The following is a grammatical sentence: A student was criticized by his teacher for the use of the word "that," but it was proved that that "that" that that student used was that "that" that that student should have used.—Cynthiana Democrat.

Judge Sullivan at Hospital.

Judge Jere A. Sullivan, of Richmond, is in Louisville for a few weeks under going treatment at St. Joseph's Infirmary. Judge Sullivan has been in bad health for a year or more, but his condition is showing much improvement, and his friends are hopeful that he will soon be his former self. Long a leader in the Democratic politics of the State, Judge Sullivan still takes an active interest in things political. He is an ardent supporter of Gov. James B. McCreary, his fellow-townsmen.—Louisville Times.

PERRY'S DRUG STORE.

Fine Showing.

A fine showing is made in the statement just issued by the W. T. B. Williams' Bank at Irvine, of which Mrs. Kate Clark Williams, well known here, is vice-president and a director. It has a capital of \$15,000 and a surplus of \$4,000, with individual deposits of \$200,000, while its loans and discounts to individuals and other banks aggregate over \$180,000. But few banks in the State have a more remarkable record of success and safe management than the Williams bank. It is thought to be the only bank in the State which has a woman vice-president and director.

How To Take Good Care of Your Hair.

Nothing spoils your good looks so much as homely hair—stringy, dull-colored, harsh. Nothing adds to good looks so much as beautiful hair—soft, silky, wavy and glossy. No matter how beautiful your hair is now, you can improve its good looks by using Harmony Hair Beautifier. If your hair is homely and ugly now, Harmony Hair Beautifier will make it softer, silkier, glossier, more beautiful in every way. It also makes it easier to put up and helps it to "stay put." Its rich rose odor hides the unpleasant, oily smell of the hair. Harmony Hair Beautifier is rightly named; it beautifies the hair.

Very easy to apply—simply sprinkle a little on your hair brush each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet smelling cleanliness.

Call in \$1,500,000 of State Warrants.

State Treasurer Thos. S. Rhea has called in outstanding warrants stamped as interest-bearing between date of Oct. 1, '12 and May 21, '13, inclusive. The interest on these warrants will stop on Dec. 22. The amount included in this call is approximately \$1,500,000. The Treasurer also will disburse approximately \$1,000,000 to the public schools this month.

The first of two installments of the December school fund apportionment was turned over to the city and country schools Thursday by the Treasurer. The total amount disbursed was \$492,440.31, of which \$400,438.62 goes to the rural and \$92,001.69 to the city schools. The disbursements of the school fund always runs a month behind during the fall, but in December when tax receipts come in, two disbursements are made, bringing the apportionment up to date before the end of the calendar year.

It is expected the sheriffs will cover into the treasury \$3,000,000 during December, three-sevenths of the State's entire revenue.

Gossips Wrecked a Happy Home.

The story of how small town gossip wrecked a happy home, told on the witness stand at Waukegan, Ill., by John Richardson, crippled husband of the woman who was ridden on a rail at Viola, near there, last summer, left the audience which crowded the small court room thoughtful and subdued. Six women were the defendants.

There were smiles when the husband, with his twisted limbs and the assistance of a stout stick, hobbled from the side of his pretty wife to the witness chair, but there were none when he had told his story.

It was a simple story of love and trust and loyalty; there was neither malice nor resentment in it.

"I don't know why they gossiped about my wife, unless it was because she was pretty," said the witness. "We were happy together. I thought that if she went away the gossip would stop, and I was going to borrow money so she could make the trip, when the women attacked her."

Who Can Beat This?

Ever since J. Coleman Neff, of Richmond, has been in the "chicken game," it has been his aim to breed as near the standard requirements as possible, and being convinced that the White Rocks are the best all-purpose fowls, he has for several years been breeding these birds exclusively. The following premiums show that he has not labored in vain and that his efforts have been rewarded in the way of premiums as few have been. Following is a list of recent winners: At the 1913 Richmond Show of the Kentucky Branch of the American Poultry Breeders Association, February last, first cock, 2d cock, 1st hen, 3d hen, 2d cockerel, 1st pullet, 4th pullet, 3d pen, White Plymouth Rock Club Special for the best cock, best hen and best pullet.

At the Blue Grass Fair, at Lexington: 1st cock, 2d cock, 3d cock, 2d hen, 1st cockerel, 1st pullet, 2d pullet; silver cup for highest number of points, all Rocks competing in the show.

