### TEMPERANCE TOPICS.

"Ninety per cent. of the country's crime is caused by drunkenness and 99 per cent. of the country's drunkenness is caused by the practice of treating."—Judge Charles Goodnow, of Chicago.

The "wrong bottle" cost 118 lives in Chicago last year, but there is no record kept of how many lives the "right bottle" cost.

Being "dry" does not put a county in the pauper list, or being "wet" does not put it in the revenue producing list, even if the Model License League does attempt to make that impression.

All sale of intoxicating liquor on railroad trains in Missouri has been abolished by order of the railroad officials.

"It is a short-sighted statesmanship that would permit \$2,000,000,000 to be worse than wasted each year on the production of misery, vice and shame, in order that this government might obtain a revenue of \$230,000,000."—U. S. Senator Morris Sheppard, before the Judiciary Committee, Washington, April 1914.

The Court of Appeals has upheld the local option election held in Palaski in September. The county will now be in the "dry" list. The election went dry by a big vote, but the usual contest resulted. One by one the Kentucky towns are joining the dry list.

"Our customers are your prospective patients," was the plea made in a letter from the Kentucky Distillers' Distributing Co., to the Keeley Cure, at Dwight, Illinois.

Secretary Daniels has declared that in his recent order abolishing the wine mess in the navy, he had efficiency in mind chiefly. "The modern navy is a navy of machinery, and alcohol and machinery do not go together."

A million-dollar brewery in West Virginia, that must go out of business as such, July 1, is being turned into a great packing house.

Prof. Lang, of Vienna, says: "Parents who are saturated with alcohol poison their children in the germ. It anyone doubts this, let him come with me to Kierling. There in the hospitals you will see children who will make your heart ache; deafness, blindness, deformities, nervous convulsions, feeble-mindedness, idiocy, 50 per cent. of which is due to parental alcoholism."

During the 33 years of prohibition in Kansas, the illiteracy of her people has been reduced from 49 to 2 per cent.

In the 105 counties of that State, 37 have no insane, 51 have no feeble-minded, 96 have no inebriates. There is on only one pauper to every 3,000 population, and there are 38 county poor farms that have no inmates.

Gov. Hodges, of that State, recently declared "Kansas leads in the fight against the liquor traffic, and will be the first State to conquer in the Amendment for National Prohibition. As executive or our great commonwealth, I hope to have the happy privilege accorded me of calling our Legislature together for such a humane purpose, during my tenure of office. Such an official act will meet the approval of 80 per cent. of the citizens of Kansas. It will be the most popular legislative action ever enacted, with the exception of the Act of '79, which made Kansas one of the first States to prohibit the manufacture and sale of alcoholic beverages within its limits."

### Land, Stock, Crop.

(Continued in Section 2.)

Will Matheny, of Stanford, sold 27 210-pound hogs at \$1-14.

Jones & Cross, of Lincoln, bought 60 head of 200 pound hogs at 8c.

One produce man in Lawrenceburg bought 2,710 roosters on "Rooster Day."

B. D. Holtzclaw, of Lincoln county, sold a bunch of hogs averaging 150 lbs. at 8c.

J. M. Evans shipped to Cincinnati on Saturday a car of hogs, for which he received 7 1-4c.

One stock trader has bought about 4,000 lambs in Anderson and Mercer counties at 6 1-2c.

L. S. Hamilton, of Winchester Ky., sold a pair of young mules to J. D. Marshall for \$125.

W. N. Rogers, of Lancaster, bought a mare mule of Wm. Arubuckle, of Kirksville, for \$200.

Robt. Knox Tarkington, of Boyle county, bought a fine mule colt of W. T. Robinson for \$120.

Not a single mule was offered for sale at Glasgow county court day, and only one horse was sold.

In Boyle county the best mule colts are selling at \$100 to \$125 and there are not enough to supply the demand.

D. M. Anderson, of Garrard county, sold his crop of lambs from 120 ewes to V. A. Lear, of Lancaster, at 7 1-2c.

Chas. Faulkner, of Winchester, sold to Fletcher Mann, of Paris, a pair of mules weighing 2,330 pounds at 20c a pound.

Top prices on hogs on the Chicago market last week was 8.35 against 8.62-1-2 the previous week and 8.85 a year ago.

Wm. T. Jones, of Lincoln county, purchased from Garrard county parties 119 hogs, which averaged 180 pounds, at 8c per lb.

P. B. Pendleton, near Pembroke, reports 17 pounds of wool from one ewe, a cross between a Cotswold and a Shropshire.

John T. Veatch bought 40,000 pounds of wool in Woodford and Mercer counties, for which he paid 23 to 25c, according to quality.

G. B. Swinebroad, of Lancaster, purchased an extra good pair of 8-year-old mare mules from R. A. Lawrence, of Lincoln county, for \$350.

You cannot keep a mule's neck in good condition with a quilted pad or those made of sheep skin. A piece of thick leather, free from wrinkles, is better.

E. F. Spears & Sons, of Paris, bought of C. C. Clarke, of near North Middletown, 16,000 bushels of blue-grass seed at 32c per bushel, to be delivered August 1st.

Farmers throughout the Burley belt are jubilant over the prospects for a good tobacco crop since the rains. The setting out of plants was greatly delayed by the drouth.

In Kansas City, one of the largest markets in this country, 30,000 mules were sold last year at an average price of \$80. A team of show mules brought \$1,000 and a suckling colt sold for \$250.

From all reports and from what men like Cohen, Harbison, Doty and others say, another great horse is coming into the limelight—Kentucky's Ideal, by Bourbon King. He is said to be a wonder and the greatest 2-year-old seen in this State for years.

### HOW CHILDREN GROW

Children grow by nourishment—not overloaded stomachs or rich foods but qualities that are readily converted into life-sustaining blood; too often their digestive powers cannot procure these qualities from ordinary foods which results in weakness, dullness and sickness.

If your children are under-size, underweight, catch cold easily, are languid, backward, pale or frail, give them Scott's Emulsion which is pure medicinal nourishment. It sharpens the appetite, builds healthy flesh, firm muscles and active brains. Scott's is growing-fool or children. Refuse alcoholic substitutes.

### Big Salaries.

A brother editor says: "It is not generally known that Christy Mathewson, the base ball player, receives a bigger hourly salary than either President Wilson or Secretary Bryan. Mathewson's hourly salary is \$186.50 for 80 hours during the baseball season. Johnson, another ball player, gets \$156.50 an hour, while President Wilson receives \$30 an hour and Gary, of Steel Trust fame, gets \$40 for every 60 minutes of time he puts in. Wilson puts in 2,501 hours, so do's Gary, Bryan and Speaker Clark, the latter receiving \$480 an hour, while the writer of this article can barely make connection with the next meal."

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.
