

DESTRUCTIVE FLOODS.

Chippewa Falls, Wisconsin, Victim of Floods Caused By Ice Gorge.

MANY DRIVEN FROM HOME.

No Hope of Breaking the Gorge or Staying the Flood.

AWAITING THE OUTCOME IN PANIC.

Chippewa Falls, Wis., Dec. 2.—This has been a day of excitement and anxiety and finds the inhabitants of this little village in a state bordering on panic.

All hope of breaking the gorge and thus allowing the pent-up waters to gradually subside is now abandoned.

Every team in the city has been engaged in this work. Every resident and business firm of River street has moved out.

A report from Little Falls was brought in yesterday that another gorge was forming thirty miles above here, and this greatly added to the alarm.

Reports of a very serious nature came from down the river. The country everywhere is flooded. The gorge continues to grow in extent.

It is now five miles long and in many places thirty to fifty feet high.

JUDGE BREATHTT

Will Be Renominated For Judge in the Third Judicial District.

Judge W. B. Key For Attorney.

A well known Republican of Calloway county was in the city this morning, and to a representative of the SCS he said:

'The Republicans of the Third Judicial district will renominate Judge James Breathitt, of Hopkinsville, for circuit judge, and will nominate Judge W. B. Key, of Murray, for commonwealth's attorney.'

'Why, Judge Key is a Populist, is he not?' interposed the reporter.

'Judge Key,' he continued, 'has never taken an active part in politics. He is recognized as one of the ablest lawyers in the district. He is, however, a Populist. He has twice been elected sheriff of Calloway county and he filled the office of county judge two terms. The county never had a better officer. You may say that the Republicans of the district are unanimously for him, and if he will consent to make the race he will be an easy winner.'

This exception is most important for it concerns the treatment of the Cuban question.

Mr. Jerry M. Porter, of Paducah, who took quite a hand in the Republican scramble for United States senator last winter, passed through Frankfort to his home.

Mr. Porter, while in Frankfort, had a long interview with Gov. Bradley. He declined to say last night whether the governor had or had not intimated to him his intention to call an extra session. He admitted, however, that the purpose of the Republican leaders was to elect a Republican sound money United States senator.

It is well known Mr. Porter does not consider Dr. W. G. Giffey Hunter a sound money republican and that therefore, he does not think he should be elected.
