There are now but a few more hours in which the candidates engaged in the Climax popular voting contest have to work for the several prizes offered. The voting comes to an end on Saturday April 26, at 3 p. m. and immediately thereafter the counting will be commenced, to who shall be the winner of the splendid Obermeyer piano and the other beautiful and useful articles offered to those who are making an endeavor to land the premiums. It is not believed by those who have given the matter careful thought that any particular person has the grand prize cinched at the present time, but there are several in the race who have a good chance to land it if they hustle.

For those who wish to vote without any competitor seeing them, the Climax desires to state that cash with your subscription, telling where the paper is to be sent and to whom the votes shall be given, can be placed in an envelope and deposited in the bank. The judges will open these envelopes as soon as they start to count and will credit all votes, including bonus votes. In order to secure bonus votes on merchants' coupons they must be counted at the Climax office before being voted.

Miss Taylor was in the lead at the last count. Several others are well to the front and are putting forth every effort on the homestead to win the coveted prize. Either of these young ladies can land the prize if they will only take the time to get out and solicit subscriptions and renewals.

Prominent Richmond People

Dr. C. E. Smoot and Mr. Dan H. Brock, two of Richmond's most progressive and popular citizens were in Danville yesterday. Dr. Smoot met with a serious accident recently. When working on his automobile his hand became entangled with the mechanism and two fingers were crushed off. He is one of Richmond's leading physicians and surgeons, and the accident caused deep regret.—Danville Messenger.

A Family of Doctors.

A family reunion of the Pennington brothers was held in London this week, when four of the brothers all gathered here. They were Dr. E. B. Pennington, of Nashville, Tenn.; Dr. J. R. Pennington, of Richmond, Ky.; and Drs. H. V. and M. K. Pennington, of this place. Dr. P. A. Pennington, of Louisville, could not be present. The brothers are all either physicians or dentists, and all stand high in their profession. We doubt if a family can be found in this or another State which contains five doctors. All are splendid, good men who have honored their profession and who are yet young enough to make a greater mark in their chosen fields.—London Echo.

Newspaper Advertising Can Help Move Food Products

Many millions of dollars are spent annually for food products. Many millions more would be spent for specific brands if the manufacturers of those brands brought them to the attention of the housewives of the land through persistent newspaper advertising.

If manufacturers of all food products specialized in daily newspaper talks to their various publics, if they told the public something that was actually news, informative—something worth while, they would not only be spreading valuable knowledge, but they would be creating a steady and definite demand for their products.

How long will it take some of the food concerns to awaken to the truth of this? Quite a number of the "wiser ones are wise" on the subject and their business grows accordingly.

Come See them in our Windows

We have arranged for a Special Sale
On the celebrated Stearns & Foster Mattress and are offering this most Comfortable, Durable and Sanitary of all Mattresses, in selected patterns of the best qualities of Satin-finish, Dust-proof Tickings—WITHOUT EXTRA CHARGE.

Beware of so-called "Special Sales" on "Cotton-felt" or "Felt" Mattresses—said to be the "genuine kind" and offered at such ridiculously low prices as are sometimes seen displayed. You do not know WHAT sort of material has been hastily STUFFED into the ticking. From a Sanitary standpoint, it may be vile; unfit for any person to sleep upon. As for genuine Comfort and Durability, such Mattresses are utterly worthless. It don't pay to buy them.

Stearns & Foster Mattresses have a laced opening (Pat. applied for) through which you can see and examine the inside of the Mattress you GET. That's the safe way to buy a Mattress. You know what you are getting.

Stearns & Foster Mattresses are made of Clean, Sanitary Cotton; felted into hundreds of little webs forming many Springy, Buoyant layers standing nearly three feet high. These layers are then LAID BY HAND and compressed to ONE-SIXTH their original height and encased in the ticking; then tufted to just the proper tension so as to be Soft, yet Firm, half yielding to your figure, but supporting it in perfect relaxation.

"I never Knew a Mattress could be so Comfortable."
That's just what satisfied users of Stearns & Foster Mattresses are saying. You owe it to yourself to get one and enjoy rest that is Refreshing—Comfortable—Healthful.

You don't have to be put to the expense and inconvenience of sending a Stearns & Foster Mattress away to be "Made Over" or "Renovated." They never require it. An occasional Sun Bath keeps them fresh and clean.

Don't Fail to attend this Sale. Come today.
Select the Mattress you want—NOW. Don't put up longer with that old uncomfortable Mattress.
A Comfortable Night's Rest on a Stearns & Foster, Costs too Little.
