th century, when so many suffer untold agonies from indigestion. Of course he would have gone on to say that a man must be a fool not to take "something" which would put an end to the "pangs and torments" spoken of, if he could get it. Now it is a fact that weakened, impoverished blood brings on indigestion, which is the cause of dyspepsia, constipation—a poisoned condition of the whole system—and it is a fact also, that Dr. Pierce's Golden Medical Discovery will so purify the blood and enrich it that all the weakened organs are revitalized and strengthened. It is guaranteed to do this. If it doesn't, your money is refunded to you.

My millinery department will be in charge of a first class milliner, and will begin Monday taking orders for fall hats.
