### Infirmity Benefit Concert.

The ladies of the Pattie A. Clay Infirmity Association who have made possible several musical treats in the past, announce another concert for August 5th at the Normal Chapel for the benefit of the infirmity. In this concert they will present Mr. J. A. Panther, Tenor, and Mrs. Panther, Pianist, for a classic and modern program of song and piano music. Mr. and Mrs. Panther are spending their vacation with Mrs. Panther's parents Mr. and Mrs. Joe Giunchigliani, and we are very fortunate in having an opportunity of hearing these two talented young musicians. Mrs. Panther who is well known to all of us as Edna Giunchigliani has been looked upon as one of the best musicians Richmond has ever developed. She spent four years at the College of Music in Cincinnati and finished her work there with high honors, being awarded the Springer Gold Medal, an honor bestowed only upon the most talented. We regret her loss from Richmond's musical colony but are glad to give her the opportunity of working in a larger field. Mr. Panther, tenor appeared here two years ago with the Lyric Quartet and made quite a favorable impression. He has been concertizing for the past four years through out Kentucky, Indiana and Ohio and is regarded as one of the best tenors in the middle west.

We predict a warm reception for these young people in their first joint recital before a Richmond audience. It is possible that a local singer of great ability will assist. Members of the Association will soon offer tickets for sale.

### Puzzled to Know.

Today we are printing ballots for the good ladies to vote in the Boyle county school election. We have been quite puzzled to know if they should be printed on the bias, hemstitched, whipped over or made with slit-skirt effect.—Louis Landrum in Danville Messenger.

### President Evans Dead.

The Climax is in receipt of the announcement of the death of Mr. Edward F. Evans, president of the Cincinnati Cordage & Paper Co. Mr. Evans was one of the oldest men in the paper and cordage business in the Queen City and one of the best. This office has been a patron of his house for many years and has always found it a most satisfactory one to deal with.

### Deaton Got Life Sentence.

D. Fletch Deaton, tried at Winchester for conspiracy in the murder of Ed Callahan in Breathitt county, was given a life sentence. A Madison jury, whose names were given in the last issue of the Climax, tried the case and rendered the verdict. This is the second life sentence that has been given the men who brought about the death of the former sheriff of Breathitt.

The U. S. army is now short at least 1,000 horses—a greater shortage than has ever existed. The War Department has already expended \$400,000 allowed by Congress March 4 last, and while another appropriation of \$175,000 was available July 1, at present prices not nearly enough horses can be had to meet the demand.

One of the greatest saddle ring shows ever made in Kentucky was that at the Mt. Sterling Fair Friday. Horsemen were there from everywhere and excitement ran high. Following were the winners: First, W. J. Shropshire, with Hazle Daune; second, Mat Cohen, with Mary Yandell Fox; third, Allie Jones; fourth, Pres Wray, with Whirlwind.

The largest steer ever handled by the Independent Packing Co., of St. Louis, was slaughtered there for John Caiffarata, proprietor of a restaurant. The animal weighed 2,900 pounds on foot, and dressed out more than 2,000 pounds. The steer was raised by Caiffarata on his farm in St. Louis county. It was three years old and at the market price it would have brought \$269 on the hoof.

I extend an invitation to every person who takes part in the Democratic primary to be held Saturday, August 2, to vote for me for the nomination for Sheriff. If I have not asked your support, consider this an invitation to vote for me. Elmer Deatherage. 84 St

### Public Speaking.

The Hon. A. L. Furgerson, of Georgetown, Scott county, vice-president and a member of the executive board of the Burley Tobacco Society and Company, will deliver an address to the members of the 1906-'07-'09 Pool on August 4th, Monday, county court day, at 1:30 p. m., at the court house in Richmond.

Mr. Furgerson will explain in detail the present financial condition of the society and company. This will be of vital interest to every tobacco grower, and especially to the poolers of 1909, who own the 10 per cent. stock in the Burley Tobacco Co. On this date your certificate of stock will be issued, provided you are at this meeting, and have with you your warehouse receipt; so do not fail to be at the meeting, bringing your receipt with you. There will also be a meeting of the Madison County Board of Control on the same date at 10 a. m., at the court house, in the grand jury room.

Please tell all the members of the pool and urge them to be present. The public is also cordially invited to be present to hear Mr. Furgerson. He is a brainy and logical speaker and a practical farmer. Every tobacco grower in the county should be interested in this meeting, as the future success of the Burley Tobacco Society and Company will to a great extent determine the price of your tobacco in the future.

Respectfully,  
Jesse Conn,  
Member Dist. E'd for Madison Co.

### Faulkner Kennedy Gets Pardon.

Faulkner Kennedy, of Lincoln county, who was out on parole, has been pardoned by Gov. McCreary. He was sentenced to the penitentiary for ten years for the part he took in the killing of man named Shupes, he and his brother having killed him some six or seven years ago. Since he was granted parole Kennedy has been living a useful life. He is in very bad health and it is doubtful if he could have withstood much longer the confinement of the penitentiary.

Stearns & Foster Mattresses are made of Clean, Sanitary Cotton; felted into hundreds of little webs forming many Springs, Buoyant layers standing nearly three feet high. These layers are then LAID BY HAND and compressed to ONE-SIXTH their original height and encased in the ticking; then tufted to just the proper tension so as to be Soft, yet Firm, half yielding to your figure, but supporting it in perfect relaxation.

You will say—  
"I never Knew a Mattress could be so Comfortable."

That's just what satisfied users of Stearns & Foster Mattresses are saying. You owe it to yourself to get one and enjoy rest that is Refreshing—Comfortable—Healthful.
