

W. P. WALTON.

DEMOCRATIC TICKET.

For County Judge, THOMAS W. VARNON; County Attorney, JOSEPH B. PAXTON; County Clerk, GEORGE B. COOPER; Sheriff, J. N. MENEFEE; Assessor, SAMUEL M. OWENS; Auditor, E. D. KENNEDY; Supt. of Common Schools, W. F. McCLARY; Surveyor, HARRY A. EVANS; Coroner, ARCH CARSON.

THE death of Henry W. Grady, the gifted editor and orator, is a serious blow to the South, of which he was so fond a lover and so gallant a defender. As editor of the Atlanta Constitution he wielded a vast influence and his utterances as an orator invariably commanded universal attention and respect.

On our first page will be found the full text of an act entitled the Law of Libel, which was adopted at the last meeting of the Kentucky Press Association and ordered to be presented to the Legislature, with the request that it be made the law.

THE Georgetown Times is 23 years old. It was started by its present owner and editor, Hon. John A. Bell, who has been in charge of it the entire time.

It is with deep regret that we chronicle the death of John H. Woodcock, of Lancaster. A gentler, purer, lovelier spirit never inhabited human body, nor was man more beloved than he by all who knew him.

JUDGE FINLEY was pretty badly turned down by Speaker Reed, who does not measure the mountain statesman with the tape line that he uses for himself and which some of his admirers affect to use.

COLLECTOR SCOTT, of the Louisville district, is not enjoying the holiday season to any great extent. Most of his bondsmen have asked to be released on the grounds that he is incompetent for the duties of the office and has no regard for a promise whatever.

THE directors of the L. & N. Co. have presented the widow of Conductor Lemon, who was murdered in discharge of his duty, with 20 shares of stock in the road, valued at over \$2,000, made up by their individual contributions.

SENATOR BECK seems to be losing his mind as well as his health. His gush over Senator Allison, of Iowa, whom he lauds to the skies, and says his State would disgrace itself by not returning him to the Senate, is especially senile when we consider how bitter and ultra are his protective ideas.

THE Clarksville, Tenn., Progress omitted them all. It issued a 16-page, 7-column paper, teeming with advertisements and good things. Loving Gaines has evidently got a gold mine.

THE dailies are loaded down as usual with accounts of killings, accidents and deaths. It is always so at this time of the year, when peace on earth, good will to men should prevail.

Under the head "Caught with a Kodak," our Gov. Jim Givens is thus photographed in the Louisville Critic: "A face as broad as a barn door and a mind as deep as one of his own natural gas wells. The kindest, gentlest, oiliest, most unsuspecting smile; had Bret Harte met it sooner his immortal poem would have been addressed to 'Ah Jim' instead of 'Ah Sin.'" A laugh that betrays his round body and that gurgles and reverberates like old wine reluctantly leaving a bottle.

Begg's Cherry Cough Syrup is giving splendid satisfaction to the trade and the sales are positively marvelous, which can be accounted for in no other way, except that it is without doubt the best on the market.

James T. Gott, Carmi, Ill., Says: He paid thirty-one dollars doctor's bill for his wife in one year and one bottle of Bradford's Female Regulator did her more good than all the medicine she had taken before.

Dr. Acker's English Pills Are active, effective and pure. For sick headache, disordered stomach, loss of appetite, bad complexion and biliousness, they have never been equaled either in America or abroad.

—Do not Suffer any Longer. Knowing that a cough can be checked in a day and the first stages of consumption broken in a week, we hereby guarantee Dr. Acker's English Cough Remedy, and will refund the money to all who buy, take it as per directions, and do not find our statement correct.

Our Very Best People Confirm our statement when we say that Dr. Acker's English Remedy is in every way superior to any and all other preparations for the throat and lungs.

The First Symptoms of Death. Tired feeling, dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores are all positive evidence of poisoned blood.

That Terrible Cough. In the morning, burned or difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chilliness in the evening or sweats at night all or any of these things are the first stages of consumption.
