

## FRANKFORT ROUNDABOUT

FRANKFORT, SEPT. 5, 1891.

### A Quiet Wedding.

Mr. Hal S. Corbett, of Pineville, son of ex-Register Thos. H. Corbett, and Miss Mollie Gardner, of Paducah, were quietly married at the Gault House, Louisville, Wednesday evening.

### Splendid Potatoes.

Mr. August Mauer brought to town on Monday five potatoes dug from one hill, which averaged eight inches in length and weighed eight pounds and a half. They were raised upon the farm of Mr. L. J. Cox, near Stedmantown.

### To Grand Lodge, K. of P.

The Queen & Crescent Route and Louisville Southern Railroad have granted reduced rates on the certificate plan, account Grand Lodge K. of P. at Louisville, Ky., September 15 to 18. Full information on application to agents as above.

### Getting Places.

Mr. Frank Richardson, of Christian county, is the new Assistant Adjutant General.

Maj. J. Alex. Grant, of this city, and Mr. Thomas H. Bullock have been appointed clerks in the Land office by Register Swango.

Mr. P. P. Manion, of Henderson, has been appointed an aid to Gov. Brown, with the rank of Colonel.

### A Cure for Paralysis.

Frank Cornelius, of Purcell, Ind. Ter., says: "I induced Mr. Pinson, whose wife had paralysis in the face, to buy a bottle of Chamberlain's Pain Balm. To their great surprise, before the bottle had all been used she was a great deal better. Her face had been drawn to one side; but the Pain Balm relieved all pain and soreness, and the mouth assumed its natural shape." It is also a certain cure for rheumatism, lame back, sprains, swellings and lameness. 50 cent bottles for sale by J. W. Gayle. 52-1m.

### Candidate for Door-keeper.

Mr. J. W. Lee, of Fleming county, is announced as a candidate for door-keeper of the next House of Representatives. He is a clever, affable gentleman, who will discharge the duties of the position faithfully, and comes from a section which has received few favors of the kind from the Legislature in late years. He was in the city on Tuesday making the acquaintance of the Members who were here.

### The North End School.

Mr. Jasper Dalton has been elected as teacher of the public school recently established on the corner of Mero and Washington streets, and the school will be opened on Monday. Every child in that section of the city, who has not been attending school heretofore, should be on hand Monday morning ready to enter a class. The parents of the little ones who have been running wild in the streets of that section should see that their children not only start in with the session but that they attend regularly during the year.

### Confirmed.

The favorable impression produced on the first appearance of the agreeable liquid fruit remedy, Syrup of Figs, a few years ago has been more than confirmed by the experience of all who have used it, and the success of the proprietors and manufacturers, the California Fig Syrup Company. 52-1m.

### Schools Open Monday.

The City Schools will open on Monday and the little ones will be gathered in for another ten months of instruction. There have been some changes in the teachers of the schools and parents should remember that teacher and pupil must become thoroughly acquainted before they can understand each other so as to get along smoothly, and should wait until the term is well underway before they begin to criticize and complain. When they feel like complaining the best thing to do is to go to the school, see how everything is running, whether they are correct in their supposition, and then if they are not satisfied let them lay their complaint before the

Superintendent or School Board and they will be given a patient hearing, if their cause is just. Every citizen of Frankfort should be proud of our public schools and there should be an end to the adverse criticism of the management of the same upon the part of persons who never go into the school building and know nothing of what takes place there except from hearsay.

Capt. W. A. Abbott, who has long been with Messrs. Percival & Hatton, Real Estate and Insurance Brokers, Des Moines, Iowa, and is one of the best known and most respected business men in that city, says: "I can testify to the good qualities of Chamberlain's Cough Remedy. Having used it in my family for the past eight years, I can safely say it has no equal for either colds or croup." 50 cent bottles for sale by J. W. Gayle. 52-1m.

### A Runaway.

Wednesday afternoon Mr. Harry Rodman was driving up Ann street in a buggy, and when near the City Mills his horse became frightened at some object, started off at a rapid pace and dashed around the corner into Broadway. The buggy was whirled around the corner so fast that Mr. Rodman was thrown out, but fortunately not hurt much, and the horse ran down Broadway to the corner of Washington, where the buggy struck a tree, breaking the cross-bar of the shafts, dishing one of the wheels and freeing the horse. He ran a short distance, stopped and looked around as if to see what damage he had done.

### Gallant Rufus Choate.

On a pretty girl saying to Rufus Choate, "I am very sad-you-see," he replied, "Oh, no; you belong to the old Jewish sect; you are very fair-isee!"

Nothing adds so much to the beauty of a fair girl, as a clear, bright, healthy complexion, and to secure this pure blood is indispensable. So many of the so-called blood-purifiers sold to improve a rough, pimply, muddy skin, only drive the scrofulous humors from the surface to some internal vital organ, and disease and death is the inevitable result. On the contrary, Dr. Pierce's Golden Medical Discovery strikes directly at the root of the evil, by driving the impurities entirely out of the system, and with a fresh stream of pure blood flowing through the veins, nothing but the softest and fairest of complexions can result.

### Returned From His Cruise.

Lieutenant Commander C. C. Todd, U. S. N., returned Monday from three years afloat, is now visiting his mother-in-law in Fayette county, and was in the city Tuesday. During part of the time he was at sea he was the executive officer of the Charleston, and was upon her during the chase after the Chilean steamer Itata, and when that craft surrendered he brought her to San Francisco. While the Charleston was lying in the harbor of Iquique watching the Itata, Lieut. Todd witnessed the bombardment of the place by the Chilean insurgent fleet. He looks in splendid health, though not so fleshy as when last at home.

### They Regret to Lose Him.

Mr. W. W. Alexander, the new agent of the L. & N. Railroad, took charge of the office here on Tuesday. He is very highly spoken of by all the people of Hopkinsville, his former home, with whom he is very popular, and we are assured that he will not be long in making friends of all those of our people who may have business with his office.

The following notices are from the Hopkinsville papers of last week:

It will be with feelings of regret that the people of Hopkinsville learn that Mr. W. W. Alexander, for so many years station agent for the Louisville & Nashville Railroad at this place, will leave here shortly to succeed Mr. Bryan as agent at Frankfort. This is a promotion that will please Mr. Alexander's many friends, much as they regret losing him. Mr. Bryan goes to Louisville to act as Superintendent of Terminal Facilities. Mr. J. L. Teft, at present agent at Nortonville, will succeed Mr. Alexander as agent here. The above changes will go into effect on the 1st of September.—New Era.

A series of changes among the agents or agencies of the Louisville & Nashville Railroad has taken place, that will be learned with regret by Hopkinsville people, as Mr. W. W. Alexander, agent in this city, who is so deservedly popular with all, will be removed from here to Frankfort, where he goes to succeed E. P. Bryan as station agent. This is a deserved promotion that will meet with the approval of all of Mr. Alexander's friends, much as they will regret to lose him.—Kentuckian.
