Hill Bros.' pants factory will begin operations to-morrow or Wednesday. The members of this firm have been here a week, with everything ready to begin work, but have been delayed in starting up by the failure of the contractors to have the rooms on the third floor of the White building ready. The pants factory will employ about thirty girls and women at the start, and will increase their force as may be found necessary.

The establishment of this enterprise here may bring another factory to Maysville. It was learned that a firm engaged in making coats at Cincinnati contemplate moving to Maysville. WHEN BUYING A

Suitor Overcoat

For yourself or boy you naturally want the best for the least money. The best goods are always the cheapest, and as we buy and carry in stock more clothing than all the other stores in Maysville combined, our large purchases give us advantages that enable us to give you the best of merchandise at no higher cost than you would probably pay for lower graded clothes elsewhere. A word about the "fits" we give you. Perfect fitting garments are desired by every one, whether he pays \$10 or \$25 for a Suit or an Overcoat. Now "there" is a thing we are more particular about than the majority of our customers. We just won't let a garment go out of our house unless we are pleased with the fit. "You" need not look for imperfections. "We do," and correct them before you take the clothes home.

We want to call your attention to our line of the Manhattan new fall Shirts. They are great and you will agree with us when you see them.

We want you to take a glance at the Stein-Block Cravenette Coat specially made for us. People who know say it's the handsomest garment they ever looked at. This coat is used both for overcoat and rain coat.

If you are going hunting this season buy a pair of our Milford High Top Shoes, they are strictly (guaranteed) waterproof. They sell everywhere for \$6. We sell ours for \$5.
