L. O. B. FLINT

The 1914 Buick B-25 is a car we're proud of. It's a car that has all kinds of "pep," a car that is good to look at, a car that rides easy, and a car that will take anybody anywhere he wants to go and bring him back again.

**Best Automobile Concern in the World Behind This Guarantee**

The Buick overhead valve motor is guaranteed to develop more power and to give more mileage per gallon of gasoline than any other motor of its size, either American or foreign make.

Every 1914 Buick is Delco self start. And the Delco starter starts. Everything is left side drive and center control. The motor is the same type of overhead valve to which has been large-attribute Buick success.

There are six pleasure car models this season, ranging in price from \$950 to \$1950, the last a six-cylinder touring car that has made and will make 17 1/2 miles per gallon of gasoline.

**The Passing of Mr. Cobb**  
A long, useful and exemplary life ended at 9:15 Thursday night when the spirit of Mr. Harvey Cobb was called to Him who gave it. Had Mr. Cobb lived till next February he would have been 88 years of age. It was from the effects of his great age that he died. For many years Mr. Cobb was one of Madison county's most prominent and active citizens, but for a long time he had been unable to go about. His wife preceded him to the tomb some three years, but four children—Messrs. J. Tevis Cobb and Charles Winney Cobb, of Richmond, and Mrs. W. H. Welch, of Louisville, and Silas Cobb, of Santiago, Cal., survive him. A daughter, Mrs. Eliza Hugsely, left three children—Mrs. M. R. Baxter, Mrs. R. P. McCord and Mr. D. Tevis Hugsely, deputy county clerk.  
Mr. Cobb was a conscientious member of the Methodist church and did much good by his example, faith and practice.  
After services at his late home at Red House, Saturday at 1 p. m., by Presiding Elder E. G. B. Mann, of Lexington, the remains will be brought to Richmond for interment, arriving about 3 o'clock.

**Back To The Soil.**  
Staland, the Eastern State Normal's splendid farm, was initiated last evening into its own possible joys. Again Eastern came forth with another unique experiment and these experiments are becoming both frequent and appreciated.  
The occasion was the first student reception of the year. But this time the President and Faculty entertained more than two hundred students with a husking-bee. The stiff-shirt was abandoned for the negligee and the evening dress was forsaken for a garment that could withstand both dust and wear in the field.  
At six thirty the great party walked eastward to Staland, chaperoned by almost every member of the faculty. After the mile walk they were directed by Professor Pullen, head of Agriculture, into the heart of activity, a large corn field, that lay into the moonlight with a touch of allurement—half work, half romance. With faculty supervision, the party, was soon a desperately hard-working, local force. The shocks were neat piles and the fodder was stacked in neat rows. At least it was so directed by man-in-charge and we believe he was obeyed. The moonlight revealed a picture of dear old past, where life had less frivolity and more of humanity, more of labor, and less of sham, more of equality and less of transient rank.  
At eight-thirty the faculty committee on social entertainments served as refreshments cider, ginger-bread, and apples. To this committee the Eastern community owes much. Very early in the evening march was made back from the soil to the mental toll. A number of Richmond friends accompanied East on.

Lambert is in charge of the singing.—Carlisle Advocate.

Rev. C. K. Marshall will preach at the Kavanaugh school house next Sunday afternoon at 2:30.

The revival at Paint Lick Presbyterian church, conducted by Rev. Sanford Logan, of Wilmore, has had over fifty additions. Preaching will continue over Sunday.

Dr. D. H. Scanlon returned yesterday from the Synod at Lebanon. The 1914 meeting will be held in Shelbyville. The meeting at Lebanon will end today.

**MARRIED**

At the residence of Rev. A. J. Tribble on the 16th, by that divine, Mr. Frank Stephens and Miss Helen Fritts were united in marriage.

Mr. Lindsay McCuddy, of Lexington, and Miss Lucy Wells, of the Valley View section, were married in this city on the 14th.

Mr. George Washington Tidale and Miss Rose Burton, both of Whites Station, were united in marriage at her residence on the 15th.

Mr. Jesse East, 30, of Lancaster, and Miss Bessie Long, 18, of Cottonburg, were married in the County Clerk's office on the 14th.

Dr. Thomas Wesley Stallings, of Texas, and Miss Lillie Buchanan Lawwell, of Garrard county, were united in marriage Wednesday at the home of the bride,

near Bryantsville.

Friends are in receipt of the following invitation: Mr. Charles Thomas Worthington invites you to be present at the marriage of his daughter, Theresa Gill, to Dr. Ernest Owsley Grant, on the evening of Wednesday, the fifth of November, Nineteen hundred and thirteen, at eight o'clock, Happy Valley, Blue Grass Road, Danville, Kentucky.

Miss Marry Oldham and Mr. James W. Deatherage were married on Wednesday afternoon, October 15, by the Rev. E. B. Baroes at his home on Lancaster avenue. Although the friends of both Miss Oldham and Mr. Deatherage had expected this event for some time, yet the date was not known, so after all it came as quite a surprise. Mr. and Mrs. Deatherage left at once for a short trip, after which they will be at the home of the bride's parents, Mr. and Mrs. T. M. Oldham, in the county. We are sure that no couple have ever married in this

county with more friends, and to them we extend heartfelt congratulations and very best wishes.

**Sends Message of Sympathy.**  
In session at Lebanon the body sent this dispatch to Dr. L. H. Blanton, who is ill at Danville:  
"Synd of Kentucky sends greetings and regrets your absence—the first in forty years—and prays that God will graciously give you His presence and blessings. Read Romans, 8:25."  
"David M. Sweets."  
Dr. Blanton is the father of Messrs. W. E. and Harry Blanton and of the late husband of Mrs. L. R. Blanton, of this city, where he used to live and has many friends.  
In 1912, 250,000,000 eggs, fresh and canned, were exported, bringing nearly \$1,500,000 in return. Imports increase but are far below exports, and the hen is prepared to do still better if spoken to kindly.
