CHIROPRACTIC TALKS No. 5

When The Child is Sick

Who has not felt the pull at the heart-string when the little one's cries of distress and pain rent the home? We do what we can to bring relief. Often there is much guess work—and local treatment is given for temporary comfort.

But to bring permanent relief we should go back of the effect and strike at the cause and invariably it is found in the spine. Thousands of children needlessly suffer from spinal defects which press on the nerves that supply life energy to some part of the body. It is this pressure that is the cause of ailment now and in later years.

Parents who exercise forethought in preparing their children for an abundant, healthy future, will have the young and growing spines examined regularly by a competent Chiropractor. If any spinal defect is found, don't hope for the child to outgrow it, because it invariably becomes worse; but have the defect corrected in time and save much future trouble.

CHIROPRACTIC

THE BETTER WAY TO HEALTH

is wonderfully efficient in children's cases. Many weak, puny and undeveloped children have been brought back to health and strength through the aid of Chiropractic (ki-ro-prak-tic) spinal adjustments. Investigate Chiropractic and you'll immediately recognize its merits.

TERRIBLY SWOLLEN

Suffering Described As Torture
Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of
this place, writes: "My husband is an
engineer, and once while lifting, he in-
jured himself with a piece of heavy ma-
chinery, across the abdomen. He was
so sore he could not bear to press on
himself at all, on chest or abdomen. He
weighed 165 lbs., and fell off until he
weighed 110 lbs., in two weeks.

He became constipated and it looked
like he would die. We had three different
doctors, yet with all their medicine, his
bowels failed to act. He would turn up
a ten-cent bottle of castor oil, and drink
it two or three days in succession. He
did this yet without result. We became
desperate, he suffered so. He was swol-
len terribly. He told me his suffering
could only be described as torture.

I sent and bought Theodor's Black-
Draught. I made him take a big dose,
and when it began to act he fainted, he
was in such misery, but he got relief and
began to mend at once. He got well,
and we both feel he owes his life to
Theodor's Black-Draught."

DO IT NOW

Maysville People Should Not Wait
Until It Is Too Late.

The appalling death-rate from kid-
ney disease is due in most cases to
the fact that the little kidney troubles
are usually neglected until they be-
come serious. The slight symptoms
often give place to chronic disorders
and the sufferer may slip gradually
into some serious form of kidney com-
plaint.

If you suffer from backache, head-
aches, dizzy spells; if the kidney se-
cretions are irregular of passage and
unnatural in appearance, do not de-
lay. Help the kidneys at once.

Doan's Kidney Pills are especially
for kidney disorders—they act where
others fail. Over one hundred thou-
sand people have recommended them.
Here is one of many cases in this
vicinity.

Jas. M. Newton, Gum, St. Aberdeen,
Ohio, says: "I have used Doan's Kid-
ney Pills off and on for several years
and have been greatly benefited.
Whenever my back has been weak or
when my kidneys have been too fre-
quent in action, I have used a box or
so of Doan's Kidney Pills, which I
get at Wood & Son's Drug Store. They
have always relieved me in a short
time."

Price 60c, at all dealers. Don't
simply ask for a kidney remedy—get

PUBLIC SALE

OF WELL IMPROVED SMALL FARM
TUESDAY, OCTOBER 14,
10 O'CLOCK

In as much as I don't care to
be burdened with the responsibil-
ity of looking after my farm at
my time of life I have decided to
offer it at Public Sale to the high-
est bidder on the above date.

There is about 63 acres in the
farm; situated in Mason County,
Kentucky, in the Minerva pre-
cinct on the Big Pond Pike 6
miles West of Maysville; in Con-
solidated School District. This is
a well improved small farm, in
fact there is few like it in the
county. There is a 6-room Frame
House, in good condition, stock
barn and tobacco barn, with usual
outbuildings, all buildings in
good repair. Fencing is good,
and there is an abundance of wa-
ter for stock and family use even
at this drought period. Posses-
sion will be given for seeding this
fall and full possession march 1st,
1920. Land will be sold on easy
terms. Sale will take place rain
or shine on the premises, so be on
hand if you want this desirable
little farm.

Why Central Can Not Answer Questions

The duty of the switchboard oper-
ator is to answer your number calls
and get connections for you.

If she stopped to answer questions,
the number of calls would pile up and
the service would be delayed; this
would be an injustice to the other sub-
scribers.

When in response to a question, the
operator says: "I will give you Chief
Operator", she is obeying her instruc-
tion.

If you cannot find what you want in
the telephone directory, ask the oper-
ator for "Chief Operator" and she will
connect you with the "Chief Operator"
where your questions will be promptly
answered.