At the Kentucky State Fair, at Louisville: 1st cock, 3d cock, 3d hen, 5th hen, 1st cockerel, 3d cockerel, 3d cockerel, 1st pullet, 5th pullet, 1st pen, \$10 in gold for best display.

At the Nicholasville K. of P. Fair: 1st cock, 2d cock, 1st hen, 2d hen, 1st cockerel, 1st pullet, 3d pullet, special premium for best female at the show.

At the Stanford Fair: 1st cock, 2d cock, 1st hen, 2d hen, 1st cockerel, 1st pullet, 2d pullet, 1st pen.

At the Tennessee State Fair, at Nashville: 4th cock, 1st cockerel, 4th cockerel, 2d pullet, 5th pullet, 3d pen. Only made six entries, and every bird received a ribbon.

At the Hopkinsville Show: 1st cock, 1st hen, 1st cockerel, 2d cockerel, 1st pullet, 1st pen.—Farmers Home Journal.

Milo Shanks a Prospective Congressman.

The subjoined article from the Waverly, N. Y., Free Press will be of interest to the many friends in this city and county of Milo Shanks, a native of Richmond and formerly editor of the Pantagraph, of this city:

While it is a little early to tell which way the cat is going to jump, so far as nominations for Congress are concerned, already there is talk of a new candidate in the field in this district. Conditions in the Republican ranks point strongly to Milo Shanks, of Elmira, as the next Congressman.

Mr. Shanks is at present the editor and owner of the Elmira Advertiser, of which paper he took charge five years ago. Mr. Shanks came to Elmira from Washington. His work in the capital city made him thoroughly familiar with the workings of the legislative bodies there and gave him a knowledge, not only of political conditions, but of what constitutes a statesman. Under his management the Advertiser, the leading Republican paper in this district, has greatly prospered, fully justifying the confidence placed in its editor by the leaders of his party. A short time ago he purchased the plant.

While Mr. Shanks has always been a Republican, his leanings are strictly Progressive. He was the leading spirit in the Fusion cause in the recent municipal election in Elmira, and helped to carry the allied non-partisan forces to victory against almost overwhelming odds. All parties concede him to be clean, broad-minded and four-square.

It is understood among those on the inside that neither Dwight nor Fassett will be in the running at the coming election. It is said that Dwight will devote himself to State affairs and confidently expects to place a Republican in the Governor's chair next fall. Republican leaders feel certain that the next Congressman from this district will be of their political faith, owing to the impetuous agitation against Tammany. Mr. Shanks seems entitled to the fruit of the plum tree, and it is whispered that his old Washington friends would welcome him in Congressional halls.

Neuritis Follows Crippled Nerves.

PAINFUL EFFECTS OF CHRONIC RHEUMATISM QUICKLY ROUTED BY RHEUMA.

If your nerves are all crippled from attacks of Rheumatism, Neuritis can easily get a strong hold on the nerves. This most painful disease is one of the hardest known to expel, but RHEUMA can reach it if given a chance. This testimony is positive proof:

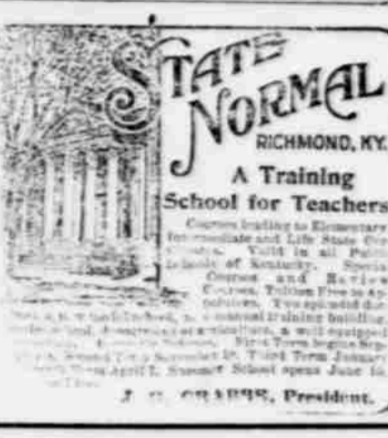

"Last March I was so crippled with Neuritis in my left limb I could walk scarcely at all. Tried all remedies I heard of and had two physicians. Nothing did me any good until I used RHEUMA; also used ENGLISH MARHU and NEURALGIC—\$2.00 worth of your medicine cured me."—Mrs. C. E. Hayes, Russell, Ky.

The Great Questions.

The currency bill is before the U. S. Senate. The American commission on farm finance will soon report to Congress. These two problems will be uppermost this winter.

By spring the United States will adopt a reformed system of credits, banking and currency that may stand for 50 years. We should all work together to see that this reform is carried out in a way that is just to all the people all the time; also that it provides means whereby farmers shall enjoy more cash, credits and co operation.
