## CIRCUIT COURT.

Judge Cantrill Jails John T. Johnson and Charles P. Owens for Contempt.

The Jury in the \$20,000 Powell Damage Case Find for the L. & N. Railroad.

### PROCEEDINGS OF THE WEEK.

Isaac Petry, colored, for forging the name of Reuben Brown to a five dollar check, was awarded three years in the penitentiary.

Will Thompson, colored, for stealing some fine handkerchiefs and jewelry from the residence of Col. Chas. E. Hoge, was given one year in the penitentiary.

The jury in the \$20,000 case of Alfred Powell, &c. vs. L. & N. Railroad for damages sustained by the wife of the plaintiff in falling from the cars at the depot in this city, last January, returned a verdict Saturday for the defendant.

The case of Chas. P. Owens, for shooting at John T. Johnson a year ago with intent to kill and wounding Johnson. Judge W. L. Jett and Anthony Leitch, was in progress Saturday when Owens refused to answer a question put to him by the Commonwealth's Attorney. The court admonished Owens as to the necessity to answer and when he again declined the Judge fined him \$10 and ordered him sent to jail.

Monday afternoon the jury brought in a verdict of not guilty.

The Judge also interrogated Johnson as to why he had come into the court-room with a concealed weapon on his person and failing to give a satisfactory answer he too was ordered to jail.

The case against Wm. Minor for murder, was set for the second day of the September term.

Senator J. S. Wortham, Messrs. W. H. Marriott, D. C. Hay and David R. Murray were admitted to practice as attorneys in the court.

A. C. Long vs. Wm. Davis, &c.; judgment by default for plaintiff against Wm. Davis and Louis Green for possession of property.

Anderson Smith vs. Henry Quincy; judgment for plaintiff.

The best part of the week was taken up with the trial of the case of the Commonwealth vs. C. M. Fraize and the sureties on his bond. Fraize is the Circuit Clerk of Hardin county and at periods during his absence Charles Moore conducted the office and certified numerous false witness claims to the State Auditor amounting to about \$5,500. Moore was sent to the penitentiary and suit instituted as related against Fraize and his sureties for the recovery of the money thus fraudulently obtained from the State. The jury rendered a verdict Thursday afternoon for a little more than \$4,800.

The court also had up for consideration the recent action of the city council in granting the L. & N. and K. M. railroads the right of way along Governor's alley to Miles & Sons elevator. The Court of Appeals having passed upon this right and the Franklin Circuit Court having entered an order for a perpetual injunction against such grant, Judge Cantrill, when Attorney General Hendrick filed a notice of the council's proceeding, held that the council had shown a contempt for the court and that it would be given another day in which to rescind its

action and purge itself of the contempt.

City Attorney Herndon answered for the council that the adoption of the new Constitution and corporation laws changed the condition of the points of law raised under the first grant and he thought that the city could now pass such an ordinance. Judge Cantrill, however, differed with the City Attorney and the matter was appealed at the city's expense, and will have to find its final settlement again in the Court of Appeals.

The Mason & Foard Company cases were by agreement transferred to equity and will now be settled by the commissioner, who will take the actual condition of the accounts between the State and the lessees of the penitentiary.

New Enterprise Tobacco Warehouse vs. B. F. Heaton—judgment for plaintiff for \$1,254. The court adjourned for the term yesterday afternoon.

### Top Drawer.

PARDONED—The Governor on Tuesday pardoned John T. Johnson of the jail portion of the judgment of the court against him for carrying concealed a deadly weapon.

A COMPLIMENT—Alluding to the relay bicycle ride from Springfield, Illinois, to this city next month by which it is proposed to deliver a message from the Governor of Illinois to the Governor of Kentucky within thirty hours, the Sunday Truth, of Louisville, says: "The men of Frankfort are vigorously protesting against being left out on the relay ride. They want the Frankfort end, but Meglemery has already appoint-

ed Jeffries and Rubey as the messengers to take that relay. It seems just, however, that the Frankfort wheelmen should at least share the honor with Louisville of handing the message to His Excellency, Governor Brown, and if they have a man there speedy enough to pace with Jeffries, he ought to be appointed, and one of the Louisville men could perform an act of courtesy by retiring in his favor.

"John Selbert, of Frankfort, would be a good man on the relay corps, and could support the reputation of all concerned."

FELL INTO THE RIVER—Mrs. Addie Jane McCrane, on Monday, while crossing to Bellepoint in a boat, fell into the river and was rescued by friends who witnessed the accident.

FORFEITED ITS RIGHTS.—The Citizens' Co-operative Electric Light Company, by reason of its failure to erect its poles and wires and put in a plant by the 26th of April, as provided in the ordinance granting the privileges, forfeited its rights last Wednesday. R. A. VANDERVEER—The Allen-Bradley Company, of this city, has engaged the services of Richard A. Vanderveer. He is at present assisting in the adjustment of the losses by the recent fire at Louisville, but later he will probably enter the office as one of the regular clerks of the establishment. Mr. Vanderveer is a bright young man and a competent clerk, who has a large circle of friends to rejoice over his good fortune.

BITTEN BY A DOG.—Tuesday young Price Taylor was bitten by a dog belonging to Mr. L. F. Compton, but, aside from the flesh wound, it is not thought that any bad results will attend the injury.

She will remove to Cincinnati with her mother. Mr. Charles Newton, of this city, was on Thursday appointed to the position, and as he has a splendid record with the company, both for efficiency and the natural disposition that wins friends and pleases patrons, his selection was a splendid one, and will prove highly satisfactory to every one who has business with the office in the future.

IMPROVEMENT—The spirit of improvement and progress which is now making itself felt in the city, in both public and individual property will soon manifest itself in a new story added to Dr. W. H. Averill's present two story brick drug store. Mr. Spencer Cryer has received the contract for the work which, when completed, will give Dr. Averill one of the handsomest business houses in the city.

## PURE WATER

To YOU who want pure water:

When the FIRST SOLDIERS of the late war were camped in South Frankfort they emptied our cistern and we were obliged to use RIVER WATER, which was then EXTREMELY BAD, the river being very low. A friend sent us a "Kedzie Water Filter," which PERFECTLY PURIFIED THAT RIVER WATER, and from that day to this we have CONSTANTLY USED a "Kedzie Water Filter," having only required three in about 30 years. The size I use will supply PURE WATER FOR COOKING, DRINKING and WASHING. THE BEST PRECAUTION TO ESCAPE CHOLERA, TYPHOID FEVER, DYSENTERY AND DISEASES CAUSED BY IMPURE WATER IS TO PROVIDE FOR PURE WATER IN YOUR FAMILY.

THE SMALL PRICE of this Filter will astonish you. For price and other information, inquire of me.
