Estill's Republican Candidate For Judge.

In an affidavit published in the Irvine Tribune, John C. Todd, one of the candidates on the Republican ticket, in the late primary, says that David Newton, the nominee for county judge on that ticket, sought to induce him to violate his solemn obligation not to use money for other thing of value to procure votes. He was utterly astounded at the proposition, and concludes that such a man should not preside over the destinies of 14,000 people—a conclusion which if based on facts, there will hardly be one to gainsay.

Have Beautiful Hair Use Parisian Sage

If your hair is too dry, brittle, dull, thin, or if the scalp burns and itches, immediately begin the use of Parisian Sage. The first application removes the dandruff, cools and invigorates the scalp, and increases the beauty of the hair by making it soft—wavy—abundant.

Parisian Sage supplies hair needs. It is delicately perfumed—not sticky or greasy. Surely try a 50c bottle.

Winchester Notes.

Charles Hollin, charged with the murder of Lewis Brandenburg, was granted bail by Judge Benton at Winchester in the sum of \$5,000.

The Grand Jury adjourned Saturday after finding 37 indictments for felonies and 20 for misdemeanors. Among the indicted are Zack Conner, Jesse Spencer, Allen Rankin, John Sumpter and Policeman John Ballard, all on the charge of receiving a bribe in the recent primary, and Will Eubank, for placing a bet on the election. The jury says it was hampered by inability to secure witnesses in the election frauds. Some of these witnesses have left the county to evade service, some were reported not found, and it is doubtful whether there was much effort made to find them. The witnesses referred to are: Ott Stewart, Tom Tipton, A. Howard Hampton, W. C. Gaines, J. Stone Howard, Geo. Ballard, Henry Walters, H. Clay Owens and Charlie Curry.

The new railroad will be called the Rockcastle River Railway. It will be financed by the Bond Lumber Company, of Pennsylvania, and the Bond-Foley Lumber Co., of New York, interests which own 20,000 acres of virgin forest land in Jackson county.

HUSBAND RESCUED

DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

After four years of discouraging conditions, Mrs. Bullock gave up in despair. Her husband came to rescue her. She writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could not sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side. The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair. At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work. If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 30 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today."
