

# THE BEE HIVE

WEDNESDAY, FEBRUARY 3, 1904, OUR SPRING  
OPENING OF

## DRESS GOODS

It's the greatest line ever brought to Maysville. Impossible for us to describe them all. We have always outdone every one on dress goods. This spring we have outdone ourselves. Call and let us show you through. See center window for display.

## GINGHAMS

Ten cents per yard all over the country—were 10c. when cotton was 5c. a pound, is still 10c. when cotton is 17c. a pound. Every dry goods store, whether large or small, whether in a city, town or country, sell 10c. Gingham. There is only one point you gain by buying them here—that's style. We are the largest buyers in this section; we get first choice. We are the largest store here; you get best choice. A few of the many designs—east window.

## MERZ BROS

And we give you Globe Stamps, too—Six presents redeemed Saturday.

### DISCIPLINING SOLDIERS.

Several Members of the Maysville Company of State Guards Charged With Infractions of the Rules.

Lieutenant Colonel Samuel Morrow of the Kentucky State Guards has been in Maysville this week conducting a trial of several members of the local company for infractions of the military rules. The accused are charged with absence from drill and wearing their uniform while not on duty. Several will probably have to pay the penalty for these infractions, but the result of the court martial will not be made public until approved by the Governor.

The inquiry will continue a few days longer. A wagon-load of the country members of the company were brought in Wednesday. The boys are finding out that it is not altogether a "pic-nic" to belong to the State Guards.

### ADDRESS TO FARMERS.

Tobacco Growers of Mason and Surrounding Counties Urged to Make Exhibits at Coming Fair.

We have endeavored to so conduct the tobacco fairs in the past as to be entitled to your confidence for all future exhibitions. So far as it is possible, no one shall receive anything but justice in awarding any of the premiums. We think the importance of the fair will justify us in expecting the support of every citizen, not only of Mason, but of all of the counties of this section of Kentucky. At least let me beg that every farmer in the county of Mason evidence his interest by bringing samples to the court house Friday, February 19th, or Saturday, February 20th.

THE BOARD OF TRADE,  
By John Duley, President.

His eldest daughter will graduate from the Maysville High School in the spring, and it is due to that fact that he has retained his residence there."

### FROM EVERY SECTION

World's Fair Exhibits Already Arranged For From 103 of the 119 Counties in the State.

Since the Kentucky Exhibit Association has succeeded in raising the full amount, \$100,000, for giving Kentucky representation at the Louisiana Purchase Exposition, its entire efforts henceforth are to be directed towards the gathering of exhibits from every county in the State. It has arranged for displays from all but sixteen counties. Committees are now at work in these sixteen counties, and it is evident that before the World's Fair opens on April 30th every county in the State will have representation.

The association is hoping that this representation will be adequate. It wants to give to every county space sufficient for an attractive display of its products and resources, believing that great good will result from such exhibits. The association has committees at work in every county and urges citizens generally to come forward at once with any exhibits they may think worthy space at the exposition, turning them over either to the World's Fair Committee or sending them direct to the Kentucky Exhibit Association at Louisville.

In addition to the exhibits to be made in the Kentucky Building, which structure is about completed, the association has been allotted from 1,000 to 7,000 square feet in the main exhibit palaces in which to make creditable displays of Kentucky's products and resources. It behooves the citizens of our county to come forward with everything that would interest an exposition visitor. No time is to be lost, as all exhibits should be in Louisville not later than April 1st—the sooner the better.

According to reports that have reached M. F. Johnson, of Fern Creek, the President of the Kentucky State Horticultural Society, the State never had a more flattering prospect at this time of the year for a fine crop of fruit than it now has. Mr. Johnson, who is also Chairman of the Horticultural Committee of the Kentucky Exhibit Association, is taking advantage of this flattering prospect to arrange for a fresh fruit exhibit at the Louisiana Purchase Exposition for the entire World's Fair period after fruit begins to ripen. The exhibit will be opened promptly on April 30th, with cold storage fruit, 100 barrels of apples and pears having been stored during the last fall. Mr. Johnson has just issued a circular to fruit growers and persons interested in the exhibit in every county in the State, asking that an organization be perfected at once, so every county may be given representation in the fresh fruit display. After organizations are perfected minute instructions are to be issued. All shipping charges are to be paid by the Kentucky Exhibit Association.

Born, to Mr. and Mrs. William Lingenfelter, of the Fleming pike, a thirteen-pound son.
