Editor News:

This is to inform you that I am still alive and that I expect to read the News as long as I live. I love to hear from my old home and my old schoolmates. Not many of them living now. I will be 83 years old next May. There are but few of the first settlers that moved to Iowa in 1860 living. They have crossed the river. What remains here are listing for the roll call.

We have made our mark in this country. We settled in two neighborhoods about seven miles apart. In each place there is a nice church, one of them cost close to \$1,800. The other one about \$1,500. We have had a disagreeable winter. Not but little rain or snow on the ground all of February. This is moving time here. The roads are muddy. It takes two teams to pull one load. There is great rejoicing in Iowa. The saloons are closed in Des Moines. Only 87 that closed their doors, and the

first day of 1916 all the saloons in Iowa will have to move out or quit. The health of this place is reasonably good. The people are busy preparing for spring work. Corn is 70c. per bushel, wheat \$1.50, flour \$2.00 per sack of 48 lbs., best hay \$15.00 per ton, hogs on foot \$6.25 per cwt. I will close. Good luck and best wishes to and all.

Keep Your Bowels Regular.

As everyone knows, the bowels are the sewerage system of the body, and it is of the greatest importance that they move once each day. If your bowels become constipated, take a dose of Chamberlain's Tablets just after supper and they will correct the disorder. For sale by Paull Drug Co. Ad.

Raymond Toole has been found guilty at Owenton of bringing about the death of a young woman by administering drugs.

Health Promotes happiness.

Without health genuine joy is impossible; without good digestion and regular bowel movement you cannot have health. Why neglect keeping bowels open and risk being sick and ailing? You don't have to. Take one small Dr. King's New Life Pill at night, in the morning you will have a full, free bowel movement and feel much better. Helps your appetite and digestion. Try one to night.
