Mrs. Laura Powell Dead.

A message to Mrs. J. S. Hovious, received here Friday morning, stated that Mrs. Laura Powell died Thursday afternoon at 6:30 o'clock, at her late home, Dallas, Texas. She deceased was a half sister of Mrs. Hovious, and about fifteen years of her life were spent in Columbia. She removed to Texas about eight years ago. She was a very excellent woman and left many friends in this place, won by her many womanly graces and Christian character. Her husband died here many years ago, but she is survived by four children, Mr. S. L. Powell, Mrs. S. C. Strange, Mrs. L. V. Hall, Miss Nona Powell, all of whom have the sympathy of the people of this community.

Lee Herd in Custody.

It will be remembered that about two months ago a man named Lee Herd, borrowed a mare from Mr. I. S. Taylor, who lives near Fairplay, this county, to ride to his home, in Wayne county, promising to return with the animal in a few days.

Weeks passed and Herd did not return. Mr. Taylor becoming uneasy, started an investigation, learning that Herd had offered the mare for sale at several places. A reward of \$25 was offered by Mr. Taylor for the arrest of Herd and his delivery to the jailer of Adair county, and also for the return of his mare.

Last Monday week Herd was arrested near Stearns, McCreary county, by John Keeton, deputy sheriff of Wayne county. We was brought to Monticello, and on Tuesday he was delivered to the jailer of Adair county, by Mr. W. H. Goff, who was employed to bring him to Columbia.

An examining trial will follow. It is reported that Herd is wanted at several different places.

If the young folks should follow his foot steps their lives would be worth living, and their influence far greater. After he has finished the task his Master gave him and crossed over to dwell with him the good deeds he performed while on earth will ever be in the memory of many. We wish him many more enjoyable birthdays.

7-4t. G. T. Herriford, County Judge.

The Louisville Post of the 11th, contained the following message from Glasgow: "The Fiscal Court of Monroe county had a called session for the purpose of getting in line to ask the State aid in the building of a road between Tompkinsville and Glasgow."

The above shows the necessity of early action on the part of other counties in the State that desire to build roads. This county needs every dollar it can get to improve its roads and we hope no faltering step will deprive this county from receiving its full share of the money. It seems that a similar step should be taken here. If the court would convene and give this matter due consideration we have no doubt about the result. Doubtless a proposition could be made that would give great impetus to this movement and bring to the county several thousand dollars that would not come by taxes.

We are making special prices on all Jewelry and Diamond goods.
